

## QUARTERLY REPORT

**HALFWAY THROUGH FY20** 

January — March 2020 Fiscal Year to Date: October — March 2020

## 15,041 TOTAL LIVES SAVED FISCAL YEAR TO DATE.\*

#### **FOSTERS HELP FIND FOREVERS:**

## KAMBO

Kambo (A1010299), a 6-year-old pup full of personality, was picked up as a stray by our field officers in January 2020. His goofy smile, absurd sleeping positions even in his kennel, and his laid-back personality quickly made him a staff and volunteer favorite. But, for some reason, adopters kept passing him by.

After an urgent COVID-19 foster plea on March 13, Kambo left DAS for a temporary foster home.

After being at the shelter without getting adopted for 47 days, it took Kambo's foster just 3 days to find him a forever home. By sharing his personality on social media, Kambo's foster was able to quickly make the perfect match!

# We couldn't do this lifesaving work without **YOU**.

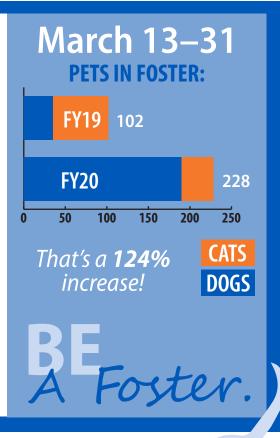

#### **COVID-19 RESPONSE**

Bran Adopter.

On March 13, 2020, in response to the developing COVID-19 emergency, Dallas Animal Services put out an urgent plea for adopters and fosters. Our community answered this plea with an overwhelming amount of support, helping us to quickly place 589 dogs and cats into foster or forever homes in just 10 days.

DAS immediately implemented social distancing best practices, including crowd control. On March 24th, when Dallas County issued its "Shelter in Place" order, DAS rolled out altered operations designed to minimize human contact while remaining committed to both public safety and lifesaving. These altered operations included a new tele-adoption system with curbside pet pick-up; online foster orientation and tele-foster program; and appointments for owners surrendering pets.

Animal Services Officers continued to respond to urgent, high-priority calls including sick/injured animals and threats to public safety.

#### FISCAL YEAR TO DATE, WE HAVE HAD...
