ANALYSIS OF IMPEDIMENTS TO FAIR HOUSING CHOICE

HOUSING COMMITTEE
OCTOBER 5, 2015

BEVERLY DAVIS, ASST. DIRECTOR, FAIR HOUSING
AND HUMAN RIGHTS

CHRIS PLUMMER, ASK DEVELOPMENT SOLUTIONS, INC.

HISTORICAL BACKGROUND

- Over 100 years of legal segregation in the United States resulted in segregated communities throughout the country with substandard housing.
- The Fair Housing Act of 1968 was passed to address the historical injustice of housing segregation and provide equal opportunity in housing regardless of race, color, religion or national origin.
 - Prohibited discrimination in housing and housing related services
 - Required Entitlement Jurisdictions that receive federal funds to Affirmatively Further Fair Housing

AFFIRMATIVELY FURTHERING FAIR HOUSING

- Current AI was prepared under the old methodology which was in effect until July of 2015.
 - OLD Methodology:
- Entitlement jurisdictions must certify that they are “Affirmatively Furthering Fair Housing” (AFFH) in order to receive federal funds from HUD. AFFH means:
 - 1) Conduct a study of fair housing issues and identify impediments
 - 2) Develop plans and actions to address identified impediments
 - 3) Implement plans to address impediments
 - 4) Maintain records of actions

AFFIRMATIVELY FURTHERING FAIR HOUSING NEW RULE

In July of 2015, HUD issued a New Rule for Affirmatively Furthering Fair Housing (AFFH) which will require the City to conduct an Assessment of Fair Housing (AFH). The City of Dallas will be required to submit the first AFH in January of 2018. Under the new rule AFFH is defined as follows:

Affirmatively furthering fair housing means taking **meaningful actions**, in addition to combating discrimination, that **overcome patterns of segregation** and **foster inclusive communities** free from barriers that restrict access to opportunity based on protected characteristics.

Specifically, affirmatively furthering fair housing means taking **meaningful actions** that, taken together, address significant **disparities** in housing needs and in access to opportunity, replacing **segregated living patterns** with truly integrated and balanced living patterns, transforming **racially and ethnically concentrated areas of poverty** into areas of opportunity, and fostering and maintaining **compliance with civil rights and fair housing laws**.

The duty to affirmatively further fair housing extends to **all** of a program participant's activities and programs relating to housing and urban development.

PURPOSE OF ANALYSIS OF IMPEDIMENTS

- 1) Serve as the substantive, logical basis for Fair Housing Planning and Housing Policy
- 2) Provide essential and detailed information to Policy Makers, Administrative Staff, Housing Providers, Lenders, and Fair housing advocates
- 3) Assist in building public support for Fair Housing issues within the jurisdiction and the region

WHAT IS AN IMPEDIMENT?

All actions, omissions, or decisions which:

1. are ***taken because of*** protected class membership which restrict housing choices or availability of housing; or
2. ***have the effect of*** restricting housing choices or the availability of housing on the basis of protected class membership

PROTECTED CLASSES

- Race
- Color
- National Origin
- Religion
- Sex (1974)
- Familial Status (1988)
- Handicap (1988)
- Sexual Orientation (Dallas Ordinance Only 2002)

- Meetings held with public agencies, advocates, HUD and City Departments
- Conducted on-line survey in English and Spanish
- Attended out reach events to solicit paper surveys
- Draft AI was completed and turned in to HUD on May 1, 2015
- Draft AI was posted for public comment through June of 2015

Authorize **(1)** a contract with the Department of State Health Services for the continuation of the Special Supplemental Nutrition Program for Women, Infants, and Children for the period October 1, 2015 through September 30, 2016; and **(2)** the execution of the Data Use Agreement between the Texas Health and Human Services Enterprise and the City - Not to exceed \$15,599,144 - Financing: Department of State Health Services Grant Funds

BACKGROUND

Since 1974, the Department of State Health Services (DSHS) has funded a Special Supplemental Nutrition Program for Women, Infants, and Children (WIC) in Dallas. The WIC Program provides nutritious food, nutrition education, breastfeeding promotion and support, and referrals to health and social services. The program serves infants, children under age 5, and pregnant, postpartum and breastfeeding women. WIC is a United States Department of Agriculture program administered in Texas by the Department of State Health Services. In Dallas County, the WIC Program is administered by the City of Dallas, Housing/Community Services Department.

The WIC Program was established in 1972, following a national nutrition survey that found anemia and inadequate growth to be common among American children in low-income families. The survey also found that many women from low-income families have poor pregnancy outcomes because of inadequate nutrition. WIC's primary mission is to give the most vulnerable children the best possible start by providing nutrition education, nutritious foods, and access to other health programs during the critical stages of fetal and early childhood development and to achieve optimal nutritional status for children before they start school.

The WIC Program provides services at 19 sites throughout Dallas County. The WIC Program has extended weekday and Saturday hours of service available to serve working families and students.

BACKGROUND (Continued)

Studies have shown that each dollar spent on WIC saves at least three dollars in medical expenses for infants who may have been premature or have had other medical problems, if their mothers had not benefited from participating in WIC Program services.

Funds are available to serve 103,000 participants per month for FY 2015-16. The City of Dallas is reimbursed for all expenses required to operate the WIC Program. Reimbursements are specified in the contract and are, in part, based on the number of WIC participants who are served each month. Approval of this contract will authorize reimbursement to the City of Dallas WIC Program for the FY 2015-16 contract in the amount of \$15,599,144.

Execution of the Data Use Agreement (DUA) is a requirement in order to receive WIC funding from the DSHS. According to Texas Health and Human Services Enterprise, the purpose of the DUA is to facilitate the creation, receipt, maintenance, use, disclose or access to confidential information regarding our WIC clients.

SUBJECT

Authorize contracts with fully-licensed child care providers pursuant to the City Child Care Services for the period October 1, 2015 through September 30, 2016 (list attached) and with other fully-licensed child care providers selected by eligible parents during the fiscal year - Not to exceed \$127,301 - Financing: 2015-16 Community Development Block Grant Funds

BACKGROUND

On June 10, 2015, City Council adopted the FY 2015-16 Consolidated Plan Budget for the U.S. Department of Housing and Urban Development (HUD) grant funds. The grant funds are available beginning October 1, 2015, contingent upon approval of the City's FY 2015-16 Action Plan and execution of grant agreements with HUD. The FY 2015-16 Consolidated Plan Budget includes a line item budget for the City Child Care Services in the amount of \$299,697.

The City Child Care Services promotes stability for low/moderate income working parents and high school students who are given limited assistance to become fully self-sufficient within a short period of time. Approximately 97 children will be subsidized for a one-year period.

The City Child Care Services pays up to \$50 per week per child directly to contracted child care providers for child care services for working parents whose income fall in the low/moderate income range of Community Development Block Grant (CDBG) funding eligibility. Individuals in this income range are frequently labeled as the "working poor" because their income places them just above the level to be eligible for other forms of public assistance such as Child Care Management Assistance (CCMA) and Head Start of Greater Dallas. Currently, there is a waiting list at CCMA and Head Start of Greater Dallas that has a limited number of slots for children ranging from 3 1/2 - 5 years of age. There are almost no infants or toddler slots available at Head Start of Greater Dallas and no summer programs.

BACKGROUND (Continued)

This resolution will allow the City to enter into contracts with fully-licensed child care service providers listed in the Attachment and also allows the City to enter into a contract with other fully-licensed child care providers that are not listed in the Attachment, and subsequent to the passage of this resolution, as long as the child care provider meets the requirements of the Child Care Services. Parents are allowed to select their own provider for child care. If the provider agrees to accept the funds from the City of Dallas and follow all program requirements, they will be added to the list during the year.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSION)

Authorized contracts with child care providers for the City Child Care Services on September 24, 2014, by Resolution No. 14-1596.

Information about this item will be provided to the Housing Committee on October 5, 2015.

SUBJECT

Authorize an amendment to Resolution No. 15-1365, previously approved on August 12, 2015 to: **(1)** increase the local cash match from the City of Dallas by \$100,040 (from \$96,253 to \$196,293); **(2)** decrease the In-Kind Contributions by AIDS Arms, Inc. by \$100,040 (from \$175,000 to \$74,960); and **(3)** specify new terms regarding match requirements in the Memorandum of Understanding between the City of Dallas and AIDS Arms, Inc. to provide an In-Kind Contribution in the amount of \$74,960, under the Continuum of Care Grant for the Permanent Supportive Housing from the U.S. Department of Housing and Urban Development - Total not to exceed \$100,040 - Financing: Current Funds

BACKGROUND

On August 12, 2015, City Council, by Resolution No. 15-1365, authorized the acceptance of a Continuum of Care Grant from the U.S. Department of Housing and Urban Development (HUD) for the Permanent Supportive Housing Grant (Grant No. TX0072L6T001407) in the amount of \$1,449,970, for the period October 1, 2015 through September 30, 2016, to provide tenant-based rental assistance for permanent housing and supportive services for homeless persons with disabilities and their families. This includes homeless persons who are seriously mentally ill, have chronic problems with alcohol, drugs or both or have AIDS and related diseases.

Under the Homeless Emergency Assistance and Rapid Transition to Housing Act of 2009 (HEARTH Act), enacted into law on May 20, 2009, all eligible funding costs accepted must be matched with no less than a 25 percent cash match or In-Kind Contribution. The total match for this grant equals \$387,493.

BACKGROUND (Continued)

Accordingly, by Resolution No. 15-1365, City Council also authorized a local cash match in the amount of \$96,253 from the City of Dallas and In-Kind Contributions in the amount of \$291,240 to be provided through Memorandum of Understanding's with LifeNet Services of Texas, Metrocare Services, ABC Behavioral Health (providing assistance and referrals regarding mental health services and medications), and AIDS Arms, Inc. (providing care coordination, case management and outpatient medical care).

Subsequently, AIDS Arms, Inc. notified the City of Dallas by letter dated August 24, 2015, that the actual amount of In-Kind Contributions that the agency will be able to provide under the grant for this period is approximately \$74,960, not \$175,000 that was previously approved by Council Resolution 15-1365. The difference of \$100,040 resulted from an internal misunderstanding regarding the mix or level of services (and their associated value) that the agency would provide to each client receiving housing assistance under the City grant. The City of Dallas will make up the difference in cash match through General Funds that are used to pay staff costs for housing case managers assigned to the grant project. With this change, the total match for the grant will remain \$387,493, but will include \$196,293 in cash match and \$191,200 through In-Kind Contributions.

BACKGROUND

The Homeless Assistance Center, located at 1818 Corsicana Street, is owned by the City of Dallas, and is operated by Bridge Steps, a Texas non-profit corporation with whom the City contracts under a Management Services Contract, Phase II, for the operation, programming, and management of The Bridge. Opened on May 20, 2008, The Bridge provides a centralized entry point for homeless persons to access multiple services at one location through on-site services and co-located agencies. The Bridge serves more than 7,000 persons experiencing homelessness per year.

BACKGROUND (Continued)

During the 81st State Legislative Session in 2009, the State Legislature appropriated funding to be administered by the Texas Department of Housing and Community Affairs (TDHCA) for the Homeless Housing and Services Program (HHSP) to provide funding to the eight largest cities in Texas in support of services to homeless individuals and families. Cities currently served through HHSP include Arlington, Austin, Corpus Christi, Dallas, El Paso, Fort Worth, Houston, and San Antonio.

The purpose of the HHSP is to provide housing and services for individuals and families who are homeless or at risk of homelessness. Eligible activities include construction, development, or rehabilitation of housing for eligible persons; direct services to eligible persons; case management; housing retention; homelessness prevention; rental assistance; or other related activities.

The City of Dallas was awarded HHSP funding from TDHCA in 2010, 2011, 2012, 2013, and 2014, which provided operating assistance for The Bridge and was used to leverage City and County funding.

On September 9, 2015, the City of Dallas was notified that it would receive a 2015 HHSP award from TDHCA in the amount of \$806,510. Subsequently, TDHCA requested that the City of Dallas, along with the other seven HHSP grantees, apply a pro-rata portion (\$16,130) of its HHSP grant award to support *Youth Count Texas! Youth Count Texas!* is an initiative, mandated by the legislature to be administered by TDHCA, to conduct a statewide count of homeless and unstably housed youth during 2015-16. The local Continuum of Care through Metro Dallas Homeless Alliance (MDHA) will be enlisted to participate in the youth count. With approval of this item, \$790,380 of this year's HHSP grant funds would be used to continue operating assistance for The Bridge and leveraging of City and County funding and \$16,130 to support the youth count.

Senate Bill 58 of the 83rd regular legislative session amended Subtitle I, Title 4, of the Texas Government Code to add Chapter 539 establishing or expanding community collaborative projects to improve the access to care, quality/comprehensiveness of care, and outcomes for persons who are both homeless and have a mental illness. The Texas Department of State Health Services requested applications from five Texas municipalities in counties with populations of more than one million, including Bexar, Dallas, Harris, Tarrant, and Travis. In FY2014, the City of Dallas applied and was awarded \$5,177,000 in funds to service mentally ill and substance abuse homeless individuals. The City was awarded an additional \$2,613,607 for FY2016 to continue to serve mentally ill and substance abuse homeless individuals.

BACKGROUND (Continued)

The City subcontracted with The Bridge Steps (Bridge) through the Homeless Assistance Center to provide services to homeless clients with mental illness and substance abuse. The Bridge has served over 30% of their clients with a portion of FY 2014 funds, approximately \$1,600,000, to provide wrap around services such as triage, counseling, case management and outreach.

Acceptable uses of the grant money require matching funds to include the establishment or expansion of a community collaborative of service providers focused on meeting the needs of the mentally ill homeless population, the establishment, operation and/or maintenance of minimum services and, once requirements are met, the provision and/or coordination of optional services.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On October 22, 2014, City Council authorized the City Manager to: (1) execute an Interlocal Agreement with Dallas County for up to \$1,000,000 in funds to provide homeless assistance services at The Bridge; (2) accept a grant from TDHCA in the amount of \$756,818; and (3) execute a ninth amendment to the Management Services Contract, Phase II, with Bridge Steps to allow Bridge Steps to count both the Dallas County and TDHCA funds toward Bridge Steps' required contribution to The Bridge operating budget, by Resolution No. 14-1792.

On January 14, 2015, City Council authorized an amendment to Resolution No. 14-1792, to accept additional funds in the amount of \$20,142 (from \$756,818 to \$776,960) in the grant from the Texas Department of Housing and Community Affairs, to allow Bridge Steps to count the additional funds toward Bridge Steps' required contribution to The Bridge operating budget and require Bridge Steps to comply with all conditions of the grant agreement, by Resolution No. 15-0114.

On February 11, 2015, City Council authorized a tenth amendment to the Management Services Contract, Phase II, with Bridge Steps to count Dallas County Emergency Solutions Grant (ESG) funds toward Bridge Steps' required contribution to the Bridge operating budget and require Bridge Steps to comply with all conditions of the agreements and matching fund requirements, by Resolution No. 15-0274.

On August 17, 2015, the Housing Committee was briefed on The Bridge operations, services, number served, and financial concerns.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS) (Continued)

On September 22, 2015, City Council authorized: (1) the first five (5)-year renewal option to the Management Services Contract, Phase II, with Bridge Steps for the continued operation, programming, and management of The Bridge; (2) FY2015-16 City funding in an amount of \$3,800,000; (3) an FY2015-16 Interlocal Agreement with Dallas County to accept \$1,000,000, for operation of The Bridge; (4) an Interlocal Agreement with Dallas County to accept FY2015-16 Emergency Solutions Grant (ESG) funds for shelter operations at The Bridge in the amount of \$113,357; and (5) use of FY2015-16 City of Dallas ESG funds for shelter operations at The Bridge in the amount of \$378,279, by Resolution No. 15-1800.

Information about this item will be provided to the Housing Committee on October 5, 2015.

EXHIBIT A

Urban Land Bank Demonstration Program Plan Fiscal Year 2015-16

City of Dallas

**Housing Department
1500 Marilla Street
Room 6DN
Dallas, Texas 75201**

October 14, 2015

OVERVIEW

The 2003 Texas Urban Land Bank Demonstration Act, as amended, provides an opportunity for Dallas to address the dual needs of insufficient affordable housing and older neighborhoods at risk. The Act allows the governing body of a municipality to adopt an urban land bank demonstration program in which the officer charged with selling real property ordered sold pursuant to foreclosure of a tax lien may sell certain eligible real property by private sale for purposes of affordable housing development.

The governing body of a municipality that adopts an Urban Land Bank Demonstration Program must adopt a plan annually. The plan for fiscal year 2015-16 includes the following elements:

- 1) A list of the parcels of real property that may become eligible for sale to the land bank during the plan year,
- 2) An estimate of the total number of tax lawsuits to be filed to acquire land bank properties in the plan year.
- 3) The proposed sale price of the properties anticipated to be sold to “qualified participating developers” during the plan year.
- 4) A list of community housing development organizations eligible to participate in the “right of first refusal” for acquisition and development of real property sold to the land bank,
- 5) The municipality’s plan for affordable housing development on those parcels of real property, and
- 6) The sources and amounts of funding anticipated being available from the municipality for subsidies for development of affordable housing in the municipality, including any money specifically available for housing developed under the program, as approved by the governing body of the municipality at the time the plan is adopted.

The City of Dallas proposes to implement a local Urban Land Bank Demonstration Program and presents this plan for implementation. Before adopting the FY 2015-16 plan, the City of Dallas will hold a public hearing on the proposed plan. The City of Dallas will provide notice of the hearing to all City certified Community Housing Development Organizations (CHDOs) and to neighborhood associations identified by the City as serving the neighborhoods in which properties anticipated to be available for sale to the land bank are located. The City of Dallas will make copies of the proposed plan available to the public not later than the 60th day before the date of the public hearing.

Following the adoption of the FY 2015-16 Urban Land Bank Demonstration Program Plan, the plan will be implemented and the annual performance reports on the plan will be available through the Housing Department no later than November 1, 2016. The performance report for the FY 2014-15 Urban Land Bank Demonstration Program Plan will be available no later than November 1, 2015.

CITY OF DALLAS' FY 2015-16 URBAN LAND BANK DEMONSTRATION PROGRAM PLAN

Parcels of Property

The objective of the City of Dallas' Urban Land Bank Demonstration Program is to acquire unproductive, vacant, and developable lots and lots improved with abandoned, vacant and uninhabitable houses to be "banked" by the Dallas Housing Acquisition and Development Corporation (the "Land Bank") for affordable housing or ~~grocery store~~ other commercial development. The acquisition of these lots will enable new single-family homeowner development on the lots to house low and moderate income households and stabilize distressed communities. The lots may also contain the rental housing units above a retail/commercial/office development for rent to low and moderate income tenants. This initiative will be implemented by means of the tax foreclosure process for properties with five years or more of delinquent property taxes.

The City has identified parcels of real property that may become available for sale to the Land Bank during the fiscal year beginning October 1, 2015 (see Attachment C). The considerations for parcel identification included vacant residential/commercial properties with at least five years or more of delinquent property taxes (reported from Dallas County). Priority is given to properties located in: 1) neighborhoods designated within the City of Dallas Neighborhood Investment Program, 2) neighborhoods with active Community Housing Development Organization projects, and 3) other neighborhoods identified by the City as being in need of new housing/~~grocery store~~ commercial development. The parcels listed will follow a process of review to determine suitability for housing development before moving forward to tax foreclosure and possible land banking. This is a list of potential properties for the Land Bank. Up to 100 parcels from Attachment D that were previously referred for tax foreclosure will be resubmitted and at least 100 parcels of property from the attached list will be referred for tax foreclosure by the Land Bank during the 2015-16 fiscal year.

Notwithstanding any other right of first refusal granted under Texas Local Government Code ("Code") Chapter 379C, if the Land Bank determines that a property acquired by the Land Bank is not appropriate for residential development, the Land Bank first shall offer the property for sale to an eligible adjacent property owner for the lower of the fair market value for the property as determined by the appraisal district in which the property is located or the sales price recorded in the annual plan, i.e., the amount for which the property would be sold to a "qualified participating developer", calculated as shown on page 5 of this annual plan. An "eligible adjacent property owner" means a person who owns property located adjacent to property owned by the Land Bank and satisfies eligibility requirements adopted by the Land Bank. An adjacent property owner that purchases property under this section may not lease, sell, or transfer that property to another person before the third anniversary of the date the adjacent property owner purchased that property from the Land Bank, unless the Land Bank adopts a policy permitting the transfer of the property to a family

member of the eligible adjacent property owner or occurs as a result of the death of the eligible adjacent property owner.

Additional Use of Land Bank Property

The Land Bank may also acquire and sell property to a developer property intended for commercial use. ~~to allow the construction of a grocery store that has at least 6,000 square feet of enclosed space and that offers for sale fresh produce and other food items for home consumption. A developer is not required to be a qualified participating developer but must obtain the City's approval of a development plan for the Land Bank property.~~

Qualified Participating Developer

In order to be designated as a Qualified Participating Developer under Section 379C.005 of the Code and participate in the Urban Land Bank Demonstration Program, a developer must: (1) have built one or more housing units within the three-year period preceding the submission of a proposal to the Land Bank seeking to acquire real property from the Land Bank; (2) have a development plan approved by the City for the Land Bank property; and (3) demonstrate ability to develop, within a three-year period, its inventory of residential lots acquired through City of Dallas operated or assisted programs including proposed Land Bank property to be acquired.

Community Housing Development Organizations

An organization which meets the definition of a Community Housing Development Organization (CHDO), under 24 CFR 92.2 and is certified by the City of Dallas as such, may be a “qualified organization” under Section 379C.011 of the Code. Only “qualified organizations” as defined in the Code may engage in the “right of first refusal” for this program.

A listing of those CHDOs that may be eligible for the “Right of First Refusal” is available as Attachment A. In order to engage in the “right of first refusal” on the acquisition of a property from the Land Bank, the CHDO must also have the following to be considered a “qualified organization”:

1. Contain within its designated geographical boundaries of operation, as set forth in its application for certification filed with and approved by the City, a portion of the property that the Land Bank is offering for sale,
2. Built at least three single-family homes or duplexes or one multifamily residential dwelling of four or more units in compliance with all applicable building codes within the preceding two-year period of the date the property becomes available for purchase through the Land Bank and within the organization’s designated geographical boundaries of operation, and

3. Built or rehabilitated housing units (within the preceding two-year period) within a one-half mile radius of the offered parcel.

Code Section 379C.011 explains the elements of the “Right of First Refusal” for “qualified organizations.” The City of Dallas and Land Bank will apply the following points to this process:

1. Written notice will be provided to the “qualified organizations” for the offering;
2. The time period for “right of first refusal” will be six (6) months from the date of the deed of conveyance of the property to the Land Bank;
3. During this six-month period, the Land Bank may not sell the property to a qualified participating developer other than a qualified organization (If all qualified organizations eligible to exercise the right of first refusal for that property notify the Land Bank that they are declining to exercise their right of first refusal during the 6 month period or if an offer to purchase the property is not received from a qualified organization during the 6 month period, the Land Bank may sell the property to any other qualified developer at the same price that the Land Bank offered the property to the qualified organization);
4. After the period for the “right of first refusal” expires, the subject property will be offered to a “qualified participating developer” as defined in the Code (a “qualified participating developer” is defined as a developer who has built one or more housing units within the three-year period preceding the submission of a proposal to the Land Bank and has a development plan approved by the City for the Land Bank property);
5. At the discretion of the Land Bank and consistent with the City approved development plan, the subject parcel may be held for up to twelve (12) additional months by the Land Bank once an offer has been received and accepted from a “qualified organization or “qualified participating developer”;
6. If more than one “qualified organization” expresses an interest in exercising its “right of first refusal,” the organization that has designated the most geographically compact area encompassing a portion of the property shall be given priority; and
7. There will be no requirements for the Land Bank to give “right of first refusal” for “qualified organizations” if the subject property has reverted to the Land Bank after going through this entire process.
8. The “right of first refusal” applies only to properties acquired under the State Code for the Urban Land Bank Demonstration Program. There is no “right of first refusal” for properties acquired by the City or its Land Bank through other City programs or initiatives. The CHDO “right of first refusal” is subject to the “right of first refusal” to an eligible adjacent property owner as provided in Code Section 379C.0106.

City of Dallas Plan for Affordable Housing Development

Based on 2010 census data, the population of the City of Dallas has grown by 9,236 since 2000. The City of Dallas has identified high priority needs in the availability and affordability of housing. One main concern is the low rate of 44.1% for homeownership in Dallas compared to the national average of 66.9%.

In order to achieve a 50% homeownership rate goal, approximately 27,000 single-family units would have to be created. The priority for the City of Dallas is not only to create single-family homes but also to make them affordable. The definition of an affordable homeownership unit is one in which a household with income of 115% or less of area median family income can obtain financing to purchase the home.

The creation of housing for families at 80% or below of median family income is a priority for the City of Dallas and this Urban Land Bank Demonstration Program. Additionally, at least 25% of the Land Bank properties must be deed restricted for sale to households with gross household incomes not greater than 60% of the area median family income adjusted for household size; and not more than 30% of those Land Bank properties may be deed restricted for sale to households with gross household incomes greater than 80% of the area median family income, adjusted for household size. In addition, a lease-purchase option may be used with the understanding that the purchaser must close on the house within twelve months from the date the lease-purchase begins. The tremendous need for housing in Dallas will also allow the City to take advantage of opportunities to leverage private and public funding for mixed income developments.

The City of Dallas intends to continue implementation of the Urban Land Bank Demonstration Program to produce affordable housing. Attachment D identifies the list of 2386 properties the Land Bank has referred for tax foreclosure under the FY 2003-04, FY 2004-05, FY 2005-06, FY 2006-07, FY 2007-08, FY 2008-09, FY 2009-10, FY 2010-11, FY 2011-12, FY 2012-13, FY 2013-14 and FY 2014-15 Plans. In the event any properties are removed from Attachment D, an equal number of qualified lots may be substituted. The City of Dallas intends to sell up to 200 properties in FY 2015-16 to “qualified organizations” and “qualified participating developers” for affordable housing development under this program. Subject parcels will first be offered for sale in FY 2015-16 to “qualified organizations” at a price of \$1,000.00 for the first 7,500 square feet of land plus another \$1,000.00 for each additional developable adjacent lot included in the parcel subject to budget allowances and Land Bank Board approval and to “qualified participating developers” at a price of \$5,000.00 for the first 7,500 square feet of land plus another \$5,000.00 for each additional developable adjacent lot included in the parcel plus any regulatory and contractual costs, including but not limited to environmental testing, maintenance, post foreclosure property taxes and replatting, required for the Land Bank to acquire and sell developable properties. In 2010, the Land Bank acquired 112 lots using Neighborhood Stabilization Program (NSP) funds. These lots were not acquired under the state statute and will fall under the applicable NSP rules and

regulations. All properties will be deed restricted. Properties to be developed for homeownership will remain deed restricted until construction is complete and sale of the affordable unit occurs.

All parcels will be conveyed with a right of reverter so that if the “qualified participating developer” does not apply for a construction permit and close on any construction financing within the three-year period following the date of the conveyance of the property from the Land Bank to the “qualified participating developer,” the property will revert to the Land Bank for subsequent resale to another “qualified participating developer” or conveyance to the taxing units who were parties to the judgment for disposition as otherwise allowed under the law. If a property is not sold within four (4) years to a “qualified organization” or a “qualified participating developer,” the property will be transferred from the Land Bank to the taxing units who were parties to the judgment for disposition as otherwise allowed under the law. A property may be transferred to the taxing units before completion of the four-year period if the Land Bank determines that the property is not appropriate for residential or ~~grocery store~~ commercial development. The Land Bank may also sell property to a political subdivision or a nonprofit organization before completion of the four-year period.

The DHADC may permit a qualified participating developer to exchange a property purchased from the Land Bank with any other property owned by the developer if the developer agrees to construct on the other property affordable housing for low income households as provided in this plan and state law and the other property is located in a planned development incorporating the property originally purchased from the Land Bank or another location as approved by the Land Bank. The Land Bank shall adjust the Deed Restrictions under Texas Local Government Code Section 379C.010 for each of the properties exchanged by the developer under this section.

The Land Bank may sell two adjacent properties that are owned by the Land Bank to a “qualified participating developer” if at least one of the properties is appropriate for residential development and the developer agrees to replat the two adjacent properties as one property that is appropriate for residential development.

Supportive Funding

Attachment B reflects the sources and amounts for funding anticipated to be available from the City for subsidies for development of affordable housing in the City of Dallas, including money specifically available for housing developed under this program, as approved by the City Council of the City of Dallas at the time of adoption of this plan.

KEY FOCUS AREA: E-Gov
AGENDA DATE: October 14, 2015
COUNCIL DISTRICT(S): All
DEPARTMENT: Fair Housing
CMO: A. C. Gonzalez, 670-3297
MAPSCO: N/A

SUBJECT

Authorize **(1)** the acceptance of a grant from the U.S. Department of Housing and Urban Development (HUD) for the Fair Housing Assistance Program (FHAP) to process, investigate and conciliate housing discrimination complaints, administrative costs and HUD required staff training for the period October 1, 2015 through September 30, 2016; and **(2)** the execution of the cooperative grant agreement and any other documents related to the grant - Not to exceed \$274,825 - Financing: U.S. Department of Housing and Urban Development Grant Funds

BACKGROUND

On November 15, 1991, the U.S. Department of Housing and Urban Development notified the Fair Housing Office that the City of Dallas Fair Housing Ordinance is substantially equivalent to the Federal Act. Certification of substantial equivalency qualifies the City for federal funding for fair housing enforcement, education and outreach.

On September 1, 1992, a Cooperative Agreement between the City and the U.S. Department of Housing and Urban Development was executed whereby the City became a Fair Housing Assistance Program agency and began participating in the U.S. Department of Housing and Urban Development Fair Housing Assistance Program. This program provides funding for substantially equivalent fair housing agencies.

The funding allows the U.S. Department of Housing and Urban Development to refer housing discrimination complaints of Dallas origin to the City for processing, while the U.S. Department of Housing and Urban Development monitors the City's performance. On August 26, 1992, the City Council approved the first of twenty-four Cooperative Agreements with the U.S. Department of Housing and Urban Development. Since December 1992, the U.S. Department of Housing and Urban Development has provided the City \$5,962,277 under this program.

BACKGROUND (Continued)

Thus far, the funds have been used to partially fund the investigation of 2,383 housing discrimination complaints, to lease computer equipment that is compatible and is required by the U.S. Department of Housing and Urban Development, to attend the U.S. Department of Housing and Urban Development required training seminars, and to enhance Fair Housing education and outreach.

On August 26, 2015, the City was notified that it would receive \$274,825 in Comprehensive Funding Approach funds for Fiscal Year 2015-16. These funds are to be used for Fair Housing Office case investigation and processing, administrative costs, and training and professional development.
