# Substandard Rental Properties Can Have a Negative Affect on Neighborhoods

- 40% of residents live in apartments that are subject to periodic inspection by Code and Fire departments
- 20% of residents live in rented single-family or condominium properties (approximately 50,000 households) with no periodic inspection required

  - Insect infestation - 19%
  - Mold - 11%

- ▶ Related effort by the City Attorney’s Office began in 2014 combining enforcement experience with review of ordinances from comparable jurisdictions
- ▶ In 2015, Code and CAO combined efforts and sought Stakeholder input
  - Neighborhood Groups
  - Industry organizations
  - Non-profit housing advocates and providers
  - Property owners and managers
  - Municipal court
  - Community Prosecutors
  - Dallas Police and Fire Departments

# Other Input

- ▶ In addition to Stakeholders, input was received from:
  - ▶ Ordinances of other Texas and US Cities
  - ▶ Health and Wellness Alliance / Children's Health
  - ▶ National Center for Healthy Housing
  - ▶ Habitat for Humanity

# Changes to Housing Standards

- ▶ Majority of changes were clarifications of the existing standards
  - ▶ Reviewed with Building Inspection to assure conformity with building codes

- ▶ New standards were added for healthy housing
- ▶ The only standard that raised much discussion is the maximum allowed indoor temperature, especially as applied to rental properties

# Changes to Rental Registration and Inspection

- ▶ Many of the comments from Stakeholders were directed to administration of the two rental programs
- ▶ The major complaint about apartment inspection is that the program is onerous for well managed properties
  - ▶ Suggestions for a “risk based” inspection program that rewards well-managed properties with less frequent inspections
  - ▶ Other incentives are possible

# Changes to Rental Registration and Inspection

- ▶ Single Family Rental Program
  - ▶ Census data indicates that there are between 48,000 and 52,000 single family rental properties in Dallas
  - ▶ Less than 10% are currently registered
  - ▶ Inspection is not currently authorized, only registration

# Changes to Rental Registration and Inspection

- ▶ Proposed Changes
  - ▶ Properties would be inspected once every five years
  - ▶ Interior and exterior of the property
  - ▶ Annual registration would require an affidavit from the landlord attesting to the property condition

# APPENDIX

# Appendix

## Proposed Revisions to Chapter 27 Minimum Housing Standards

Potential Amendments	Ordinance Reference and Page Number	Staff Comments/Concerns
<b>Environmental</b>		
1a. Air conditioning would be required in all structures for human habitation with a maximum temperature of 80 degrees on a year round basis.	27-11 (e)(1)(A) and 27-11(h)(2)  p.16 and p.20	Staff is concerned based on input from stakeholders about the cost of this provision. Massive investment will be required to upgrade buildings and systems to meet this standard. Property owners have stated rent charges would be increased to offset the cost. This could also result in a decrease of property available for rental.
2. A/C temperature readings should be required to be taken during hottest times of the day	27-11 (e)(1)  p.16	Staff is concerned about the strain on resources if these measures can only be taken during specific times of the day. Scheduling would be problematic.
3a. Mold – Owners should fix any leaks causing the mold; treat the area with disinfectant; and, if mold returns, remove affected materials, disinfect, and replace with new materials	27-11(h)(7)  p.20	Staff opposes inclusion of this amendment in Chapter 27, which already requires repair to sources moisture. The Chapter 27 Reference Manual will address how to make repairs and deal with mold.
6b. Bedbugs – Tenants should share some responsibility for treating bedbugs	27-3 (15)  p.3	Staff supports this amendment. The definition of pests and vermin includes bedbugs. TAA leases already provide for this and 92.018 of the Texas Property Code allows the pass-through of costs to the tenant for damages created by the tenant.
10. Change water heating temperatures back from 110 degrees Fahrenheit to 120 degrees Fahrenheit	27-11 (f)(4)(c)  p.18	Staff opposes this amendment. The American Burn Association states that 110 degrees is a safe temperature for bathing. Higher temperatures increase the risk of scald burns, especially with children. To require that every outlet produces water at least 120 degrees means many of them will produce water hotter than 120, since it can cool as it travels through pipes to the point of use. The closer the point of use is to the source of hot water, the higher the temperature and risk of burn.
<b>Crime</b>		
4a. Crime watch meeting participation – Remove requirement that multi-family designate specific person to attend crime watch meetings	27-44(b)  p.53	Staff supports this amendment. The individual who attends the meetings may change due to staff changes.

Potential Amendments	Ordinance Reference and Page Number	Staff Comments/Concerns
4b. Crime watch meeting participation – Property managers should be required to attend more meetings	27-44  p.53	Staff supports this amendment. The requirement was increase to four per year in all sections.
4c. SAFE cases	27-42 (e)  p.52	Staff opposes the inclusion of this amendment in Chapter 27. It is a policy change rather than an ordinance change. Staff proposes to conduct a Graded License Inspection upon a property becoming a SAFE property if a GLI has not been done within the last 12 months. The GLI would be conducted by Code Compliance MCIS staff with the support of the Dallas Police Department. Invoicing for the GLI would be handled the same way as other GLIs.
16. Amend statements in crime addendum that owner will initiate eviction proceedings if tenant or guest engages in criminal activity to give more clarity	27-43(c)(2)  p.53	This amendment was clarified in the redline version provided.

Potential Amendments	Ordinance Reference and Page Number	Staff Comments/Concerns
43. Registration program should allow landlords to opt-in to receiving email/text messages when an NOV is issued or crime occurs on their property	27-32(a)(1)  p.47	Staff opposes including this amendment in Chapter 27. Staff will work to make this a part of the registration program, but will require an enhanced computer system to manage.
51. Allow current language in TAA lease to substitute for crime addendum	27-43(e)  p.54	Staff supports this amendment.
<b>Lease</b>		
8. Provide leases in native language of tenant	NA	Staff opposes this amendment. The TAA lease is already available in English and Spanish. There is a possibility of pre-emption by state law. The number of native languages makes this impractical and costly, it would be difficult to enforce, and raises potential discrimination issues.
<b>Enforcement</b>		
9. Fines should be higher	27-4(b)(2)  p.8	Staff opposes this amendment. Fine amounts are limited by Local Government Code Chapter 54. The higher priority violations were increased in the original proposed amendments. One risk of raising the fines too high is that more cases may go to trial, tying up resources. Finally, under current Chapter 27, citations may be written for violations daily, resulting in multiple citations for the same violation.
11. Rental inspection scores and citations/notices of violation should be posted	27-30 (d)(3)  p.45	Staff opposes this amendment for inclusion in Chapter 27. As a matter of policy/procedure, rental inspection scores are already posted on the City of Dallas website. Staff opposes posting citations/notices of violation due to the volume of postings that would be required.
12. Rental inspection scores and citations/notices of violation should be provided to current tenants	27-30 (d)(2)  p.45	Staff opposes this amendment for inclusion in Chapter 27. As a matter of policy/procedure, rental inspection scores are already posted and available to current tenants on the City of Dallas website. Staff opposes the requirement of providing citations/notices of violation due to the volume of notices that would be required and it would be difficult to enforce requiring the owner/manager to provide. Tenants may obtain outcomes of Service Requests from 311 or the 311 website.

Potential Amendments	Ordinance Reference and Page Number	Staff Comments/Concerns
13. Rental inspection scores and citations/notices of violation should be provided to prospective tenants	27-30 (d)(1)  p.45	Staff opposes this amendment for inclusion in Chapter 27. As a matter of policy/procedure, rental inspection scores are already posted and available to prospective tenants on the City of Dallas website. Staff opposes the requirement of providing citations/notices of violation due to the volume of notices that would be required and it would be difficult to enforce requiring the owner/manager to provide. Prospective tenants may receive a history of Service Requests for the property through Open Records Request.
21. Require a written maintenance/complaint log of tenant complaints and what done about each complaint (available for review at any time by City or tenants)	27-38 (b)(8)  p.51	Staff supports this amendment.
23. Add a requirement that complexes with scores below 70 must expedite repairs and/or be closed	NA	Staff opposes this amendment. Timelines for repairs are already given by the Inspector based on the type and severity of the violation. Inspector discretion is important to gaining compliance. Legal issues with closing a property.
27. More frequent graded inspections for properties with more than X complaints	27-42 (d)  p.52	Staff opposes this amendment. As part of the planned risk-based inspection program, frequency of inspections would be based on the last Graded License Inspection score. Basing it on complaints would allow one tenant in a civil dispute with a property owner to trigger a GLI.
29. The Rental Registration Program should have incentives for landlords including a provision requiring bulk trash citations to be issued to the tenant	NA	Staff supports this concept. Chapter 27 provides the ability to cite either the property owner or the tenant for premise violations and staff recommends keeping this. Tenants can be transient and difficult to find, and property owners are ultimately responsible for what happens on their property. Staff will work to implement a system to record tenant information with registration and issue citations to the tenant when appropriate.
33. Cite tenant for premise violations	NA	See response to 29 above.
34. Mandate timeframes to repair violations	27-32 (1)(E)  p.48	Staff opposes this amendment. Timelines for repairs are already given by the Inspector based on the type and severity of the violation. Inspector discretion is important to gaining compliance on a case-by-case basis and blanket requirements cannot fit all situations.

Potential Amendments	Ordinance Reference and Page Number	Staff Comments/Concerns
37. City should inspect a higher percentage of units during multi-family graded inspections	NA	Additional resources would be required for this amendment. Currently, 10% of units in a complex are inspected. As an example, if the percentage were increased to 20%, approximately 80% more Inspector time would be required at a cost of approximately \$1 million.
41. Multiple, continuous duplexes should be inspected as multi-family properties	NA	Staff opposes this amendment. Duplexes would be handled like single-family rental properties if the unit is not owner occupied.
44. City should not provide landlords/property managers prior notice of inspections or just 24-hour notice	NA	Staff opposes this amendment. Scheduling must be coordinated to maximize Inspector time, otherwise too much time would be wasted trying to gain entry to the units.
46. If property manager/owner shows that they have budgeted for a major repair in a capital improvement plan, allow extra time to make the repair	NA	Staff supports this concept.
50. Require that extended-stay motels functioning as multi-family be subject to registration and inspection requirements	27-3 (19)(D)  p.4	Staff supports this amendment and has proposed a modified definition of extended-stay motel for purposes of Chapter 27.
53. Do not take out the defenses to prosecution	27-11 (l) p.21	Staff supports this amendment.
<b>Registration</b>		
25. Rental registration application should include, if the owner is an LLP or LLC, names of executive officers/partners and their addresses	27-31 (1) (E)       p.48	Staff opposes this amendment. Identifying/contact information is already required for entities owning rental properties. This includes agents for service of process. That is all that is needed to get the owner cited and in court. Any other information regarding officers, owners, etc. of the entity is discoverable. Additionally, a goal of the proposed amendments was to make registration easier for everyone in order to encourage participation. We want to avoid duplicative or unnecessary information or information that can be easily retrieved from other sources.

Potential Amendments	Ordinance Reference and Page Number	Staff Comments/Concerns
26. Rental registration application should include a list of all properties owned in Dallas by the same owner and any immediate family, including spouse	27-31 (1) (M)  p.49	Staff opposes this amendment. The registration database will be searchable by name of owners so that each applicant/registrant does not need to list all other rental properties owned. This would be redundant. For example, 100 property registrations with a common owner would have to list each of the other 99 properties associated with it each time. Additionally, a goal of the proposed amendments was to make registration easier for everyone in order to encourage participation. We want to avoid duplicative or unnecessary information or information that can be easily retrieved from other sources.
39. City should require landlords to provide a copy of their driver's license / photo	27-31 (1) (N)  p.49	Staff supports this amendment.
<b>Safety</b>		
20. Prevent landlords of apartment complexes from wiring common area lights into individual units	27-11 (g)(5)  p.19	Staff supports this amendment.
35. Require landlords to disclose existing or anticipated maintenance issues	27-30(f)  p.45	Staff opposes this amendment. Existing conditions already must be disclosed and there is no way for a property owner to predict future issues.
36. Require landlords to conspicuously post rules of the complex/property	27-30 (d)(14)  p.45	Staff partially opposes this amendment. The State already requires posting of changes to parking rules and personal property rules. If there are additional rules for the property, staff supports a requirement that these be provided in writing with the lease. Defining an appropriate location for all properties to post on-site is problematic.
45. Require full-time managers and multi-family properties	27-30 (h)  p.46	Staff opposes this amendment. Many properties are small and/or a few number of units and having a full-time manager is not necessary or feasible. Managers are often shared across multiple properties without issues. Chapter 27 is not intended to dictate business practices.
48b. "McGough plan on lighting"	NA	Staff has proposed lighting provisions to address safety concerns at multi-tenant properties. Standards for lighting will be discussed with Sustainable Development and Construction for possible inclusion into development standards

The hearing officer shall make a decision based upon a preponderance of the evidence presented at the hearing, after giving due weight to all rebuttable proof established by this article or other applicable law.

(d[e]) Each party shall have the right to call and examine witnesses, to introduce exhibits, to cross-examine opposing witnesses on any matter relevant to the issues, and to rebut evidence; except that, if the person charged fails to make a timely, written request to have the inspector who issued the citation present at the hearing, the person charged will be deemed to have waived the right to call and examine that inspector.

(e[d]) The hearing officer may examine any witness and may consider any evidence offered by a witness or person charged with a violation, giving due weight to all testimony and evidence offered.

(f[e]) If requested by the hearing officer or any party to the hearing prior to commencement of the hearing, the entire proceedings of the administrative hearing ~~[limited to pre-hearing motions and testimony]~~ will be recorded electronically. Failure to timely request that the administrative hearing be electronically recorded constitutes a waiver of the right to have a record of the hearing. The person charged may, at his expense, have a court reporter present in the hearing room during the proceedings.

(g[f]) After hearing all the evidence, the hearing officer shall immediately issue an order in writing, either:

(1) finding the person charged liable for the violation, assessing the applicable administrative penalties, fees, and court costs, and notifying the person of the right of appeal to municipal court; or

(2) finding the person charged not liable for the violation; ~~or~~

~~(3) finding the person charged liable for the violation, assessing the applicable administrative penalties, fees, and court costs, notifying the person of the right of appeal to municipal court, and suspending the enforcement of the administrative order for a specific period of time; provided that:~~

~~(A) a person whose administrative order is suspended must pay all fees and court costs;~~

~~(B) if, at the end of the suspension, the property or premises complies with the administrative order, the hearing officer may reduce the applicable administrative penalties; and~~

~~(C) if, at the end of the suspension, the property or premises is still in violation of the administrative order, the administrative penalties originally assessed will become due.~~

(h[g]) The hearing officer shall assess an additional \$36 administrative penalty for each violation (other than a violation of Section 49-21.1 of this code) for which a person is found liable, which amount will be placed in the Dallas Tomorrow Fund or the Dallas Animal Welfare Fund, as applicable. In no case may the total amount of administrative penalties, including the \$36 administrative penalty, assessed against a person for a violation be more than [exceed] the maximum penalty or less than the minimum penalty established by city ordinance for the particular violation.

(i[h]) A person who has been found liable for a violation may, after the hearing officer has issued an administrative order but prior to the conclusion of the hearing, assert financial inability to bring the property or premises into compliance with the order. At that time, the hearing officer shall [may] suspend enforcement of the administrative order for a specific time not to exceed 30 days and set the matter for an indigency hearing [make a determination of financial inability to pay] pursuant to Section 27-16.19(e) If, in the interests of justice, the attorney for the city believes that a further extension should be granted, the attorney for the city can make a motion to extend the suspension period for a specific time and present the motion to the hearing officer for a ruling.

SECTION 24. That Section 27-16.20, "Appeal To Municipal Court," of Article IV-b, "Administrative Adjudication Procedure For Premises and Property Violations," of Chapter 27, "Minimum Urban Rehabilitation Standards," of the Dallas City Code, as amended, is amended to read as follows:

**"SEC. 27-16.20. APPEAL TO MUNICIPAL COURT.**

(a) Either party to an action ruled upon by the hearing officer ~~[A person determined by the hearing officer to be liable for a violation of an ordinance enforced]~~ under this article may appeal that determination by filing a petition in municipal court within ~~[before the]~~ 31~~[st]~~ calendar

days after the date the hearing officer's administrative order is filed with the municipal court clerk. An appeal does not stay the enforcement of the order of the hearing officer unless, before the appeal petition is filed, a bond is filed with the municipal court for twice the amount of the administrative penalties, fees, and court costs ordered by the hearing officer. The city is not required to file a bond in order to appeal. An appellant to municipal court may request a waiver of the bond amount on the basis of financial inability to pay, in which case the hearing officer may hold a hearing pursuant to Section 27-16.19 to determine whether the appellant is indigent and whether the bond amount may be waived. If the hearing officer's administrative order is reversed on appeal, the appeal bond will be returned to the appellant.

(b) If a person found liable for a violation does not timely appeal the hearing officer's administrative order, the order will become a final judgment. If the administrative penalties, fees, and court costs assessed in the final judgment are not paid within 31 calendar days after the date the hearing officer's order is filed with the municipal court clerk, the administrative penalties, fees, and court costs may be referred to a collection agency and the cost to the city for the collection services will be assessed as costs, at the rate agreed to between the city and the collection agency, and added to the judgment. The city may enforce the hearing officer's administrative order by filing a civil suit for collection of the administrative penalties, fees, and court costs and/or by obtaining an injunction to prohibit specific conduct that violates the administrative order or to require specific conduct necessary for compliance with the administrative order.

(c) Any recording of an administrative hearing must be kept and stored for not less than 45 calendar days beginning the day after the last day of the administrative hearing. Any administrative hearing that is appealed must be transcribed from the recording by a court reporter or other person authorized to transcribe court of record proceedings. The court reporter or other person transcribing the recorded administrative hearing is not required to have been present at the administrative hearing.

(d) The person found liable for the violation shall pay for any transcription of the recorded administrative hearing unless the hearing officer finds, pursuant to Section 27-16.19, that the person is unable to pay or give security for the transcription.

(e) Before the recorded proceedings are transcribed, the person found liable for the violation shall, unless found by the hearing officer to be unable to pay for the transcription, post a cash deposit with the municipal clerk for the estimated cost of the transcription. The cash deposit will be based on the length of the proceedings, as indicated by the amount of tape used to electronically record the proceedings, and the costs of the court reporter, typing, and other incidental services. The municipal court clerk shall post a current schedule of charges for transcription fees, including deposits. If the cash deposit exceeds the actual cost of the transcription, the municipal court clerk shall refund the difference to the person charged. If the cash deposit is insufficient to cover the actual cost of the transcription, the person charged must pay the additional amount before being given the transcription. If a case is reversed on appeal, the municipal court clerk shall refund to the person charged any amounts paid for a transcription.

(f) Upon receipt of an appeal petition, the municipal court clerk or deputy clerk shall cause a record of the case to be prepared from the transcript and the statement of facts, which must

conform to the provisions relating to the preparation of a statement of facts in the Texas Rules of Appellate Procedure. The appellant shall pay for the statement of facts. If the person found liable for a violation failed to timely request that the administrative hearing be electronically recorded, then that person has waived the right to appeal the administrative order. If the person found liable for a violation timely requested that the administrative hearing be electronically recorded and, through no fault of the person, the recording of the hearing is either unavailable or cannot be transcribed, then the municipal judge shall reverse the hearing officer's order and remand the matter to the hearing officer for a new administrative hearing.

(g[~~e~~]) Upon receiving the record of the administrative hearing, the municipal judge shall review the record and may grant relief from the administrative order only if the record reflects that the appellant's substantial rights have been prejudiced because the administrative order is:

- (1) in violation of a constitutional or statutory provision;
- (2) in excess of the hearing officer's statutory authority;
- (3) made through unlawful procedure;
- (4) affected by another error of law;
- (5) not reasonably supported by substantial evidence considering the reliable and probative evidence in the record as a whole; or
- (6) arbitrary or capricious or characterized by an abuse of discretion or a clearly unwarranted exercise of discretion.

(h[~~e~~]) The municipal judge shall rule on the appeal within 21 calendar days after receiving the record of the administrative hearing. The municipal judge shall affirm the administrative order of the hearing officer unless the record reflects that the order violates one of the standards in Subsection (d) of this section. If the record reflects that the hearing officer's order violated one of the standards in Subsection (d), the municipal judge may either:

- (1) reverse the hearing officer's order and find the appellant not liable;
- (2) reverse the hearing officer's order and remand the matter to the hearing officer for a new hearing; or
- (3) affirm the order, but reduce the amount of the administrative penalties assessed to no lower than the minimum penalty established by ordinance for the particular violation, including the additional \$36 administrative penalty.

(i[~~f~~]) The municipal judge's ruling on the appeal must be issued in writing and filed with the municipal court clerk. A copy of the ruling must be sent to the appellant by regular United States mail at the last known address of the appellant as provided to the municipal court for the appeal.

**THIS IS A PRELIMINARY WORKING DRAFT FOR DISCUSSION PURPOSES,

(j[~~g~~]) The municipal judge’s ruling is a final judgment. If an appeal bond was posted, any administrative penalties, fees, or court costs assessed by the municipal judge or by the hearing officer, if affirmed by the municipal judge, will be deducted from the appeal bond. If no appeal bond was posted, any administrative penalties, fees, or court costs assessed by the municipal judge or by the hearing officer, if affirmed by the municipal judge, must be paid within 30 calendar days after the municipal judge’s ruling is filed with the municipal court clerk. If not timely paid, such penalties, fees, and court costs may be referred to a collection agency and the cost to the city for the collection services will be assessed as costs, at the rate agreed to between the city and the collection agency, and added to the judgment. The city may enforce the municipal judge’s ruling by filing a civil suit for collection of the administrative penalties, fees, and court costs and/or by obtaining an injunction to prohibit specific conduct that violates the ruling or to require specific conduct necessary for compliance with the ruling.”

SECTION 25. That Section 27-16.22, “Dallas Tomorrow Fund,” of Article IV-b, “Administrative Adjudication Procedure For Premises and Property Violations,” of Chapter 27, “Minimum Urban Rehabilitation Standards,” of the Dallas City Code, as amended, is amended to read as follows:

**“SEC. 27-16.22. DALLAS TOMORROW FUND.**

SECTION 26. That Section 27-16.23, “Administration of the Dallas Tomorrow Fund,” of Article IV-b, “Administrative Adjudication Procedure For Premises and Property Violations,” of Chapter 27, “Minimum Urban Rehabilitation Standards,” of the Dallas City Code, as amended, is amended to read as follows:

**“SEC. 27-16.23. ADMINISTRATION OF THE DALLAS TOMORROW FUND.**

(a) The city manager shall appoint an administrator of the Dallas Tomorrow Fund. The administrator shall adopt policies and procedures consistent with this article for the administration of the fund.

(b) To be eligible to receive funds from the Dallas Tomorrow Fund, a person must:

(1) have received a notice of violation of this chapter from the director [~~been found liable for an administrative offense under this article (other than a violation of Chapter 7 or Section 49-21.1 of this code)~~];

(2) have been found by the administrator of the Dallas Tomorrow Fund [~~a hearing officer under Section 27-16.19~~] to be financially unable to comply with the notice of violation [~~an administrative order issued under this article~~];

(3) [~~not qualify for other home repair or rehabilitation assistance available through the city~~];

(4) file a request with the Dallas Tomorrow Fund administrator for the purpose of rehabilitating and/or repairing the person’s property or premises until it complies with the notice of violation [~~administrative order~~]; and

(4[5]) not have received funds from the Dallas Tomorrow Fund within the preceding 60 months.

(c) A person who makes a request to the Dallas Tomorrow Fund administrator is voluntarily requesting that the administrator use the fund to rehabilitate and/or repair the person’s property or premises for the sole purpose of bringing the property or premises into compliance with the notice of violation [~~administrative order~~].

(d) The administrator is responsible for ensuring that the property or premises is inspected and that a detailed, written project plan is prepared that includes the work proposed, the amount of time the work will take, and the cost of the work. The project plan shall include only the work necessary to bring the property or premises into compliance with the notice of violation.

(e) A person who files a request with the Dallas Tomorrow Fund administrator does so voluntarily. Before the work on the property or premises begins, the person who filed the request must confirm in writing that he or she: [~~That person may~~]

(1) has inspected the project plan [prior to the beginning of work];

(2) approves the project plan; and

(3) understands that he or she has the right to withdraw the request at any time by providing written notice to the Dallas Tomorrow Fund administrator. [The administrator shall give the person written notice of this right to examine the project plan and withdraw the request. If the person does not withdraw the request, the person is considered to have given approval for the project.]

(f) If the person continues with the request, the person must indemnify the city against any liability resulting from the project, any damages that may occur related to the project, and any damages resulting from any early termination of the project.

(g[f]) The administrator shall comply with state law in procuring a contractor to rehabilitate and/or repair the property or premises in accordance with the project plan ~~and the administrative order~~.

(h[g]) The ~~[person who filed the request with the Dallas Tomorrow Fund and the]~~ contractor selected by the Dallas Tomorrow Fund administrator [that person shall each have] has the right to terminate the project at any time pursuant to their contractual agreement and [or] pursuant to policies and procedures adopted by the administrator. Any termination notice must be in writing. The city has no obligation, and is not liable, for any subsequent rehabilitation and/or repair of the property or premises as a result of the termination.

(i[h]) If the project is terminated prior to completion for any reason, the administrator may disburse money from the Dallas Tomorrow Fund to pay the contractor for work completed by the contractor [completion of work approved by the administrator].

(j[i]) Once the administrator certifies that the project is completed, the administrator shall notify the code officer who wrote the notice of violation and the officer's district manager [hearing officer] in writing. The project must then be inspected by the city for the sole purpose of determining whether the property or premises complies with the notice of violation [administrative order. If the property or premises complies with the administrative order, then the city inspector shall send a notification of compliance to the hearing officer, who shall then dismiss the administrative citation]. If the city inspector determines that the property or premises does not comply with the notice of violation [administrative order], then the city inspector shall send written notice to the administrator that the project is not completed and describe the work that is required before the project will be considered completed. At that point, the administrator shall ensure that the selected contractor will continue the project until once again certifying that the project is completed, at which time the project will again be inspected by the city for the sole purpose of determining whether the property or premises complies with the notice of violation [administrative order].

**THIS IS A PRELIMINARY WORKING DRAFT FOR DISCUSSION PURPOSES,

(k[j]) The administrator may only initiate project plans for projects costing \$20,000 [~~10,000~~] or less. No project plan may be initiated by the administrator unless the project cost is less than or equal to the amount in the Dallas Tomorrow Fund at any one time. The administrator shall produce a biannual report of available funds and appropriated funds in the Dallas Tomorrow Fund. If the fund is temporarily out of money, the administrator may not initiate a project plan until such time as there are additional funds equal to or exceeding the amount of the project's cost. If during work on the project, additional funds [~~change orders~~] are needed in order to ensure that the property or premises complies with the notice of violation [~~administrative order~~], the administrator may approve additional funds, not to exceed 25 percent of the maximum project amount allowed by this subsection, for work that was necessary to bring the property or premises into compliance with the notice of violation [~~administrative order~~], but that was not anticipated in the original project plan. **~~RESERVED. [MANDATORY CRIME REDUCTION PROGRAM FOR DESIGNATED  
APARTMENT COMPLEXES.~~**

**~~SEC. 27-45. PURPOSE.~~**

~~(a) A correlation exists between high crime rates at an apartment complex and an apartment complex's failure to meet minimum property standards. High crime rates contribute to the deterioration, decay, disrepair, and substandard appearance and condition of the structures and premises of an apartment complex. The purpose of this article is to protect the health, safety, morals, and welfare of the occupants of apartment complexes and other citizens of the city of Dallas by obtaining greater compliance with minimum property standards through the establishment of a mandatory crime reduction program for apartment complexes. Reducing the crime rate at an apartment complex is essential to making the apartment complex safe, sanitary, and fit for human use and habitation.~~

~~(b) This article does not create a private cause of action (other than one brought by the city) or expand existing tort liability against an owner, operator, property manager, or other person in control of an apartment complex that is designated for participation in a mandatory crime reduction program.~~

**~~SEC. 27-46. DEFINITIONS.~~**

~~In this article:~~

~~(1) APARTMENT COMPLEX means a multifamily property that contains 10 or more dwelling units that are leased or offered for lease and are not independently owned.~~

AND IS SUBJECT TO ADDITIONAL REVISION.**

~~occupancy of the apartment complexes surveyed and expressed on a per capita basis, that is calculated in accordance with Section 27-49 of this article.~~

~~(6) DESIGNATED APARTMENT COMPLEX means an apartment complex that is required to participate in a mandatory crime reduction program under Section 27-50 of this article.~~

~~(7) MULTI TENANT PROPERTY REGISTRATION means registration as a multi-tenant property under Article VII of this chapter.~~

~~The chief of police shall implement and enforce this article and may by written order establish such rules, regulations, or procedures, not inconsistent with this article, as the chief of police determines are necessary to discharge any duty under or to effect the policy of this article.~~

~~**SEC. 27-48. COMMUNITY PER CAPITA CRIME INDEX.**~~

~~(a) The chief of police shall calculate on a monthly basis the community per capita crime index for each registered apartment complex in the city.~~

~~(b) The community per capita crime index for an apartment complex is calculated as follows:~~

~~(1) Determine the total number of bedrooms in the apartment complex as designated in the most recent multi-tenant property registration application filed with the director for the property;~~

**THIS IS A PRELIMINARY WORKING DRAFT FOR DISCUSSION PURPOSES,  
AND IS SUBJECT TO ADDITIONAL REVISION.**

~~(2) Multiply the number of bedrooms by two (two occupants counted for each bedroom) to produce the ideal occupancy number for the property;~~

~~(3) Multiply the ideal occupancy number by the percent of units in the apartment complex that are occupied (as designated in the most recent multi-tenant property registration application filed with the director for the property) to produce the actual occupancy number;~~

~~(4) Divide the number of Part I crimes occurring on the property within the preceding 12 months by the actual occupancy number and multiply the result by 100 to produce the community per capita crime index for Part I crimes;~~

~~(5) Divide the number of Part II crimes occurring on the property within the preceding 12 months by the actual occupancy number and multiply the result by 100 to produce the community per capita crime index for Part II crimes.~~

~~(6) Divide the number of Chapter 125 crimes occurring on the property within the preceding 12 months by the actual occupancy number and multiply the result by 100 to produce the community per capita crime index for Chapter 125 crimes.~~

~~(c) Example of calculation of community per capita crime index.~~

~~Apartment size: 100 units  
Apartment occupancy rate: 90% occupied  
Apartment crime in 12-month period: 10 Part I crimes;  
20 Part II crimes;  
15 Chapter 125 crimes  
Apartment unit mix: 70 one bedrooms; 30 two bedrooms  
Total bedrooms 130 (with two occupants counted for each bedroom)~~

~~Ideal occupancy number =  $130 \times 2 = 260$~~

~~Actual occupancy number =  $260 \times 90\% = 234$~~

~~Crime index for Part I crimes =  $(10 \div 234) \times 100 = 4.3$~~

~~Crime index for Part II crimes =  $(20 \div 234) \times 100 = 8.5$~~

~~Crime index for Chapter 125 crimes =  $(15 \div 234) \times 100 = 6.4$~~

**SEC. 27-49. CRIME RISK THRESHOLD.**

~~(a) The chief of police shall collectively calculate on a monthly basis the crime risk threshold for all registered apartment complexes in the city.~~

~~(b) The crime risk threshold for apartment complexes is calculated as follows:~~

~~(1) Determine the total number of registered apartment complexes in the city.~~

**THIS IS A PRELIMINARY WORKING DRAFT FOR DISCUSSION PURPOSES,  
AND IS SUBJECT TO ADDITIONAL REVISION.**

~~—————(2)——— Add together each apartment complex’s crime index for Part I crimes and divide the sum by the total number of registered apartment complexes to produce the average crime index for Part I crimes.~~

~~—————(3)——— Subtract each apartment complex’s crime index for Part I crimes from the average crime index for Part I crimes to get the apartment complex’s deviation from the average crime index for Part I crimes.~~

~~—————(4)——— Add the square of each apartment complex’s deviation from the average crime index for Part I crimes together and divide the sum by the total number of registered apartment complexes to produce the average squared deviation for Part I crimes.~~

~~—————(5)——— Take the square root of the average squared deviation for Part I crimes and add it to the average crime index for Part I crimes to produce the crime risk threshold for Part I crimes.~~

~~—————(6)——— Repeat the process using each apartment complex’s crime index for Part II crimes and Chapter 125 crimes to determine the crime risk threshold for Part II crimes and Chapter 125 crimes, respectively.~~

~~—————(c)——— Example of calculation of crime risk threshold.~~

Apartment Complex No.	1	2	3	4	5	6	7	8	9	10	SUM
Crime Index for Part I Crimes	12	9	3	10	12	22	7	11	15	19	120
Deviation from Average Crime Index	0	-3	-9	-2	0	10	-5	-1	3	7	0
Deviation Squared	0	9	81	4	0	100	25	1	9	49	278

~~Average crime index for Part I crimes =  $120 \div 10 = 12$~~

~~Average squared deviation =  $278 \div 10 = 27.8$~~

~~Standard deviation =  $\sqrt{27.8} = 5.27$~~

~~Crime risk threshold for Part I crimes =  $12 + 5.27 = 17.27$~~

~~(Note: To calculate the crime risk threshold for Part II crimes and Chapter 125 crimes, repeat the formula using the crime indexes for Part II crimes and then for Chapter 125 crimes.)~~

~~**SEC. 27-50. MANDATORY CRIME REDUCTION PROGRAM; WHEN REQUIRED.**~~

~~(a) An apartment complex must participate in a mandatory crime reduction program, whenever the apartment complex has:~~

~~(1) a crime index for Part I crimes that is greater than the crime risk threshold for Part I crimes for all registered apartment complexes in the city and a crime index for Part II~~

**THIS IS A PRELIMINARY WORKING DRAFT FOR DISCUSSION PURPOSES,

~~crimes that is greater than the crime risk threshold for Part II crimes for all registered apartment complexes in the city; or~~

~~(2) a crime index for Chapter 125 crimes that is greater than the crime risk threshold for Chapter 125 for all registered apartment complexes in the city.~~

~~(b) An apartment complex must remain in the mandatory crime reduction program for six months or until the apartment complex's crime index falls below the crime risk threshold for the applicable types of crime, whichever occurs later.~~

**~~SEC. 27-51. NOTICE OF DESIGNATION TO PARTICIPATE IN PROGRAM.~~**

~~(a) The chief of police shall provide written notice to the owner, operator, or property manager of each apartment complex designated to participate in the mandatory crime reduction program.~~

~~(b) The notice must include the following information:~~

~~(1) The name and address of the apartment complex.~~

~~(2) A statement that the apartment complex is required to participate in a mandatory crime reduction program, including a description of the fee and other requirements of the program.~~

~~(3) The community per capita crime index and crime risk threshold used to calculate the apartment complex's qualification for the mandatory crime reduction program.~~

~~(4) The actual occupancy number used to calculate the apartment complex's crime index.~~

~~(5) The number of Part I, Part II, and Chapter 125 crimes used to calculate the apartment complex's crime index, including the date, time, and location of each offense.~~

~~(6) A statement that a mandatory inspection of the apartment complex premises will be conducted by the chief of police at a scheduled date and time.~~

~~(7) The process for appealing the chief of police's decision requiring an apartment complex to participate in a mandatory crime reduction program.~~

~~(c) Designation of an apartment complex for participation in the mandatory crime reduction program and application of the requirements of this article are binding upon all subsequent owners or other transferees of an ownership interest in the apartment complex.~~

~~(1) on the date the notice is hand delivered to the owner, operator, or property manager of the apartment complex; or~~

~~(2) three days after the date the notice is placed in the United States mail with proper postage and properly addressed to the owner, operator, or property manager of the apartment complex at the address provided for in the most recent multi-tenant property registration application.~~

**SEC. 27-53. APPEAL FROM DESIGNATION.**

~~(a) If the chief of police designates an apartment complex for participation in the mandatory crime reduction program pursuant to this article, this action is final unless the owner, operator, or property manager of the apartment complex files a written appeal to the permit and license appeal board with the city secretary not later than 10 days after receiving notice of being a designated apartment complex.~~

~~(b) If the appeal of the chief of police's decision is based on changes in an apartment complex's occupancy rate, then the owner, operator, or property manager of the apartment complex shall, at the time of filing the appeal, also file with the city secretary and the chief of police a copy of a current and valid lease for every occupied dwelling unit in the apartment complex.~~

~~(c) If a written request for an appeal hearing is filed under Subsection (a) with the city secretary within the 10-day limit, the permit and license appeal board shall hear the appeal. The city secretary shall set a date for the hearing within 60 days after the date the appeal is filed.~~

The board shall affirm the decision of the chief of police if the board finds that the apartment complex's crime index exceeds the applicable crime risk threshold and shall reverse the chief of police's decision if the board finds that the crime index does not exceed the applicable crime risk threshold.~~

~~(f) The board's decision must be by a majority vote. Failure to reach a majority vote will leave the decision of the chief of police unchanged. The decision of the permit and license appeal board is final, and no rehearing may be granted.~~
