ORDINANCE NO. _____

WHEREAS, there are presently outstanding certain general or special obligations of the City of Dallas, Texas (the “City”) described on Schedule I hereto (the “Refunded Obligations”); and

WHEREAS, pursuant to the provisions of Chapter 1207 of the Texas Government Code, as amended (“Chapter 1207”), the City Council of the City is authorized to issue refunding bonds and deposit the proceeds of sale directly with a trust company or commercial bank that is named in the proceedings of the City authorizing execution of an escrow agreement, and such deposit, when made in accordance with such statute, shall constitute the making of firm banking and financial arrangements for the discharge and final payment of the Refunded Obligations; and

WHEREAS, the City Council desires to delegate to the Authorized Officer (as defined herein), pursuant to Chapter 1207, and the parameters set forth in this Ordinance, the authority to approve the amount, the number of series, the interest rate, the price and terms of the bonds authorized hereby and to otherwise take such actions as are necessary and appropriate to effect the sale of the bonds and the refunding of the Refunded Obligations; and

WHEREAS, the City Council hereby finds and determines that the manner in which the refunding is being executed does not make it practicable to calculate a savings amount attributable to the refunding of the Refunded Obligations, but that the refunding contemplated in this Ordinance will benefit the City and is in the best interests of the City; and that such benefit is sufficient consideration for the refunding of the Refunded Obligations; and

WHEREAS, the meeting at which this Ordinance is considered is open to the public as required by law, and public notice of the time, place, and purpose of such meeting was given as required by Chapter 551, Texas Government Code, as amended;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DALLAS, TEXAS:

SECURITY FOR THE BONDS

Section 2.01. Tax Levy for Payment of the Bonds.

(a) The City Council hereby declares and covenants that it will provide and levy a tax legally and fully sufficient for payment of the Bonds, it having been determined that the existing and available taxing authority of the City for such purpose is adequate to permit a legally sufficient tax in consideration of all other outstanding obligations of the City.

(b) In order to provide for the payment of the debt service requirements of the Bonds, being (i) the interest on the Bonds and (ii) a sinking fund for their payment at maturity or a sinking fund of two percent per annum (whichever amount is the greater), there is hereby levied for the current year and each succeeding year thereafter while the Bonds or interest thereon remain outstanding and unpaid, a tax within legal limitations on each \$100 assessed valuation of taxable property in the City that is sufficient to pay such debt service requirements, full allowance being made for delinquencies and costs of collection.

(d) Such ad valorem tax, the collections therefrom, and all amounts on deposit in or required hereby to be deposited to the Interest and Sinking Fund for the Bonds are hereby pledged and committed irrevocably to the payment of the principal of and interest on the Bonds when and as due and payable in accordance with their terms and this Ordinance.

AUTHORIZATION; GENERAL TERMS AND PROVISIONS REGARDING THE BONDS

Section 3.01. Authorization. The City's bonds to be designated "City of Dallas, Texas, General Obligation Refunding Bonds, Series 2019B" or such other designations as are set forth in the Pricing Certificate, are hereby authorized to be issued and delivered in accordance with the

The Authorized Officer is hereby authorized and directed to modify the title of the Series to the extent that, in the judgment of the Authorized Officer, it is necessary or appropriate. The final title and principal amount of the Bonds shall be determined by the Authorized Officer, based on market conditions in the discretion of the Authorized Officer, and set forth in the Pricing Certificate. The Bonds shall be issued in the number of series and aggregate principal amount per series designated in the Pricing Certificate, provided that the aggregate principal amount of the Bonds issued for the purposes described above shall not exceed \$174,705,000.

Section 3.02. Date, Denomination, Maturities, Numbers and Interest.

(a) The Bonds shall have the Original Issue Date set forth in the Pricing Certificate, shall be in fully registered form, without coupons, in the denomination of \$5,000 or any integral multiple thereof, and shall be numbered separately from one upward or such other designation acceptable to the City and the Paying Agent/Registrar, except the Initial Bond, which shall be numbered T-1.

(b) The Bonds shall mature on February 15 in the years, at the interest rates and in the principal amounts set forth in the Pricing Certificate.

(c) Interest on each Bond shall accrue from the later of the Original Issue Date (or the date of their delivery to the Purchaser, as set forth in the Pricing Certificate) or the most recent Interest Payment Date to which interest has been paid or provided for at the per annum rates of interest specified in the Pricing Certificate. Such interest shall be payable on each Interest Payment Date until the principal amount shall have been paid or provision for such payment shall have been made, and shall be computed on the basis of a 360-day year of twelve 30-day months.

Section 3.03. Medium, Method and Place of Payment: Unclaimed Payments.

(a) The principal of and interest on the Bonds shall be paid in lawful money of the United States of America.

(b) Interest on the Bonds shall be payable to the Owners whose names appear in the Register at the close of business on the Record Date; provided, however, in the event of nonpayment of interest on a scheduled Interest Payment Date and for 30 days thereafter, a new record date for such interest payment (a "Special Record Date") shall be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (the "Special Payment Date," which shall be 15 days after the Special Record Date) shall be sent at least five Business Days prior to the Special Record Date by United States mail, first class, postage prepaid, to the address of each Owner of a Bond appearing on the Register at the close of business on the last Business Day next preceding the date of mailing of such notice.

(c) Interest on the Bonds shall be paid by check (dated as of the Interest Payment Date) and sent by the Paying Agent/Registrar to the person entitled to such payment, by United States

mail, first class, postage prepaid, to the address of such person as it appears in the Register, or by such other customary banking arrangements acceptable to the Paying Agent/Registrar and the person to whom interest is to be paid; provided, however, that such person shall bear all risk and expenses of such other customary banking arrangements.

(d) The principal of each Bond shall be paid to the person in whose name such Bond is registered on the due date thereof (whether at the maturity date or the date of prior redemption thereof) upon presentation and surrender of such Bond at the Designated Payment/Transfer Office.

(e) If the date for the payment of the principal of or interest on any Bond is a Saturday, Sunday, legal holiday, or a day on which banking institutions in the city where the Designated Payment/Transfer Office is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not a Saturday, Sunday, legal holiday, or day on which such banking institutions are authorized to close; and payment on such date shall have the same force and effect as if made on the original date payment was due.

(f) Unclaimed Payments shall be segregated in a special account and held in trust, uninvested by the Paying Agent/Registrar, for the account of the Owner of the Bonds to which the Unclaimed Payments pertain. Subject to the provisions of Title 6, Texas Property Code, as amended, Unclaimed Payments remaining unclaimed by the Owners entitled thereto for three years after the applicable payment or redemption date shall be applied to the next payment or payments on the Bonds thereafter coming due and, to the extent any such money remains after the retirement of all outstanding Bonds, shall be paid to the City to be used for any lawful purpose. Thereafter, neither the City, the Paying Agent/Registrar nor any other person shall be liable or responsible to any Owners of such Bonds for any further payment of such unclaimed moneys or on account of any such Bonds, subject to any applicable escheat law or similar law.

Section 3.04. Execution and Initial Registration.

(a) The Bonds shall be executed on behalf of the City by the Mayor and countersigned by the City Secretary and the City Manager, by their manual or facsimile signatures, and the official seal of the City shall be impressed or placed in facsimile thereon. Any facsimile signatures on the Bonds shall have the same effect as if each of the Bonds had been signed manually and in person by each of such officers, and such facsimile seal on the Bonds shall have the same effect as if the official seal of the City had been manually impressed upon each of the Bonds.

(b) In the event that any officer of the City whose manual or facsimile signature appears on the Bonds ceases to be such officer before the authentication of such Bonds or before the delivery thereof, such manual or facsimile signature nevertheless shall be valid and sufficient for all purposes as if such officer had remained in such office.

(c) Except as provided below, no Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit of this Ordinance unless and until there appears thereon the Certificate of Paying Agent/Registrar substantially in the form provided in this Ordinance, duly authenticated by manual execution of the Paying Agent/Registrar. It shall not be required that the same authorized representative of the Paying Agent/Registrar sign the Certificate of Paying Agent/Registrar on all of the Bonds. In lieu of the executed Certificate of Paying Agent/Registrar described above, the Initial Bond delivered on the Closing Date shall have attached thereto the Comptroller's Registration Certificate substantially in the form provided in this Ordinance, manually executed by the Comptroller of Public Accounts of the State of Texas or by his duly

authorized agent, which certificate shall be evidence that the Initial Bond has been duly approved by the Attorney General of the State of Texas and that it is a valid and binding obligation of the City, and has been registered by the Comptroller.

(d) On the Closing Date, the typewritten Initial Bond representing the entire principal amount of the Bonds, payable in stated installments to the Purchaser or its designee, executed by manual or facsimile signature of the Mayor and countersigned by manual or facsimile signatures of the City Secretary and the City Manager, approved by the Attorney General, and registered and manually signed by the Comptroller of Public Accounts will be delivered to the Purchaser or its designee. Upon payment for the Initial Bond, the Paying Agent/Registrar shall cancel the Initial Bond and deliver to DTC on behalf of the Purchaser registered definitive Bonds as described in Section 3.10. To the extent the Paying Agent/Registrar is eligible to participate in DTC's FAST System, as evidenced by agreement between the Paying Agent/Registrar and DTC, the Paying Agent/Registrar shall hold the definitive Bonds in safekeeping for DTC.

Section 3.05. Ownership.

(a) The City, the Paying Agent/Registrar and any other person may treat the person in whose name any Bond is registered as the absolute owner of such Bond for the purpose of making and receiving payment of the principal thereof and premium, if any, thereon, for the further purpose of making and receiving payment of the interest thereon (subject to the provisions herein that interest is to be paid to the person in whose name the Bond is registered on the Record Date or on the Special Record Date, as applicable), and for all other purposes, whether or not such Bond is overdue, and neither the City nor the Paying Agent/Registrar shall be bound by any notice or knowledge to the contrary.

(b) All payments made to the person deemed to be the Owner of any Bond in accordance with this Section shall be valid and effectual and shall discharge the liability of the City and the Paying Agent/Registrar upon such Bond to the extent of the sums paid.

Section 3.06. Registration, Transfer and Exchange.

(a) So long as any Bonds remain outstanding, the City shall cause the Paying Agent/Registrar to keep at the Designated Payment/Transfer Office the Register in which, subject to such reasonable regulations as it may prescribe, the Paying Agent/Registrar shall provide for the registration and transfer of Bonds in accordance with this Ordinance.

(b) Registration of any Bond may be transferred in the Register only upon the presentation and surrender thereof at the Designated Payment/Transfer Office for transfer of registration and cancellation, together with proper written instruments of assignment, in form and with guarantee of signatures satisfactory to the Paying Agent/Registrar, evidencing assignment of the Bonds, or any portion thereof in any integral multiple of \$5,000 for any one maturity, to the assignee or assignees thereof, and the right of such assignee or assignees thereof to have the Bond or any portion thereof registered in the name of such assignee or assignees. No transfer of any Bond shall be effective until entered in the Register. Upon assignment and transfer of any Bond or portion thereof, a new Bond or Bonds will be issued by the Paying Agent/Registrar in exchange for such transferred and assigned Bond. To the extent possible the Paying Agent/Registrar will issue such new Bond or Bonds within not more than three Business Days after receipt of the Bond to be transferred in proper form and with proper instructions directing such transfer.

(c) Any Bond may be exchanged only upon the presentation and surrender thereof at the Designated Payment/Transfer Office, together with a written request therefor duly executed by the Owner or assignee or assignees thereof, or its or their duly authorized attorneys or representatives, with guarantees of signatures satisfactory to the Paying Agent/Registrar, for a Bond or Bonds of the same maturity and interest rate and in any authorized denomination and in an aggregate principal amount equal to the unpaid principal amount of the Bond presented for exchange. If a portion of any Bond is redeemed prior to its schedule maturity as provided herein, a substitute Bond or Bonds having the same maturity date, bearing interest at the same rate, in the denomination or denominations of any integral multiple of \$5,000 of any one maturity at the request of the Owner, and in an aggregate principal amount equal to the unredeemed portion thereof, will be issued to the Owner upon surrender thereof for cancellation. To the extent possible, a new Bond or Bonds shall be delivered by the Paying Agent/Registrar to the Owner of the Bond or Bonds within not more than three Business Days after receipt of the Bond to be exchanged in proper form and with proper instructions directing such exchange.

(d) Each Bond issued in exchange for any Bond or portion thereof assigned or transferred shall have the same principal maturity date and shall bear interest at the same rate as the Bond for which it is being exchanged. Each substitute Bond shall bear a letter and/or number to distinguish it from each other Bond. The Paying Agent/Registrar shall exchange the Bonds as provided herein, and each substitute Bond delivered in accordance with this Section shall constitute an original additional contractual obligation of the City and shall be entitled to the benefits and security of this Ordinance to the same extent as the Bond or Bonds in lieu of which such substitute Bond or Bonds are delivered.

(e) The City will pay the Paying Agent/Registrar's reasonable and customary charge for the initial registration or any subsequent transfer or exchange of Bonds, but the Paying Agent/Registrar will require the Owner to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection with the registration, transfer or exchange of a Bond. In addition, the City hereby covenants with the Owners of the Bonds that it will (i) pay the reasonable and standard or customary fees and charges of the Paying Agent/Registrar for its services with respect to the payment of the principal of and interest on the Bonds, when due, and (ii) pay the fees and charges of the Paying Agent/Registrar for services with respect to the transfer, registration and exchange of Bonds as provided herein.

(f) Neither the City nor the Paying Agent/Registrar shall be required to issue, transfer, or exchange any Bond called for redemption, in whole or in part, within 45 days of the date fixed for redemption; provided, however, such limitation shall not be applicable to an exchange by the Owner of the uncalled principal balance of a Bond.

Section 3.07. Cancellation and Authentication.

(a) All Bonds paid in accordance with this Ordinance, and all Bonds in lieu of which exchange Bonds or replacement Bonds are authenticated and delivered in accordance with this Ordinance, shall be cancelled upon the making of proper records regarding such payment, redemption, exchange or replacement. Cancelled Bonds shall be disposed of in accordance with the requirements of the Securities and Exchange Act of 1934 and the regulations promulgated thereunder.

(b) Each substitute Bond issued pursuant to the provisions of Sections 3.06 and 3.09 of this Ordinance, in exchange for or replacement of any Bond or Bonds issued under this Ordinance,

shall have printed thereon a Certificate of the Paying Agent/Registrar, in the form hereinafter set forth. An authorized representative of the Paying Agent/Registrar shall, before the delivery of any such Bond, manually sign and date such Certificate, and no such Bond shall be deemed to be issued or outstanding unless such Certificate is so executed. No additional ordinances, orders, or resolutions need be passed or adopted by the City Council or any other body or person so as to accomplish the foregoing exchange or replacement of any Bond or portion thereof, and the Paying Agent/Registrar shall provide for the printing, execution, and delivery of the substitute Bonds in the manner prescribed herein, and such Bonds shall be of customary type and composition and printed, typewritten, lithographed, mimeographed or otherwise produced. Pursuant to Chapter 1201, Texas Government Code, the duty of exchange or replacement of Bonds as aforesaid is hereby imposed upon the Paying Agent/Registrar, and, upon the execution of the above-referenced Certificate of the Paying Agent/Registrar, the exchanged or replaced Bonds shall be valid, incontestable, and enforceable in the same manner and with the same effect as the Initial Bond which originally was delivered pursuant to this Ordinance, approved by the Attorney General, and registered by the Comptroller of Public Accounts.

(c) Bonds issued in exchange or replacement of any other Bond or portion thereof, (i) shall be issued in fully registered form, without interest coupons, with the principal of and interest on such Bonds to be payable only to the registered owners thereof, (ii) may be transferred and assigned, (iii) may be exchanged for other Bonds, (iv) shall have the characteristics, (v) shall be signed and sealed, and (vi) shall be payable as to principal and interest, all as provided, and in the manner required or indicated, in the form of Bond set forth in this Ordinance.

Section 3.08. Temporary Bonds.

(a) Following the delivery and registration of the Initial Bond and pending the preparation of definitive Bonds, the proper officers of the City may execute and, upon the City's request, the Paying Agent/Registrar shall authenticate and deliver, one or more temporary Bonds that are printed, lithographed, typewritten, mimeographed or otherwise produced, in any denomination, substantially of the tenor of the definitive Bonds in lieu of which they are delivered, without coupons, and with such appropriate insertions, omissions, substitutions and other variations as the officers of the City executing such temporary Bonds may determine, as evidenced by their signing of such temporary Bonds.

(b) Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the benefit and security of this Ordinance.

(c) The City, without unreasonable delay, shall prepare, execute and deliver to the Paying Agent/Registrar the Bonds in definitive form; thereupon, upon the presentation and surrender of the Bond or Bonds in temporary form to the Paying Agent/Registrar, the Paying Agent/Registrar shall cancel the Bonds in temporary form and authenticate and deliver in exchange therefor a Bond or Bonds of the same maturity, in definitive form, in the authorized denomination, and in the same aggregate principal amount, as the Bond or Bonds in temporary form surrendered. Such exchange shall be made without the making of any charge therefor to any Owner.

Section 3.09. Replacement Bonds.

(a) Upon the presentation and surrender to the Paying Agent/Registrar, at the Designated Payment/Transfer Office of a mutilated Bond, the Paying Agent/Registrar shall authenticate and deliver in exchange therefor a replacement Bond of like tenor and principal

amount, bearing a number not contemporaneously outstanding. The City or the Paying Agent/Registrar may require the Owner of such Bond to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection therewith and any other expenses connected therewith.

(b) In the event that any Bond is lost, apparently destroyed or wrongfully taken, the Paying Agent/Registrar, pursuant to the applicable laws of the State of Texas and in the absence of notice or knowledge that such Bond has been acquired by a bona fide purchaser, shall authenticate and deliver a replacement Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding, provided that the Owner first:

(i) furnishes to the Paying Agent/Registrar satisfactory evidence of his or her ownership of and the circumstances of the loss, destruction or theft of such Bond;

(ii) furnishes such security or indemnity as may be required by the Paying Agent/Registrar and the City to save them harmless;

(iii) pays all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Paying Agent/Registrar and any tax or other governmental charge that is authorized to be imposed; and

(iv) satisfies any other reasonable requirements imposed by the City and the Paying Agent/Registrar.

(c) If, after the delivery of such replacement Bond, a bona fide purchaser of the original Bond in lieu of which such replacement Bond was issued presents for payment such original Bond, the City and the Paying Agent/Registrar shall be entitled to recover such replacement Bond from the person to whom it was delivered or any person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the City or the Paying Agent/Registrar in connection therewith.

(d) In the event that any such mutilated, lost, apparently destroyed or wrongfully taken Bond has become or is about to become due and payable, the Paying Agent/Registrar, in its discretion, without the necessity of issuing a replacement Bond, may pay such Bond on the date on which such Bond becomes due and payable.

(e) Each replacement Bond delivered in accordance with this Section shall constitute an original additional contractual obligation of the City and shall be entitled to the benefits and security of this Ordinance to the same extent as the Bond or Bonds in lieu of which such replacement Bond is delivered.

Section 3.10. Book-Entry-Only System.

(a) The definitive Bonds shall be initially issued in the form of a separate single fully registered Bond for each of the maturities thereof. Upon initial issuance, the ownership of each such Bond shall be registered in the name of Cede & Co., as nominee of DTC, and except as provided in Section 3.11 hereof, all of the outstanding Bonds shall be registered in the name of Cede & Co., as nominee of DTC.

(b) With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the City and the Paying Agent/Registrar shall have no responsibility or obligation to any DTC Participant or to any person on behalf of whom such a DTC Participant holds an interest in the Bonds, except as provided in this Ordinance. Without limiting the immediately preceding sentence, the City and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other person, other than an Owner, as shown on the Register, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any DTC Participant or any other person, other than an Owner, as shown in the Register of any amount with respect to principal of or interest on the Bonds. Notwithstanding any other provision of this Ordinance to the contrary, the City and the Paying Agent/Registrar shall be entitled to treat and consider the person in whose name each Bond is registered in the Register as the absolute Owner of such Bond for the purpose of payment of principal of and interest on the Bonds, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfer with respect to such Bond, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of and interest on the Bonds only to or upon the order of the respective Owners, as shown in the Register as provided in this Ordinance, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to payment of, principal and interest on the Bonds to the extent of the sum or sums so paid. No person other than an Owner, as shown in the register, shall receive a certificate evidencing the obligation of the City to make payments of amounts due pursuant to this Ordinance. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Ordinance with respect to interest checks or drafts being mailed to the registered Owner at the close of business on the Record Date, the word "Cede & Co." in this Ordinance shall refer to such new nominee of DTC.

(c) The Representation Letter between the City and DTC applicable to the City's obligations delivered in book-entry-only form to DTC as securities depository for such obligations, is hereby affirmed.

Section 3.11. Successor Securities Depository: Transfer Outside Book-Entry-Only System. In the event that the City or the Paying Agent/Registrar determines that DTC is incapable of discharging its responsibilities described herein and in the Representation Letter, and that it is in the best interest of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, or in the event DTC discontinues the services described herein, the City or the Paying Agent/Registrar shall (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants, as identified by DTC, of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository or (ii) notify DTC and DTC Participants, as identified by DTC, of the availability through DTC of Bonds and transfer one or more separate Bonds to DTC Participants having Bonds credited to their DTC accounts, as identified by DTC. In such event, the Bonds shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Ordinance.

Section 3.12. Payments to Cede & Co. Notwithstanding any other provision of this Ordinance to the contrary, so long as any Bonds are registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of and interest on such Bonds, and all notices with respect to such Bonds, shall be made and given, respectively, in the manner provided in the Representation Letter.

Section 4.01. Limitation on Redemption. The Bonds shall be subject to redemption before scheduled maturity only as provided in this Article IV.

Section 4.02. Optional Redemption.

(a) The City reserves the option to redeem Bonds in the manner provided in the form of Bond set forth in Section 6.02 of this Ordinance with such changes as are required by the Pricing Certificate.

(b) The City, at least 45 days before the redemption date (unless a shorter period shall be satisfactory to the Paying Agent/Registrar), shall notify the Paying Agent/Registrar of such redemption date and of the principal amount of Bonds to be redeemed.

Section 4.03. Mandatory Sinking Fund Redemption.

(a) Bonds designated as “Term Bonds,” if any, in the Pricing Certificate are subject to scheduled mandatory redemption and will be redeemed by the City, in part at a price equal to the principal amount thereof, without premium, plus accrued interest to the redemption date, out of moneys available for such purpose in the Interest and Sinking Fund for such Bonds, on the dates and in the respective principal amounts as set forth in the Pricing Certificate.

(b) At least forty-five (45) days prior to each scheduled mandatory redemption date, the Paying Agent/Registrar shall select for redemption by lot, or by any other customary method that results in a random selection, or such other method specified in the Pricing Certificate, a principal amount of Term Bonds equal to the aggregate principal amount of such Term Bonds to be redeemed, shall call such Term Bonds for redemption on such scheduled mandatory redemption date, and shall give notice of such redemption, as provided in Section 4.05.

The principal amount of the Term Bonds required to be redeemed on any mandatory sinking fund redemption date pursuant to subparagraph (a) of this Section 4.03 shall be reduced, at the option of the City, by the principal amount of any Term Bonds which, at least 45 days prior to the mandatory sinking fund redemption date (i) shall have been acquired by the City at a price not exceeding the principal amount of such Term Bonds plus accrued interest to the date of purchase thereof, and delivered to the Paying Agent/Registrar for cancellation, or (ii) shall have been redeemed pursuant to the optional redemption provisions hereof and not previously credited to a mandatory sinking fund redemption.

Section 4.04. Partial Redemption.

(a) If less than all of the Bonds are to be redeemed pursuant to Section 4.02, the City shall determine the maturity or maturities and the amounts thereof to be redeemed and shall direct

the Paying Agent/Registrar to call by lot or other customary method that results in a random selection of the Bonds, or portions thereof and maturity or maturities and in such principal amounts, for redemption.

(b) A portion of a single Bond of a denomination greater than \$5,000 may be redeemed, but only in a principal amount equal to \$5,000 or any integral multiple thereof. The Paying Agent/Registrar shall treat each \$5,000 portion of the Bond as though it were a single Bond for purposes of selection for redemption.

(c) Upon surrender of any Bond for redemption in part, the Paying Agent/Registrar, in accordance with Section 3.06 of this Ordinance, shall authenticate and deliver an exchange Bond or Bonds in an aggregate principal amount equal to the unredeemed portion of the Bond so surrendered.

(d) The Paying Agent/Registrar shall promptly notify the City in writing of the principal amount to be redeemed of any Bond as to which only a portion thereof is to be redeemed.

Section 4.05. Notice of Redemption to Owners.

(a) The City shall give notice of any redemption of Bonds by sending or causing the Paying Agent/Registrar to send notice of such redemption by United States mail, first class, postage prepaid, not less than 30 days before the date fixed for redemption, to the Owner of each Bond (or part thereof) to be redeemed, at the address shown on the Register at the close of business on the Business Day next preceding the date of mailing such notice.

(b) The notice shall state the redemption date, the redemption price, the place at which the Bonds are to be surrendered for payment, and, if less than all the Bonds outstanding are to be redeemed, an identification of the Bonds or portions thereof to be redeemed.

(c) The City reserves the right to give notice of its election or direction to redeem Bonds under Section 4.02 conditioned upon the occurrence of subsequent events. Such notice may state (i) that the redemption is conditioned upon the deposit of moneys and/or authorized securities, in an amount equal to the amount necessary to effect the redemption, with the Paying Agent/Registrar, or such other entity as may be authorized by law, no later than the redemption date or (ii) that the City retains the right to rescind such notice at any time prior to the scheduled redemption date if the City delivers a certificate of the City to the Paying Agent/Registrar instructing the Paying Agent/Registrar to rescind the redemption notice, and such notice and redemption shall be of no effect if such moneys and/or authorized securities are not so deposited or if the notice is rescinded. The Paying Agent/Registrar shall give prompt notice of any such rescission of a conditional notice of redemption to the affected Owners. Any Bonds subject to conditional redemption where redemption has been rescinded shall remain Outstanding, and the rescission shall not constitute an event of default. Further, in the case of a conditional redemption, the failure of the City to make moneys and/or authorized securities available in part or in whole on or before the redemption date shall not constitute an event of default.

(d) Any notice given as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

Section 4.06. Payment Upon Redemption.

(a) Before or on each redemption date, the Paying Agent/Registrar shall make provision for the payment of the Bonds to be redeemed on such date by setting aside and holding in trust an amount from the Interest and Sinking Fund or otherwise received by the Paying Agent/Registrar from the City sufficient to pay the principal of and accrued interest on such Bonds.

(b) Upon presentation and surrender of any Bond called for redemption at the Designated Payment/Transfer Office of the Paying Agent/Registrar on or after the date fixed for redemption, the Paying Agent/Registrar shall pay the principal of and accrued interest on such Bond to the date of redemption from the money set aside for such purpose.

(b) If any Bond or portion thereof called for redemption is not so paid upon presentation and surrender of such Bond for redemption, such Bond or portion thereof shall continue to bear interest at the rate stated on the Bond until paid or until due provision is made for the payment of same.

Section 4.08. Lapse of Payment. Money set aside for the redemption of Bonds and remaining unclaimed by the Owners of such Bonds shall be subject to the provisions of Section 3.03(f) hereof.

The City or its designee shall have the right to inspect the Register during regular business hours of the Paying Agent/Registrar, but otherwise the Paying Agent/Registrar shall keep the Register confidential and, unless otherwise required by law, shall not permit their inspection by any other entity.

Pursuant to its terms, the Paying Agent/Registrar Agreement is subject to and controlled by the City Charter and Ordinances of the City. If any conflict exists between such agreement and this Ordinance, this Ordinance shall govern. In that regard, by accepting the positions of paying agent and registrar, the Paying Agent/Registrar agrees that in the event that it shall resign its position as Paying Agent/Registrar, it will continue to serve in such capacity until such time as a successor assumes such duties under this Ordinance. In addition, the Paying Agent agrees to maintain a true and correct copy of the Register.

Section 5.05. Termination. The City reserves the right to terminate the appointment of any Paying Agent/Registrar by delivering to the entity whose appointment is to be terminated a certified copy of a resolution of the City (i) giving notice of the termination of the appointment and of any contractual agreement, stating the effective date of such termination, and (ii) appointing a successor Paying Agent/Registrar.

Section 5.06. Notice of Change to Owners. Promptly upon each change in the entity serving as Paying Agent/Registrar, the City will cause notice of the change to be sent to each Owner by United States mail, first class, postage prepaid, at the address in the Register, stating the effective date of the change and the name and mailing address of the replacement Paying Agent/Registrar and the mailing address of its Designated Payment/Transfer Office.

Section 5.07. Agreement to Perform Duties and Functions. By accepting the appointment as Paying Agent/Registrar, the Paying Agent/Registrar is deemed to have agreed to the provisions of this Ordinance and that it will perform the duties and functions of Paying Agent/Registrar prescribed hereby.

Section 5.08. Delivery of Records to Successor. If a Paying Agent/Registrar is replaced, such Paying Agent/Registrar, promptly upon the appointment of the successor, will deliver the Register (or a copy thereof) and all other pertinent books and records relating to the Bonds to the successor Paying Agent/Registrar and to the City.

(a) The taxes levied under Section 2.01 of this Ordinance shall be deposited to the credit of the Interest and Sinking Fund at such times and in such amounts as necessary for the timely payment of the principal of and interest on such Bonds.

(b) If the amount of money in the Interest and Sinking Fund is at least equal to the aggregate principal amount of the outstanding Bonds plus the aggregate amount of interest due and that will become due and payable on such Bonds, no further deposits to that fund need be made. In determining the aggregate principal amount of outstanding Bonds, there shall be subtracted the amount of any Bonds discharged in accordance with Article XI hereof.

Section 7.06. Security of Funds. All moneys on deposit in the funds referred to in this Ordinance shall be secured in the manner and to the fullest extent required by the laws of the State of Texas for the security of public funds, and moneys on deposit in such funds shall be used only for the purposes permitted by this Ordinance.

ARTICLE VIII

(c) To the extent specified in the Pricing Certificate, the money in the Escrow Fund shall be invested in (i) tax-exempt obligations or (ii) securities or obligations that do not have a "higher yield," within the meaning of Section 148(t) of the Code, than the yield on the Bonds.

ARTICLE IX

PARTICULAR REPRESENTATIONS AND COVENANTS

Section 9.01. Payment of the Bonds. On or before each Interest Payment Date for the Bonds, and while any of the Bonds are outstanding and unpaid, there shall be made available to the Paying Agent/Registrar, out of the Interest and Sinking Fund, money sufficient to pay such interest on, premium, if any, and principal of the Bonds as will accrue or mature on the applicable Interest Payment Date or date of prior redemption.

Section 9.02. Other Representations and Covenants.

(a) The City will faithfully perform at all times any and all covenants, undertakings, stipulations, and provisions contained in this Ordinance and in each Bond; the City will promptly pay or cause to be paid the principal of and premium, if any, and interest on each Bond on the dates and at the places and manner prescribed in such Bond; and the City will, at the times and in the manner prescribed by this Ordinance, deposit or cause to be deposited the amounts of money specified by this Ordinance.

(b) The City is duly authorized under the laws of the State of Texas to issue the Bonds; all action on its part for the creation and issuance of the Bonds has been duly and effectively taken; and the Bonds in the hands of the Owners thereof are and will be valid and enforceable general obligations of the City in accordance with their terms.

Section 9.03. Covenants to Maintain Tax-Exempt Status.

(a) Definitions. When used in this Section, the following terms have the following meanings:

“Computation Date” has the meaning set forth in Section 1.148-1(b) of the Regulations.

“Gross Proceeds” means any proceeds as defined in Section 1.148-1(b) of the Regulations, and any replacement proceeds as defined in Section 1.148-1(c) of the Regulations, of the Bonds.

“Investment” has the meaning set forth in Section 1.148-1(b) of the Regulations.

“Rebate Amount” has the meaning set forth in Section 1.148-1(b) of the Regulations.

“Regulations” means any proposed, temporary, or final Income Tax Regulations issued pursuant to Sections 103 and 141 through 150 of the Code, and 103 of the Internal Revenue Code of 1954, which are applicable to the Bonds. Any reference to any specific Regulation shall also mean, as appropriate, any proposed, temporary or final Income Tax Regulation designed to supplement, amend or replace the specific Regulation referenced.

“Yield” of (1) any Investment has the meaning set forth in Section 1.148-5 of the Regulations and (2) the Bonds has the meaning set forth in Section 1.148-4 of the Regulations.

(b) Not to Cause Interest to Become Taxable. The City shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction, or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds) in a manner which if made or omitted, respectively, would cause the interest on any Bond to become includable in the gross income, as defined in Section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Bond, the City shall comply with each of the specific covenants in this Section.

(c) No Private Use or Private Payments. Except as permitted by Section 141 of the Code and the Regulations and rulings thereunder, the City shall at all times prior to the last Stated Maturity of Bonds:

(i) not use or permit the use of the Gross Proceeds of the Bonds (including all contractual arrangements with terms different than those applicable to the general public) or any property acquired, constructed, or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency, department, and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and

(ii) not directly or indirectly impose or accept any charge or other payment by any person or entity who is treated as using Gross Proceeds of the Bonds or any property the acquisition, construction, or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds other than taxes of general application within the City or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

(d) No Private Loan. Except to the extent permitted by Section 141 of the Code and the Regulations and rulings thereunder, the City shall not use Gross Proceeds of the Bonds to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be “loaned” to a person or entity if: (1) property acquired, constructed, or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or service from such property is committed to such person or entity under a take-or-pay, output, or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed, or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

(e) Not to Invest at Higher Yield. Except to the extent permitted by Section 148 of the Code and the Regulations and rulings thereunder, the City shall not at any time prior to the final Stated Maturity of the Bonds directly or indirectly invest Gross Proceeds in any Investment (or use Gross Proceeds to replace money so invested), if as a result of such investment the Yield from the Closing Date of all Investments acquired with Gross Proceeds (or with money replaced thereby), whether then held or previously disposed of, exceeds the Yield of the Bonds.

(f) Not Federally Guaranteed. Except to the extent permitted by Section 149(b) of the Code and the Regulations and rulings thereunder, the City shall not take or omit to take any action which would cause the Bonds to be federally guaranteed within the meaning of Section 149(b) of the Code and the Regulations and rulings thereunder.

(g) Information Report. The City shall timely file the information required by Section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary may prescribe.

(h) Rebate of Arbitrage Profits. Except to the extent otherwise provided in Section 148(f) of the Code and the Regulations and rulings thereunder:

(i) The City shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six (6) years after the day on which the last Outstanding Bond is discharged. However, to the extent permitted by law, the City may commingle Gross Proceeds of the Bonds with other money of the City, provided that the City separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

(ii) Not less frequently than each Computation Date, the City shall calculate the Rebate Amount in accordance with rules set forth in Section 148(f) of the Code and the Regulations and rulings thereunder. The City shall maintain such calculations with its official transcript of proceedings relating to the issuance of the Bonds until six years after the final Computation Date.

(iii) As additional consideration for the purchase of the Bonds by the Purchasers and the loan of the money represented thereby and in order to induce such purchase by measures designed to insure the excludability of the interest thereon from the gross income of the Holders thereof for federal income tax purposes, the City shall pay to the United States from an appropriate fund, or if permitted by applicable Texas statute, regulation, or opinion of the Attorney General of the State of Texas, the Interest and Sinking Fund, the amount that when added to the future value of previous rebate payments made for the Bonds equals (i) in the case of a Final Computation Date as defined in Section 1.148-3(e)(2) of the Regulations, one hundred percent (100%) of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, ninety percent (90%) of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place, and in the manner as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder.

(iv) The City shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (ii) and (iii), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within one hundred eighty (180) days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148-3(h) of the Regulations.

(i) Not to Divert Arbitrage Profits. Except to the extent permitted by Section 148 of the Code and the Regulations and rulings thereunder, the City shall not, at any time prior to the earlier of the Stated Maturity or final payment of the Bonds, enter into any transaction that reduces the amount required to be paid to the United States pursuant to subsection (h) of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Yield of the Bonds not been relevant to either party.

(j) Elections. The City hereby directs and authorizes the Mayor, Mayor Pro Tem, City Manager, Chief Financial Officer, and City Secretary of the City, individually or jointly, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as one or more of such persons deems necessary or appropriate in connection with the Bonds, in the Certificate as to Tax Exemption, or similar or other appropriate certificate, form, or document.

(k) Current Refunding; Extraordinary Legal Judgment. The Bonds are issued to refund the Refunded Obligations and the Bonds will be issued less than 90 days before the redemption of the Refunded Obligations. The Refunded Obligations represent an extraordinary legal judgment in an amount in excess of reasonable insurance coverage. Neither the City nor a related party to the City maintains a reserve for such items, such as a self-insurance fund. Neither the City nor a related party to the City has set aside other available amounts for the payment of these types of expenses.

ARTICLE X

Section 10.01. Events of Default. Each of the following occurrences or events for the purpose of this Ordinance is hereby declared to be an "Event of Default," to-wit:

(a) the failure to make payment of the principal of or interest on any of the Bonds when the same becomes due and payable; or

(b) the failure to perform or observe any other covenant, agreement or obligation of the City, which materially, adversely affects the rights of the Owners, including but not limited to, their prospect or ability to be repaid in accordance with this Ordinance, and the continuation thereof for a period of 60 days after notice of such default is given by any Owner to the City.

Section 10.02. Remedies for Default.

(b) It is provided that all such proceedings shall be instituted and maintained for the equal benefit of all Owners of Bonds then outstanding.

Section 10.03. Remedies Not Exclusive.

(a) No remedy herein conferred or reserved is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or under the Bonds or now or hereafter existing at law or in equity; provided, however, that notwithstanding any other provision of this Ordinance, the right to accelerate the debt evidenced by the Bonds shall not be available as a remedy under this Ordinance.

(b) The exercise of any remedy herein conferred or reserved shall not be deemed a waiver of any other available remedy.

(a) The City shall be obligated to observe and perform the covenants specified in this Article for so long as, but only for so long as, the City remains an “obligated person” with respect

to the Bonds within the meaning of the Rule, except that the City in any event will give notice of any Bond calls and any defeasances that cause the City to be no longer an “obligated person.”

(b) The provisions of this Article are for the sole benefit of the Owners and beneficial owners of the Bonds, and nothing in this Article, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The City undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Article and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the City’s financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Article or otherwise, except as expressly provided herein. The City does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Bonds at any future date.

UNDER NO CIRCUMSTANCES SHALL THE CITY BE LIABLE TO THE OWNER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE CITY, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS ARTICLE, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

(c) No default by the City in observing or performing its obligations under this Article shall constitute a breach of or default under this Ordinance for purposes of any other provisions of this Ordinance.

(d) Nothing in this Article is intended or shall act to disclaim, waive, or otherwise limit the duties of the City under federal and state securities laws.

(e) The provisions of this Article may be amended by the City from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the City, but only if (i) the provisions of this Article, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (ii) either (A) the Owners of a majority in aggregate principal amount (or any greater amount required by any other provisions of this Ordinance that authorizes such an amendment) of the outstanding Bonds consent to such amendment or (B) an entity or individual person that is unaffiliated with the City (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interests of the Owners and beneficial owners of the Bonds. If the City so amends the provisions of this Article, it shall include with any amended financial information or operating data next provided in accordance with Section 13.01 an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided.

ARTICLE XIV

AMENDMENTS; ATTORNEY GENERAL MODIFICATION

Section 14.01. Amendments. This Ordinance shall constitute a contract with the Owners, be binding on the City, and shall not be amended or repealed by the City so long as any Bond remains outstanding except as permitted in this Section. The City may, without consent of or notice to any Owners, from time to time and at any time, amend this Ordinance in any manner not detrimental to the interests of the Owners, including the curing of any ambiguity, inconsistency, or formal defect or omission herein. (e) If the date for the payment of the principal of or interest on any Bond is a Saturday, Sunday, legal holiday, or a day on which banking institutions in the city where the Designated Payment/Transfer Office is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not a Saturday, Sunday, legal holiday, or day on which such banking institutions are authorized to close; and payment on such date shall have the same force and effect as if made on the original date payment was due.

(f) Unclaimed Payments shall be segregated in a special account and held in trust, uninvested by the Paying Agent/Registrar, for the account of the Owner of the Bonds to which the Unclaimed Payments pertain. Subject to the provisions of Title 6, Texas Property Code, as amended, Unclaimed Payments remaining unclaimed by the Owners entitled thereto for three years after the applicable payment or redemption date shall be applied to the next payment or payments on the Bonds thereafter coming due and, to the extent any such money remains after the retirement of all outstanding Bonds, shall be paid to the City to be used for any lawful purpose. Thereafter, neither the City, the Paying Agent/Registrar nor any other person shall be liable or responsible to any Owners of such Bonds for any further payment of such unclaimed moneys or on account of any such Bonds, subject to any applicable escheat law or similar law.

Section 3.04. Execution and Initial Registration.

(a) The Bonds shall be executed on behalf of the City by the Mayor and countersigned by the City Secretary and the City Manager, by their manual or facsimile signatures, and the official seal of the City shall be impressed or placed in facsimile thereon. Any facsimile signatures on the Bonds shall have the same effect as if each of the Bonds had been signed manually and in person by each of such officers, and such facsimile seal on the Bonds shall have the same effect as if the official seal of the City had been manually impressed upon each of the Bonds.

(b) In the event that any officer of the City whose manual or facsimile signature appears on the Bonds ceases to be such officer before the authentication of such Bonds or before the delivery thereof, such manual or facsimile signature nevertheless shall be valid and sufficient for all purposes as if such officer had remained in such office.

(c) Except as provided below, no Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit of this Ordinance unless and until there appears thereon the Certificate of Paying Agent/Registrar substantially in the form provided in this Ordinance, duly authenticated by manual execution of the Paying Agent/Registrar. It shall not be required that the same authorized representative of the Paying Agent/Registrar sign the Certificate of Paying Agent/Registrar on all of the Bonds. In lieu of the executed Certificate of Paying Agent/Registrar described above, the Initial Bond delivered on the Closing Date shall have attached thereto the Comptroller's Registration Certificate substantially in the form provided in this Ordinance, manually executed by the Comptroller of Public Accounts of the State of Texas or by his duly

authorized agent, which certificate shall be evidence that the Initial Bond has been duly approved by the Attorney General of the State of Texas and that it is a valid and binding obligation of the City, and has been registered by the Comptroller.

(d) On the Closing Date, the typewritten Initial Bond representing the entire principal amount of the Bonds, payable in stated installments to the Purchaser or its designee, executed by manual or facsimile signature of the Mayor and countersigned by manual or facsimile signatures of the City Secretary and the City Manager, approved by the Attorney General, and registered and manually signed by the Comptroller of Public Accounts will be delivered to the Purchaser or its designee. Upon payment for the Initial Bond, the Paying Agent/Registrar shall cancel the Initial Bond and deliver to DTC on behalf of the Purchaser registered definitive Bonds as described in Section 3.10. To the extent the Paying Agent/Registrar is eligible to participate in DTC's FAST System, as evidenced by agreement between the Paying Agent/Registrar and DTC, the Paying Agent/Registrar shall hold the definitive Bonds in safekeeping for DTC.

Section 3.05. Ownership.

(a) The City, the Paying Agent/Registrar and any other person may treat the person in whose name any Bond is registered as the absolute owner of such Bond for the purpose of making and receiving payment of the principal thereof and premium, if any, thereon, for the further purpose of making and receiving payment of the interest thereon (subject to the provisions herein that interest is to be paid to the person in whose name the Bond is registered on the Record Date or on the Special Record Date, as applicable), and for all other purposes, whether or not such Bond is overdue, and neither the City nor the Paying Agent/Registrar shall be bound by any notice or knowledge to the contrary.

(b) All payments made to the person deemed to be the Owner of any Bond in accordance with this Section shall be valid and effectual and shall discharge the liability of the City and the Paying Agent/Registrar upon such Bond to the extent of the sums paid.

Section 3.06. Registration, Transfer and Exchange.

(a) So long as any Bonds remain outstanding, the City shall cause the Paying Agent/Registrar to keep at the Designated Payment/Transfer Office the Register in which, subject to such reasonable regulations as it may prescribe, the Paying Agent/Registrar shall provide for the registration and transfer of Bonds in accordance with this Ordinance.

(b) Registration of any Bond may be transferred in the Register only upon the presentation and surrender thereof at the Designated Payment/Transfer Office for transfer of registration and cancellation, together with proper written instruments of assignment, in form and with guarantee of signatures satisfactory to the Paying Agent/Registrar, evidencing assignment of the Bonds, or any portion thereof in any integral multiple of \$5,000 for any one maturity, to the assignee or assignees thereof, and the right of such assignee or assignees thereof to have the Bond or any portion thereof registered in the name of such assignee or assignees. No transfer of any Bond shall be effective until entered in the Register. Upon assignment and transfer of any Bond or portion thereof, a new Bond or Bonds will be issued by the Paying Agent/Registrar in exchange for such transferred and assigned Bond. To the extent possible the Paying Agent/Registrar will issue such new Bond or Bonds within not more than three Business Days after receipt of the Bond to be transferred in proper form and with proper instructions directing such transfer.

(c) Any Bond may be exchanged only upon the presentation and surrender thereof at the Designated Payment/Transfer Office, together with a written request therefor duly executed by the Owner or assignee or assignees thereof, or its or their duly authorized attorneys or representatives, with guarantees of signatures satisfactory to the Paying Agent/Registrar, for a Bond or Bonds of the same maturity and interest rate and in any authorized denomination and in an aggregate principal amount equal to the unpaid principal amount of the Bond presented for exchange. If a portion of any Bond is redeemed prior to its schedule maturity as provided herein, a substitute Bond or Bonds having the same maturity date, bearing interest at the same rate, in the denomination or denominations of any integral multiple of \$5,000 of any one maturity at the request of the Owner, and in an aggregate principal amount equal to the unredeemed portion thereof, will be issued to the Owner upon surrender thereof for cancellation. To the extent possible, a new Bond or Bonds shall be delivered by the Paying Agent/Registrar to the Owner of the Bond or Bonds within not more than three Business Days after receipt of the Bond to be exchanged in proper form and with proper instructions directing such exchange.

(d) Each Bond issued in exchange for any Bond or portion thereof assigned or transferred shall have the same principal maturity date and shall bear interest at the same rate as the Bond for which it is being exchanged. Each substitute Bond shall bear a letter and/or number to distinguish it from each other Bond. The Paying Agent/Registrar shall exchange the Bonds as provided herein, and each substitute Bond delivered in accordance with this Section shall constitute an original additional contractual obligation of the City and shall be entitled to the benefits and security of this Ordinance to the same extent as the Bond or Bonds in lieu of which such substitute Bond or Bonds are delivered.

(e) The City will pay the Paying Agent/Registrar's reasonable and customary charge for the initial registration or any subsequent transfer or exchange of Bonds, but the Paying Agent/Registrar will require the Owner to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection with the registration, transfer or exchange of a Bond. In addition, the City hereby covenants with the Owners of the Bonds that it will (i) pay the reasonable and standard or customary fees and charges of the Paying Agent/Registrar for its services with respect to the payment of the principal of and interest on the Bonds, when due, and (ii) pay the fees and charges of the Paying Agent/Registrar for services with respect to the transfer, registration and exchange of Bonds as provided herein.

(f) Neither the City nor the Paying Agent/Registrar shall be required to issue, transfer, or exchange any Bond called for redemption, in whole or in part, within 45 days of the date fixed for redemption; provided, however, such limitation shall not be applicable to an exchange by the Owner of the uncalled principal balance of a Bond.

Section 3.07. Cancellation and Authentication.

(a) All Bonds paid in accordance with this Ordinance, and all Bonds in lieu of which exchange Bonds or replacement Bonds are authenticated and delivered in accordance with this Ordinance, shall be cancelled upon the making of proper records regarding such payment, redemption, exchange or replacement. Cancelled Bonds shall be disposed of in accordance with the requirements of the Securities and Exchange Act of 1934 and the regulations promulgated thereunder.

(b) Each substitute Bond issued pursuant to the provisions of Sections 3.06 and 3.09 of this Ordinance, in exchange for or replacement of any Bond or Bonds issued under this Ordinance,

shall have printed thereon a Certificate of the Paying Agent/Registrar, in the form hereinafter set forth. An authorized representative of the Paying Agent/Registrar shall, before the delivery of any such Bond, manually sign and date such Certificate, and no such Bond shall be deemed to be issued or outstanding unless such Certificate is so executed. No additional ordinances, orders, or resolutions need be passed or adopted by the City Council or any other body or person so as to accomplish the foregoing exchange or replacement of any Bond or portion thereof, and the Paying Agent/Registrar shall provide for the printing, execution, and delivery of the substitute Bonds in the manner prescribed herein, and such Bonds shall be of customary type and composition and printed, typewritten, lithographed, mimeographed or otherwise produced. Pursuant to Chapter 1201, Texas Government Code, the duty of exchange or replacement of Bonds as aforesaid is hereby imposed upon the Paying Agent/Registrar, and, upon the execution of the above-referenced Certificate of the Paying Agent/Registrar, the exchanged or replaced Bonds shall be valid, incontestable, and enforceable in the same manner and with the same effect as the Initial Bond which originally was delivered pursuant to this Ordinance, approved by the Attorney General, and registered by the Comptroller of Public Accounts.

(c) Bonds issued in exchange or replacement of any other Bond or portion thereof, (i) shall be issued in fully registered form, without interest coupons, with the principal of and interest on such Bonds to be payable only to the registered owners thereof, (ii) may be transferred and assigned, (iii) may be exchanged for other Bonds, (iv) shall have the characteristics, (v) shall be signed and sealed, and (vi) shall be payable as to principal and interest, all as provided, and in the manner required or indicated, in the form of Bond set forth in this Ordinance.

Section 3.08. Temporary Bonds.

(a) Following the delivery and registration of the Initial Bond and pending the preparation of definitive Bonds, the proper officers of the City may execute and, upon the City's request, the Paying Agent/Registrar shall authenticate and deliver, one or more temporary Bonds that are printed, lithographed, typewritten, mimeographed or otherwise produced, in any denomination, substantially of the tenor of the definitive Bonds in lieu of which they are delivered, without coupons, and with such appropriate insertions, omissions, substitutions and other variations as the officers of the City executing such temporary Bonds may determine, as evidenced by their signing of such temporary Bonds.

(b) Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the benefit and security of this Ordinance.

(c) The City, without unreasonable delay, shall prepare, execute and deliver to the Paying Agent/Registrar the Bonds in definitive form; thereupon, upon the presentation and surrender of the Bond or Bonds in temporary form to the Paying Agent/Registrar, the Paying Agent/Registrar shall cancel the Bonds in temporary form and authenticate and deliver in exchange therefor a Bond or Bonds of the same maturity, in definitive form, in the authorized denomination, and in the same aggregate principal amount, as the Bond or Bonds in temporary form surrendered. Such exchange shall be made without the making of any charge therefor to any Owner.

Section 3.09. Replacement Bonds.

(a) Upon the presentation and surrender to the Paying Agent/Registrar, at the Designated Payment/Transfer Office of a mutilated Bond, the Paying Agent/Registrar shall authenticate and deliver in exchange therefor a replacement Bond of like tenor and principal

amount, bearing a number not contemporaneously outstanding. The City or the Paying Agent/Registrar may require the Owner of such Bond to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection therewith and any other expenses connected therewith.

(b) In the event that any Bond is lost, apparently destroyed or wrongfully taken, the Paying Agent/Registrar, pursuant to the applicable laws of the State of Texas and in the absence of notice or knowledge that such Bond has been acquired by a bona fide purchaser, shall authenticate and deliver a replacement Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding, provided that the Owner first:

(i) furnishes to the Paying Agent/Registrar satisfactory evidence of his or her ownership of and the circumstances of the loss, destruction or theft of such Bond;

(ii) furnishes such security or indemnity as may be required by the Paying Agent/Registrar and the City to save them harmless;

(iii) pays all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Paying Agent/Registrar and any tax or other governmental charge that is authorized to be imposed; and

(iv) satisfies any other reasonable requirements imposed by the City and the Paying Agent/Registrar.

(c) If, after the delivery of such replacement Bond, a bona fide purchaser of the original Bond in lieu of which such replacement Bond was issued presents for payment such original Bond, the City and the Paying Agent/Registrar shall be entitled to recover such replacement Bond from the person to whom it was delivered or any person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the City or the Paying Agent/Registrar in connection therewith.

(d) In the event that any such mutilated, lost, apparently destroyed or wrongfully taken Bond has become or is about to become due and payable, the Paying Agent/Registrar, in its discretion, without the necessity of issuing a replacement Bond, may pay such Bond on the date on which such Bond becomes due and payable.

(e) Each replacement Bond delivered in accordance with this Section shall constitute an original additional contractual obligation of the City and shall be entitled to the benefits and security of this Ordinance to the same extent as the Bond or Bonds in lieu of which such replacement Bond is delivered.

Section 3.10. Book-Entry-Only System.

(a) The definitive Bonds shall be initially issued in the form of a separate single fully registered Bond for each of the maturities thereof. Upon initial issuance, the ownership of each such Bond shall be registered in the name of Cede & Co., as nominee of DTC, and except as provided in Section 3.11 hereof, all of the outstanding Bonds shall be registered in the name of Cede & Co., as nominee of DTC.

(b) With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the City and the Paying Agent/Registrar shall have no responsibility or obligation to any DTC Participant or to any person on behalf of whom such a DTC Participant holds an interest in the Bonds, except as provided in this Ordinance. Without limiting the immediately preceding sentence, the City and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other person, other than an Owner, as shown on the Register, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any DTC Participant or any other person, other than an Owner, as shown in the Register of any amount with respect to principal of or interest on the Bonds. Notwithstanding any other provision of this Ordinance to the contrary, the City and the Paying Agent/Registrar shall be entitled to treat and consider the person in whose name each Bond is registered in the Register as the absolute Owner of such Bond for the purpose of payment of principal of and interest on the Bonds, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfer with respect to such Bond, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of and interest on the Bonds only to or upon the order of the respective Owners, as shown in the Register as provided in this Ordinance, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to payment of, principal and interest on the Bonds to the extent of the sum or sums so paid. No person other than an Owner, as shown in the register, shall receive a certificate evidencing the obligation of the City to make payments of amounts due pursuant to this Ordinance. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Ordinance with respect to interest checks or drafts being mailed to the registered Owner at the close of business on the Record Date, the word "Cede & Co." in this Ordinance shall refer to such new nominee of DTC.

(c) The Representation Letter between the City and DTC applicable to the City's obligations delivered in book-entry-only form to DTC as securities depository for such obligations, is hereby affirmed.

Section 3.11. Successor Securities Depository: Transfer Outside Book-Entry-Only System. In the event that the City or the Paying Agent/Registrar determines that DTC is incapable of discharging its responsibilities described herein and in the Representation Letter, and that it is in the best interest of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, or in the event DTC discontinues the services described herein, the City or the Paying Agent/Registrar shall (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants, as identified by DTC, of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository or (ii) notify DTC and DTC Participants, as identified by DTC, of the availability through DTC of Bonds and transfer one or more separate Bonds to DTC Participants having Bonds credited to their DTC accounts, as identified by DTC. In such event, the Bonds shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Ordinance.

Section 3.12. Payments to Cede & Co. Notwithstanding any other provision of this Ordinance to the contrary, so long as any Bonds are registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of and interest on such Bonds, and all notices with respect to such Bonds, shall be made and given, respectively, in the manner provided in the Representation Letter.

Section 4.03. Mandatory Sinking Fund Redemption.

(a) Bonds designated as “Term Bonds,” if any, in the Pricing Certificate are subject to scheduled mandatory redemption and will be redeemed by the City, in part at a price equal to the principal amount thereof, without premium, plus accrued interest to the redemption date, out of moneys available for such purpose in the Interest and Sinking Fund for such Bonds, on the dates and in the respective principal amounts as set forth in the Pricing Certificate.

(b) At least forty-five (45) days prior to each scheduled mandatory redemption date, the Paying Agent/Registrar shall select for redemption by lot, or by any other customary method that results in a random selection, or such other method specified in the Pricing Certificate, a principal amount of Term Bonds equal to the aggregate principal amount of such Term Bonds to be redeemed, shall call such Term Bonds for redemption on such scheduled mandatory redemption date, and shall give notice of such redemption, as provided in Section 4.05.

The principal amount of the Term Bonds required to be redeemed on any mandatory sinking fund redemption date pursuant to subparagraph (a) of this Section 4.03 shall be reduced, at the option of the City, by the principal amount of any Term Bonds which, at least 45 days prior to the mandatory sinking fund redemption date (i) shall have been acquired by the City at a price not exceeding the principal amount of such Term Bonds plus accrued interest to the date of purchase thereof, and delivered to the Paying Agent/Registrar for cancellation, or (ii) shall have been redeemed pursuant to the optional redemption provisions hereof and not previously credited to a mandatory sinking fund redemption.

Section 4.04. Partial Redemption.

(a) If less than all of the Bonds are to be redeemed pursuant to Section 4.02, the City shall determine the maturity or maturities and the amounts thereof to be redeemed and shall direct

the Paying Agent/Registrar to call by lot or other customary method that results in a random selection of the Bonds, or portions thereof and maturity or maturities and in such principal amounts, for redemption.

(b) A portion of a single Bond of a denomination greater than \$5,000 may be redeemed, but only in a principal amount equal to \$5,000 or any integral multiple thereof. The Paying Agent/Registrar shall treat each \$5,000 portion of the Bond as though it were a single Bond for purposes of selection for redemption.

(c) Upon surrender of any Bond for redemption in part, the Paying Agent/Registrar, in accordance with Section 3.06 of this Ordinance, shall authenticate and deliver an exchange Bond or Bonds in an aggregate principal amount equal to the unredeemed portion of the Bond so surrendered.

(d) The Paying Agent/Registrar shall promptly notify the City in writing of the principal amount to be redeemed of any Bond as to which only a portion thereof is to be redeemed.

Section 4.05. Notice of Redemption to Owners.

(a) The City shall give notice of any redemption of Bonds by sending or causing the Paying Agent/Registrar to send notice of such redemption by United States mail, first class, postage prepaid, not less than 30 days before the date fixed for redemption, to the Owner of each Bond (or part thereof) to be redeemed, at the address shown on the Register at the close of business on the Business Day next preceding the date of mailing such notice.

(b) The notice shall state the redemption date, the redemption price, the place at which the Bonds are to be surrendered for payment, and, if less than all the Bonds outstanding are to be redeemed, an identification of the Bonds or portions thereof to be redeemed.

(c) The City reserves the right to give notice of its election or direction to redeem Bonds under Section 4.02 conditioned upon the occurrence of subsequent events. Such notice may state (i) that the redemption is conditioned upon the deposit of moneys and/or authorized securities, in an amount equal to the amount necessary to effect the redemption, with the Paying Agent/Registrar, or such other entity as may be authorized by law, no later than the redemption date or (ii) that the City retains the right to rescind such notice at any time prior to the scheduled redemption date if the City delivers a certificate of the City to the Paying Agent/Registrar instructing the Paying Agent/Registrar to rescind the redemption notice, and such notice and redemption shall be of no effect if such moneys and/or authorized securities are not so deposited or if the notice is rescinded. The Paying Agent/Registrar shall give prompt notice of any such rescission of a conditional notice of redemption to the affected Owners. Any Bonds subject to conditional redemption where redemption has been rescinded shall remain Outstanding, and the rescission shall not constitute an event of default. Further, in the case of a conditional redemption, the failure of the City to make moneys and/or authorized securities available in part or in whole on or before the redemption date shall not constitute an event of default.

(d) Any notice given as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

Section 4.06. Payment Upon Redemption.

(a) Before or on each redemption date, the Paying Agent/Registrar shall make provision for the payment of the Bonds to be redeemed on such date by setting aside and holding in trust an amount from the Interest and Sinking Fund or otherwise received by the Paying Agent/Registrar from the City sufficient to pay the principal of and accrued interest on such Bonds.

(b) Upon presentation and surrender of any Bond called for redemption at the Designated Payment/Transfer Office of the Paying Agent/Registrar on or after the date fixed for redemption, the Paying Agent/Registrar shall pay the principal of and accrued interest on such Bond to the date of redemption from the money set aside for such purpose.

(b) If any Bond or portion thereof called for redemption is not so paid upon presentation and surrender of such Bond for redemption, such Bond or portion thereof shall continue to bear interest at the rate stated on the Bond until paid or until due provision is made for the payment of same.

Section 4.08. Lapse of Payment. Money set aside for the redemption of Bonds and remaining unclaimed by the Owners of such Bonds shall be subject to the provisions of Section 3.03(f) hereof.

Pursuant to its terms, the Paying Agent/Registrar Agreement is subject to and controlled by the City Charter and Ordinances of the City. If any conflict exists between such agreement and this Ordinance, this Ordinance shall govern. In that regard, by accepting the positions of paying agent and registrar, the Paying Agent/Registrar agrees that in the event that it shall resign its position as Paying Agent/Registrar, it will continue to serve in such capacity until such time as a successor assumes such duties under this Ordinance. In addition, the Paying Agent agrees to maintain a true and correct copy of the Register.

Section 5.07. Agreement to Perform Duties and Functions. By accepting the appointment as Paying Agent/Registrar, the Paying Agent/Registrar is deemed to have agreed to the provisions of this Ordinance and that it will perform the duties and functions of Paying Agent/Registrar prescribed hereby.

Section 5.08. Delivery of Records to Successor. If a Paying Agent/Registrar is replaced, such Paying Agent/Registrar, promptly upon the appointment of the successor, will deliver the Register (or a copy thereof) and all other pertinent books and records relating to the Bonds to the successor Paying Agent/Registrar and to the City.

The Paying Agent/Registrar will select by lot or by any other customary method that results in a random selection the specific Term Bonds (or with respect to Term Bonds having a denomination in excess of \$5,000, each \$5,000 portion thereof) to be redeemed by mandatory redemption. The principal amount of Term Bonds required to be redeemed on any redemption date pursuant to the foregoing mandatory sinking fund redemption provisions hereof shall be reduced, at the option of the City, by the principal amount of any Bonds which, at least 45 days prior to the mandatory sinking fund redemption date (i) shall have been acquired by the City at a price not exceeding the principal amount of such Bonds plus accrued interest to the date of purchase thereof, and delivered to the Paying Agent/Registrar for cancellation, or (ii) shall have been redeemed pursuant to the optional redemption provisions hereof and not previously credited to a mandatory sinking fund redemption.

Notice of such redemption or redemptions shall be given by United States mail, first class, postage prepaid, not less than thirty (30) days before the date fixed for redemption, to the registered

owner of each of the Bonds to be redeemed in whole or in part. In the Ordinance, the City reserves the right in the case of an optional redemption to give notice of its election or direction to redeem Bonds conditioned upon the occurrence of subsequent events. Such notice may state (i) that the redemption is conditioned upon the deposit of moneys and/or authorized securities, in an amount equal to the amount necessary to effect the redemption, with the Paying Agent/Registrar, or such other entity as may be authorized by law, no later than the redemption date or (ii) that the City retains the right to rescind such notice at any time prior to the scheduled redemption date if the City delivers a certificate of the City to the Paying Agent/Registrar instructing the Paying Agent/Registrar to rescind the redemption notice, and such notice and redemption shall be of no effect if such moneys and/or authorized securities are not so deposited or if the notice is rescinded. The Paying Agent/Registrar shall give prompt notice of any such rescission of a conditional notice of redemption to the affected owners. Any Bonds subject to conditional redemption where redemption has been rescinded shall remain outstanding, and the rescission shall not constitute an event of default. Further, in the case of a conditional redemption, the failure of the City to make moneys and/or authorized securities available in part or in whole on or before the redemption date shall not constitute an event of default.]⁸

As provided in the Ordinance, and subject to certain limitations therein set forth, this Bond is transferable upon surrender of this Bond for transfer at the Designated Payment/Transfer Office, with such endorsement or other evidence of transfer as is acceptable to the Paying Agent/Registrar, and, thereupon, one or more new fully registered Bonds of the same stated maturity, of authorized denominations, bearing the same rate of interest, and for the same aggregate principal amount will be issued to the designated transferee or transferees.

Neither the City nor the Paying Agent/Registrar shall be required to issue, transfer or exchange any Bond called for redemption, in whole or in part, within 45 days of the date fixed for redemption; provided, however, such limitation shall not be applicable to an exchange by the registered Owner of the uncalled principal balance of a Bond.

The City, the Paying Agent/Registrar, and any other person may treat the person in whose name this Bond is registered as the Owner hereof for the purpose of receiving payment as herein provided (except interest shall be paid to the person in whose name this Bond is registered on the Record Date or Special Record Date, as applicable) and for all other purposes, whether or not this Bond be overdue, and neither the City nor the Paying Agent/Registrar shall be affected by notice or knowledge to the contrary.

IT IS HEREBY CERTIFIED AND RECITED that the issuance of this Bond and the series of which it is a part is duly authorized by law; that all acts, conditions and things required to be done precedent to and in the issuance of the Bonds have been properly done and performed and have happened in regular and due time, form and manner, as required by law; that ad valorem taxes upon all taxable property in the City have been levied for and pledged to the payment of the debt service requirements of the Bonds within the limit prescribed by law; and that the total indebtedness of the City, including the Bonds, does not exceed any constitutional or statutory limitation.

IN WITNESS WHEREOF, the City has caused this Bond to be executed in its name by the manual or facsimile signature of the Mayor of the City and countersigned by the manual or

It is expressly provided, however, that the presence or absence of CUSIP numbers on the Bonds shall be of no significance or effect in regard to the legality thereof and neither the City nor the attorneys approving such Bonds as to legality are to be held responsible for CUSIP numbers incorrectly printed on the Bonds.

Section 7.01. Creation of Funds. The City hereby establishes the following special funds or accounts to be designated as follows or as otherwise designated in the Pricing Certificate:

(a) "City of Dallas, Texas, General Obligation Refunding Bonds, Series 2019B, Interest and Sinking Fund."

(b) "City of Dallas, Texas, General Obligation Refunding Bonds, Series 2019B, Escrow Fund."

Section 7.02. Initial Deposits. On the Closing Date, the City shall cause the proceeds from the sale of the Bonds to be deposited as follows:

(b) second, a portion of the proceeds of the Bonds, as set forth in the Pricing Certificate, and used for the purposes described in the preamble hereof shall be deposited to the Escrow Fund and used to pay off the Refunded Obligations; and

(c) third, the remaining balance received on the Closing Date, shall be deposited to a special account of the City and used for the payment of the costs of issuing the Bonds. Any amounts not needed for the payment of costs of issuance shall be deposited to the Interest and Sinking Fund.

Section 7.03. Interest and Sinking Fund.

(a) The taxes levied under Section 2.01 of this Ordinance shall be deposited to the credit of the Interest and Sinking Fund at such times and in such amounts as necessary for the timely payment of the principal of and interest on such Bonds.

(b) If the amount of money in the Interest and Sinking Fund is at least equal to the aggregate principal amount of the outstanding Bonds plus the aggregate amount of interest due and that will become due and payable on such Bonds, no further deposits to that fund need be made. In determining the aggregate principal amount of outstanding Bonds, there shall be subtracted the amount of any Bonds discharged in accordance with Article XI hereof.

(c) Money on deposit in the Interest and Sinking Fund shall be used to pay the principal of and interest on the Bonds as such become due and payable.

Section 7.04. Escrow Fund. The Escrow Fund will be used to pay in full the Refunded Obligations.

(b) The money in such special escrow account shall be used for the payment of principal of and interest on the Bonds, on the respective due dates thereof or dates as of which Bonds have been called for redemption.

Section 7.06. Security of Funds. All moneys on deposit in the funds referred to in this Ordinance shall be secured in the manner and to the fullest extent required by the laws of the State of Texas for the security of public funds, and moneys on deposit in such funds shall be used only for the purposes permitted by this Ordinance.

ARTICLE VIII

INVESTMENTS

Section 8.01. Investments.

(a) Money in the Interest and Sinking Fund created by this Ordinance, at the option of the City, may be invested in such securities or obligations as permitted under applicable law.

(b) Any securities or obligations in which money is so invested shall be kept and held in trust for the benefit of the Owners of the Bonds and shall be sold and the proceeds of sale shall be timely applied to the making of all payments required to be made from the fund from which the investment was made.

(c) To the extent specified in the Pricing Certificate, the money in the Escrow Fund shall be invested in (i) tax-exempt obligations or (ii) securities or obligations that do not have a "higher yield," within the meaning of Section 148(t) of the Code, than the yield on the Bonds.

Section 8.02. Investment Income.

(a) Interest and income derived from investment of the Interest and Sinking Fund shall be credited to such Fund.

(b) Subject to the provisions of Section 8.01(c), the investment and application of money in the Escrow Fund shall be in accordance with the provisions of the Escrow Agreement.

ARTICLE IX

PARTICULAR REPRESENTATIONS AND COVENANTS

Section 9.01. Payment of the Bonds. On or before each Interest Payment Date for the Bonds, and while any of the Bonds are outstanding and unpaid, there shall be made available to the Paying Agent/Registrar, out of the Interest and Sinking Fund, money sufficient to pay such interest on, premium, if any, and principal of the Bonds as will accrue or mature on the applicable Interest Payment Date or date of prior redemption.

Section 9.02. Other Representations and Covenants.

(a) The City will faithfully perform at all times any and all covenants, undertakings, stipulations, and provisions contained in this Ordinance and in each Bond; the City will promptly pay or cause to be paid the principal of and premium, if any, and interest on each Bond on the dates and at the places and manner prescribed in such Bond; and the City will, at the times and in the manner prescribed by this Ordinance, deposit or cause to be deposited the amounts of money specified by this Ordinance.

(b) The City is duly authorized under the laws of the State of Texas to issue the Bonds; all action on its part for the creation and issuance of the Bonds has been duly and effectively taken; and the Bonds in the hands of the Owners thereof are and will be valid and enforceable general obligations of the City in accordance with their terms.

Section 9.03. Covenants to Maintain Tax-Exempt Status.

(a) Definitions. When used in this Section, the following terms have the following meanings:

“Computation Date” has the meaning set forth in Section 1.148-1(b) of the Regulations.

“Gross Proceeds” means any proceeds as defined in Section 1.148-1(b) of the Regulations, and any replacement proceeds as defined in Section 1.148-1(c) of the Regulations, of the Bonds.

“Investment” has the meaning set forth in Section 1.148-1(b) of the Regulations.

“Rebate Amount” has the meaning set forth in Section 1.148-1(b) of the Regulations.

“Regulations” means any proposed, temporary, or final Income Tax Regulations issued pursuant to Sections 103 and 141 through 150 of the Code, and 103 of the Internal Revenue Code of 1954, which are applicable to the Bonds. Any reference to any specific Regulation shall also mean, as appropriate, any proposed, temporary or final Income Tax Regulation designed to supplement, amend or replace the specific Regulation referenced.

“Yield” of (1) any Investment has the meaning set forth in Section 1.148-5 of the Regulations and (2) the Bonds has the meaning set forth in Section 1.148-4 of the Regulations.

(b) Not to Cause Interest to Become Taxable. The City shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction, or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds) in a manner which if made or omitted, respectively, would cause the interest on any Bond to become includable in the gross income, as defined in Section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Bond, the City shall comply with each of the specific covenants in this Section.

(c) No Private Use or Private Payments. Except as permitted by Section 141 of the Code and the Regulations and rulings thereunder, the City shall at all times prior to the last Stated Maturity of Bonds:

(i) not use or permit the use of the Gross Proceeds of the Bonds (including all contractual arrangements with terms different than those applicable to the general public) or any property acquired, constructed, or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency, department, and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and

(ii) not directly or indirectly impose or accept any charge or other payment by any person or entity who is treated as using Gross Proceeds of the Bonds or any property the acquisition, construction, or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds other than taxes of general application within the City or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

(d) No Private Loan. Except to the extent permitted by Section 141 of the Code and the Regulations and rulings thereunder, the City shall not use Gross Proceeds of the Bonds to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be “loaned” to a person or entity if: (1) property acquired, constructed, or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or service from such property is committed to such person or entity under a take-or-pay, output, or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed, or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

(e) Not to Invest at Higher Yield. Except to the extent permitted by Section 148 of the Code and the Regulations and rulings thereunder, the City shall not at any time prior to the final Stated Maturity of the Bonds directly or indirectly invest Gross Proceeds in any Investment (or use Gross Proceeds to replace money so invested), if as a result of such investment the Yield from the Closing Date of all Investments acquired with Gross Proceeds (or with money replaced thereby), whether then held or previously disposed of, exceeds the Yield of the Bonds.

(f) Not Federally Guaranteed. Except to the extent permitted by Section 149(b) of the Code and the Regulations and rulings thereunder, the City shall not take or omit to take any action which would cause the Bonds to be federally guaranteed within the meaning of Section 149(b) of the Code and the Regulations and rulings thereunder.

(g) Information Report. The City shall timely file the information required by Section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary may prescribe.

(h) Rebate of Arbitrage Profits. Except to the extent otherwise provided in Section 148(f) of the Code and the Regulations and rulings thereunder:

(i) The City shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six (6) years after the day on which the last Outstanding Bond is discharged. However, to the extent permitted by law, the City may commingle Gross Proceeds of the Bonds with other money of the City, provided that the City separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

(ii) Not less frequently than each Computation Date, the City shall calculate the Rebate Amount in accordance with rules set forth in Section 148(f) of the Code and the Regulations and rulings thereunder. The City shall maintain such calculations with its official transcript of proceedings relating to the issuance of the Bonds until six years after the final Computation Date.

(iii) As additional consideration for the purchase of the Bonds by the Purchasers and the loan of the money represented thereby and in order to induce such purchase by measures designed to insure the excludability of the interest thereon from the gross income of the Holders thereof for federal income tax purposes, the City shall pay to the United States from an appropriate fund, or if permitted by applicable Texas statute, regulation, or opinion of the Attorney General of the State of Texas, the Interest and Sinking Fund, the amount that when added to the future value of previous rebate payments made for the Bonds equals (i) in the case of a Final Computation Date as defined in Section 1.148-3(e)(2) of the Regulations, one hundred percent (100%) of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, ninety percent (90%) of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place, and in the manner as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder.

(iv) The City shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (ii) and (iii), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within one hundred eighty (180) days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148-3(h) of the Regulations.

(i) Not to Divert Arbitrage Profits. Except to the extent permitted by Section 148 of the Code and the Regulations and rulings thereunder, the City shall not, at any time prior to the earlier of the Stated Maturity or final payment of the Bonds, enter into any transaction that reduces the amount required to be paid to the United States pursuant to subsection (h) of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Yield of the Bonds not been relevant to either party.

(j) Elections. The City hereby directs and authorizes the Mayor, Mayor Pro Tem, City Manager, Chief Financial Officer, and City Secretary of the City, individually or jointly, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as one or more of such persons deems necessary or appropriate in connection with the Bonds, in the Certificate as to Tax Exemption, or similar or other appropriate certificate, form, or document.

(k) Current Refunding; Extraordinary Legal Judgment. The Bonds are issued to refund the Refunded Obligations and the Bonds will be issued less than 90 days before the redemption of the Refunded Obligations. The Refunded Obligations represent an extraordinary legal judgment in an amount in excess of reasonable insurance coverage. Neither the City nor a related party to the City maintains a reserve for such items, such as a self-insurance fund. Neither the City nor a related party to the City has set aside other available amounts for the payment of these types of expenses.

ARTICLE X

DEFAULT AND REMEDIES

Section 10.01. Events of Default. Each of the following occurrences or events for the purpose of this Ordinance is hereby declared to be an "Event of Default," to-wit:

(a) the failure to make payment of the principal of or interest on any of the Bonds when the same becomes due and payable; or

(b) the failure to perform or observe any other covenant, agreement or obligation of the City, which materially, adversely affects the rights of the Owners, including but not limited to, their prospect or ability to be repaid in accordance with this Ordinance, and the continuation thereof for a period of 60 days after notice of such default is given by any Owner to the City.

Section 10.02. Remedies for Default.

(a) Upon the happening of any Event of Default, then and in every case any Owner or an authorized representative thereof, including but not limited to, a trustee or trustees therefor, may proceed against the City for the purpose of protecting and enforcing the rights of the Owners under this Ordinance, by mandamus or other suit, action or special proceeding in equity or at law, in any court of competent jurisdiction, for any relief permitted by law, including the specific performance of any covenant or agreement contained herein, or thereby to enjoin any act or thing that may be unlawful or in violation of any right of the Owners hereunder or any combination of such remedies.

(b) It is provided that all such proceedings shall be instituted and maintained for the equal benefit of all Owners of Bonds then outstanding.

Section 10.03. Remedies Not Exclusive.

(a) No remedy herein conferred or reserved is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or under the Bonds or now or hereafter existing at law or in equity; provided, however, that notwithstanding any other provision of this Ordinance, the right to accelerate the debt evidenced by the Bonds shall not be available as a remedy under this Ordinance.

(b) The exercise of any remedy herein conferred or reserved shall not be deemed a waiver of any other available remedy.

ARTICLE XI

SUBJECT

Authorize a three-year master agreement for liquid sodium hypochlorite - FSTI, Inc. in an estimated amount of \$472,500.00 and PVS Minibulk, Inc. in an estimated amount of \$190,121.40, lowest responsible bidders of four - Total estimated amount of \$662,621.40 - Financing: General Fund (\$190,121.40) and Dallas Water Utilities Fund (\$472,500.00)

BACKGROUND

This action does not encumber funds; the purpose of a master agreement is to establish firm pricing for goods, for a specific term, which are ordered on an as needed basis according to annual budgetary appropriations. The estimated amount is intended as guidance rather than a cap on spending under the agreement, so that actual need combined with the amount budgeted will determine the amount spent under this agreement. We anticipate the following City departments will use this agreement:

- Water Utilities Department
- Park and Recreation Department

This master agreement will provide sodium hypochlorite (bleach) to be used in water treatment processes throughout the City. Bleach is used to boost chlorine and maintain disinfection levels in accordance with State of Texas regulatory standards. These applications require high quality, commercial grade 12.5 percent sodium hypochlorite in solution form. The sodium hypochlorite is delivered in 4,500 gallon tank trucks and transferred to storage tanks where it is dosed directly into the water lines throughout the City. In addition, sodium hypochlorite will be used at Bahama Beach Water Park facilities, City Hall Fountain, Spray Grounds, and various City swimming pools.

As part of the solicitation process and in an effort to increase competition, the Office of Procurement Services used its procurement system to send out 1,072 email bid notifications to vendors registered under respective commodities. To further increase competition, the Office of Procurement Services uses historical solicitation information, the internet, and vendor contact information obtained from

user departments to contact additional vendors by phone. Additionally, in an effort to secure more bids, the Office of Business sent notifications to 25 chambers of commerce and advocacy groups to ensure maximum vendor outreach.

Authorize Amendment No. 17 to increase the service contract with AssetWorks, LLC for the purchase, installation, hosting, maintenance, and support of mobile fuel island control units and related hardware for the Equipment and Fleet Management Department - Not to exceed \$89,065.67, from \$5,381,851.95 to \$5,470,917.62 - Financing: Equipment and Fleet Management Fund

BACKGROUND

This amendment will provide for the purchase, installation, hosting, maintenance, and support of mobile fuel island control units (ICU) for use with the City's M5 Fleet Management System. The addition of these fuel ICUs will allow the Equipment and Fleet Management Department (EFM) to accurately track fuel being transported from bulk storage tanks to smaller dispensing stations located throughout the city. Examples of these smaller dispensing stations include, but are not limited to, service centers and fire stations where fuel is dispensed directly into vehicles or equipment.

The new fuel ICUs include devices that are installed at the bulk storage tanks to monitor how much fuel is being loaded into a tanker truck. Additionally, a similar ICU will be installed on the tanker truck that will track the amount of fuel being transferred from the truck to a dispensing station. The addition of these mobile ICUs will offer EFM improved accountability and management of fuel stored in City owned tanks located throughout the city. EFM bulk fueling operations services approximately 95 different locations such as:

- Fire-Rescue stations
- Water utility plant facilities
- Sanitation landfill locations
- Park and Recreation centers
- Watershed management facilities
