David O. Brown
Chief Of Police

Background

- **July 24, 2012** - De-escalation training for patrol officers began following an Officer Involved Shooting within the Dixon Circle community. Other directives from the incident included:
 - Concurrent investigative review with the FBI Civil Rights Office
 - Mandatory carry for Taser trained officers
 - Enhanced consensual search policy requiring written and/or recorded consent
 - Creation of the Community Engagement Team
 - Implementation of a comprehensive Response to Resistance (Use of Force) reporting system
- **January 2013** - DPD began use of Blue Team reporting application for Response to Resistance data

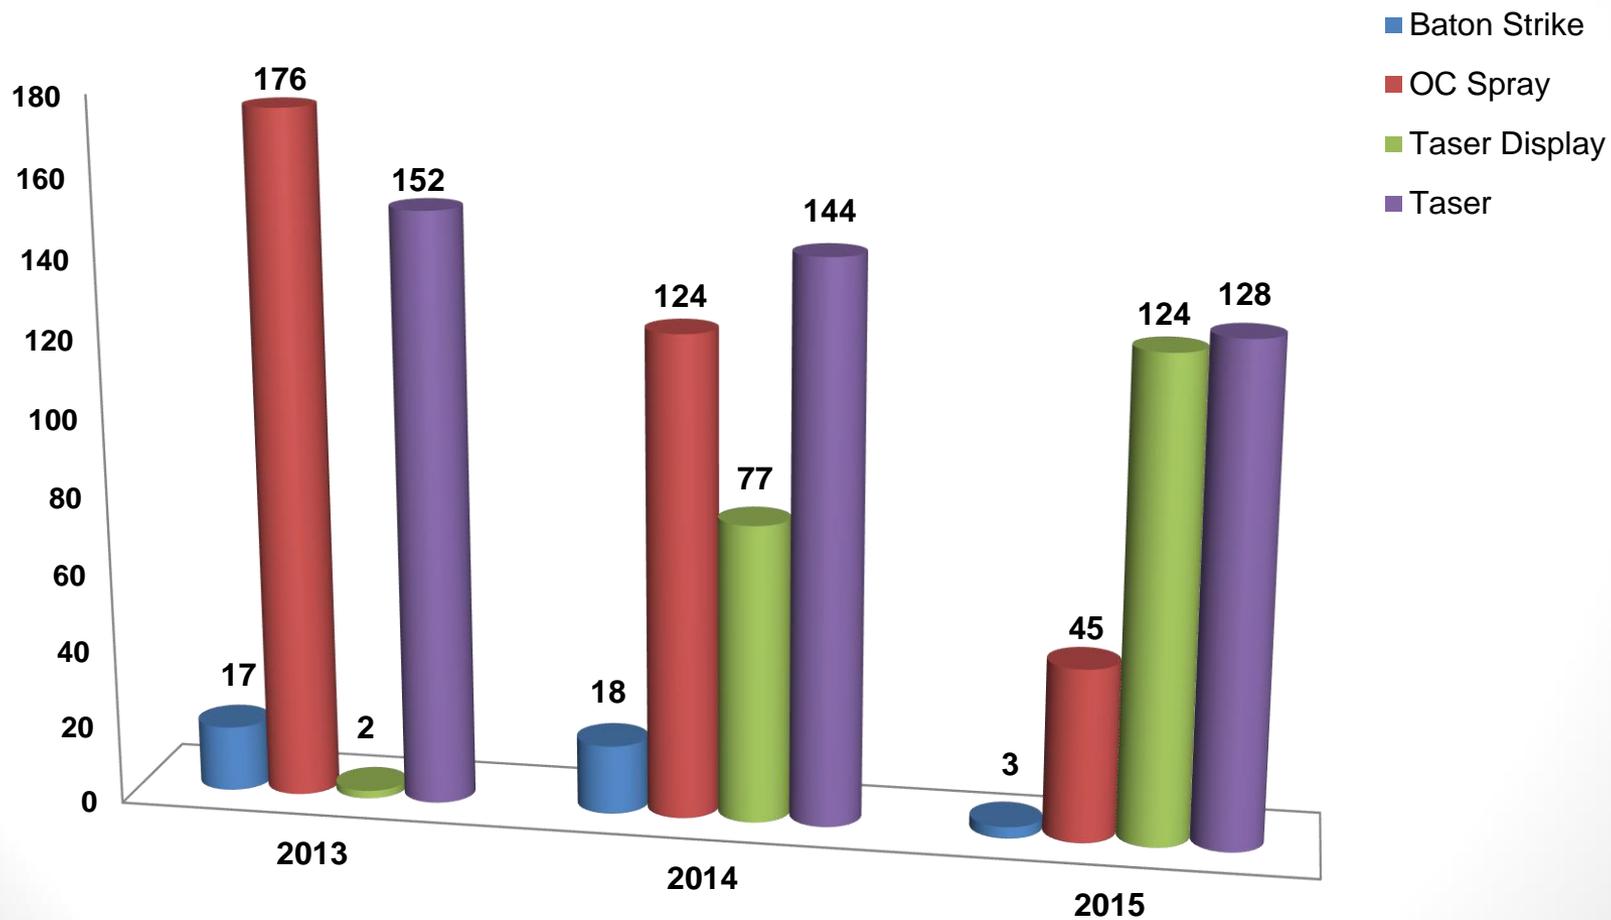

White House Open Data Initiative

- **November 2014** - DPD released 12 years of Officer Involved Shooting data online
- **December 2014** - President Obama announced creation of 21st Century Policing Task Force
 - March 2015 - task force submitted interim report with 60 recommendations
 - One recommendation placed significant emphasis on the potential of data and technology to improve policing outcomes and community trust
- **April 2015** - White House hosted a Police Open Data. DPD was recognized as a forerunner in providing innovative solutions, bringing transparency and context to the complexities of policing.
- **April 2016** - DPD released 3 years of comprehensive Response to Resistance data online

Blue Team Reporting System

Purpose of Blue Team

- Captures detailed statistical information of response to resistance incidents not included in regular offense reporting system.
- Allows front line personnel to enter information quickly into a review process.
- Allows officers to stay in field while entering required information.
- Increase transparency efforts to improve citizen's trust of officers' actions.

Blue Team Report Types

First Line Level – Police Officer

- Response to Resistance (Use of Force)
- Consent & Non-Consent Search
- Foot Pursuit

Supervisor Level – Sergeant and Above

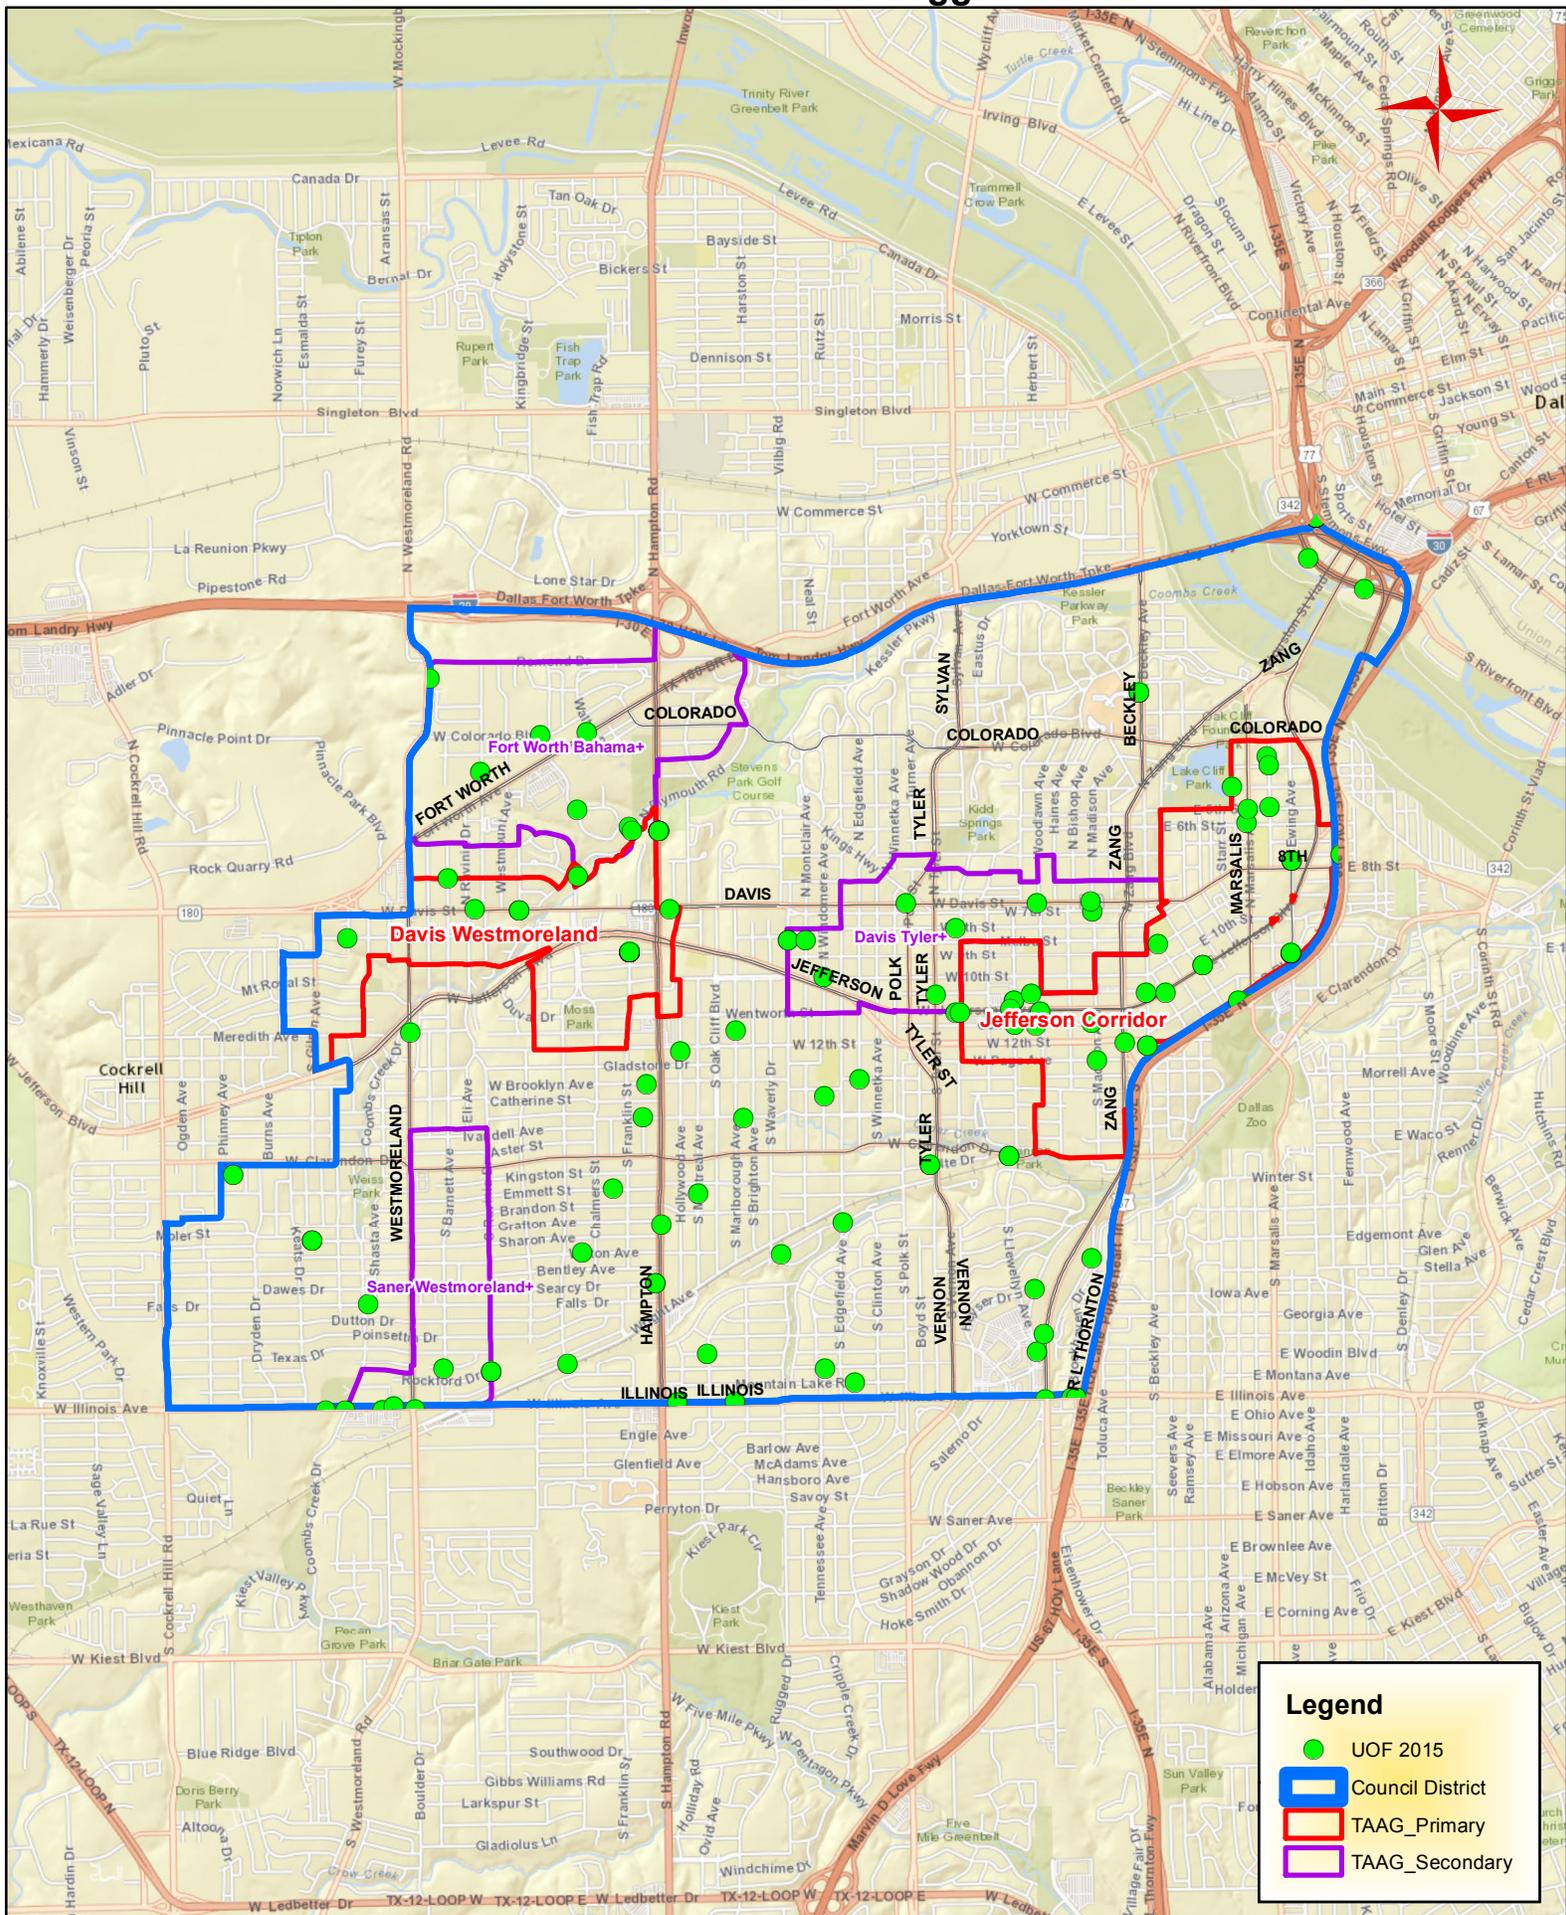

- Vehicle Pursuit
- Commendations / Summary Discipline
- Probation Failure
- Lost/Damaged City Property
- Division Referral Investigation
 - Upload Video (Body Camera / DVR)
 - Photos

Summary

- Builds trust
- Protects officers
- Protects citizens
- Improves accountability
- Reduces litigations
- Ongoing effort to merge with Records Management System (RMS) to reduce duplication of data collection

Municipal Court Update Compliance and Enforcement

Public Safety Committee

May 23, 2016

Briefing Purpose

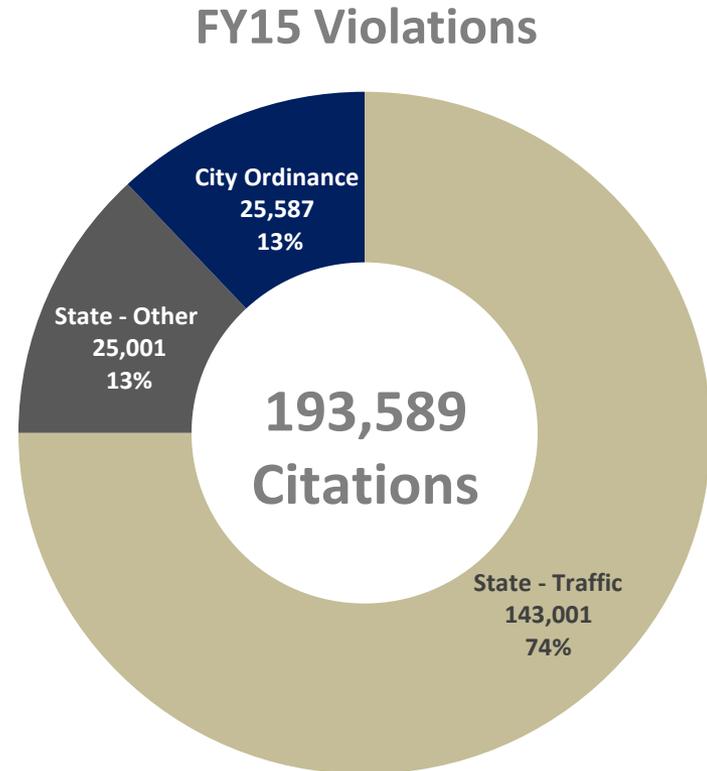

Review important measures in determining a Municipal Court's ability to drive compliance

- Municipal Court Responsibilities
- Measure #1 - Case Clearance
- Measure #2 - Dismissal Rates
- Other Enforcement Initiatives
- Future Efforts

Municipal Court Responsibilities

- Administer Class C citations and civil citations
 - Jurisdiction over 1,052 violation types
 - Receive approx. 200,000 citations annually

NOTE: Chart includes 3,132 "V" citations for Community Court

Municipal Court Responsibilities

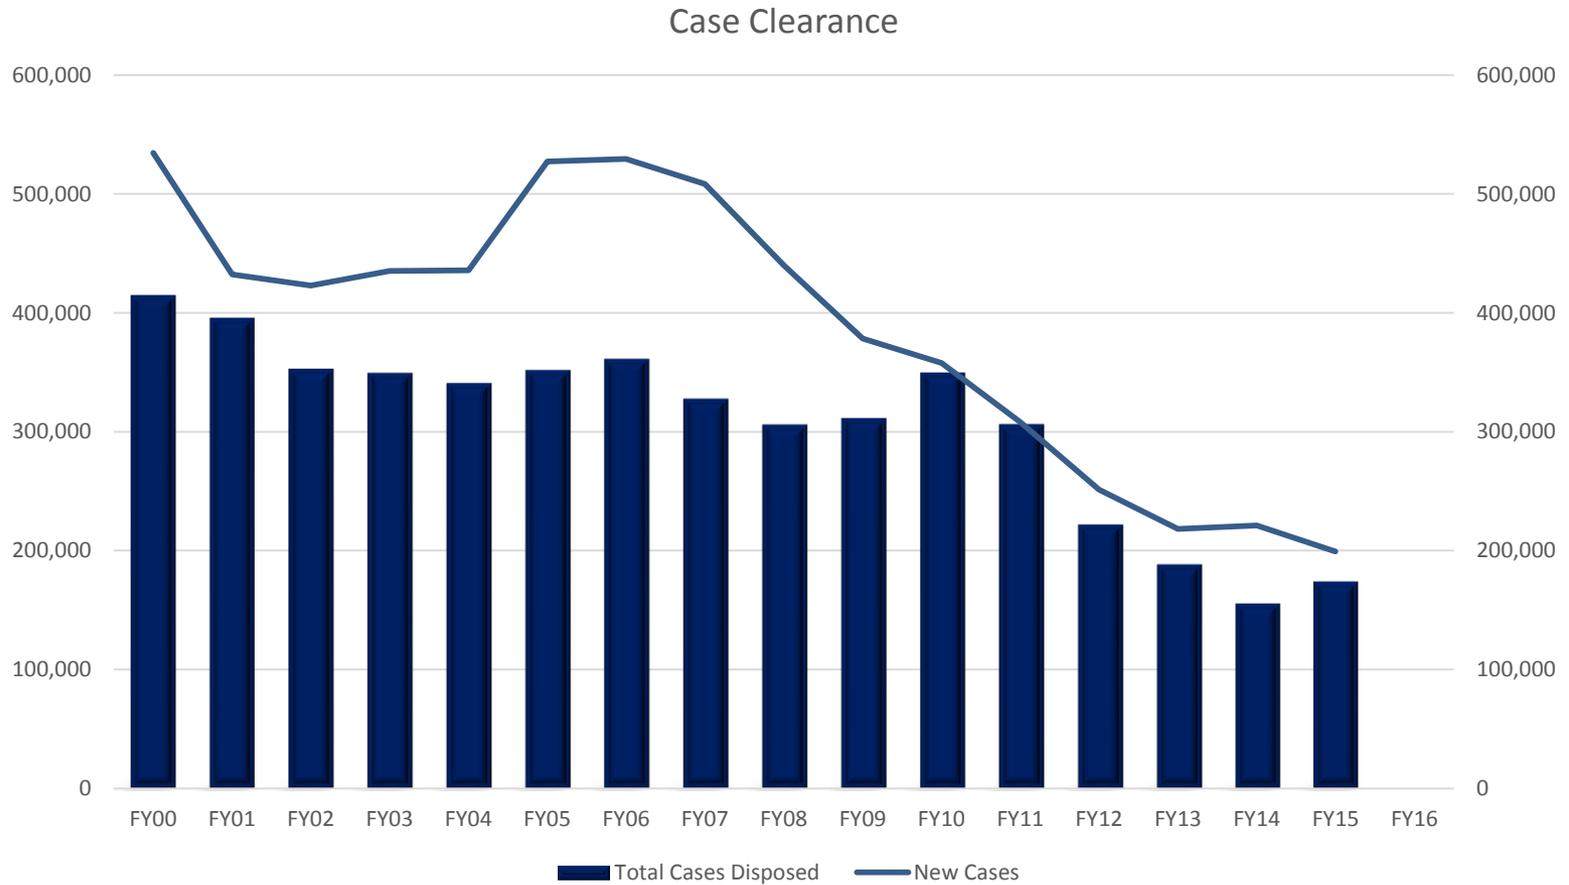

Group	Basic Functions	FTEs	Direct Report
Clerks / Marshals 	Update Cases & Records Collections & Accounting Enforce & Confirm Warrants Jail Contract Oversight	138	City Manager
Prosecutors 	Prosecute Cases & Defend Appeals Support Staff	26*	City Attorney
Judiciary / Bailiffs 	Adjudicate Cases Courtroom Security	39**	City Council

NOTES: Uses FY16 Budget numbers, *Includes 16 municipal court prosecutors and 3 office-wide support staff allocated to this unit, ** Includes 12 full-time Judges and 2.2 FTEs for Associates

Measure #1 - Case Clearance

Cases Resolved Needs to Match or Better New Cases Filed

Measure #1 - Case Clearance

Improving the Clearance Rates Through:

Reminder letters, postcards, and phone calls

Renewed Focus on Warrants

12 New Marshals

New Collections Agency Contract

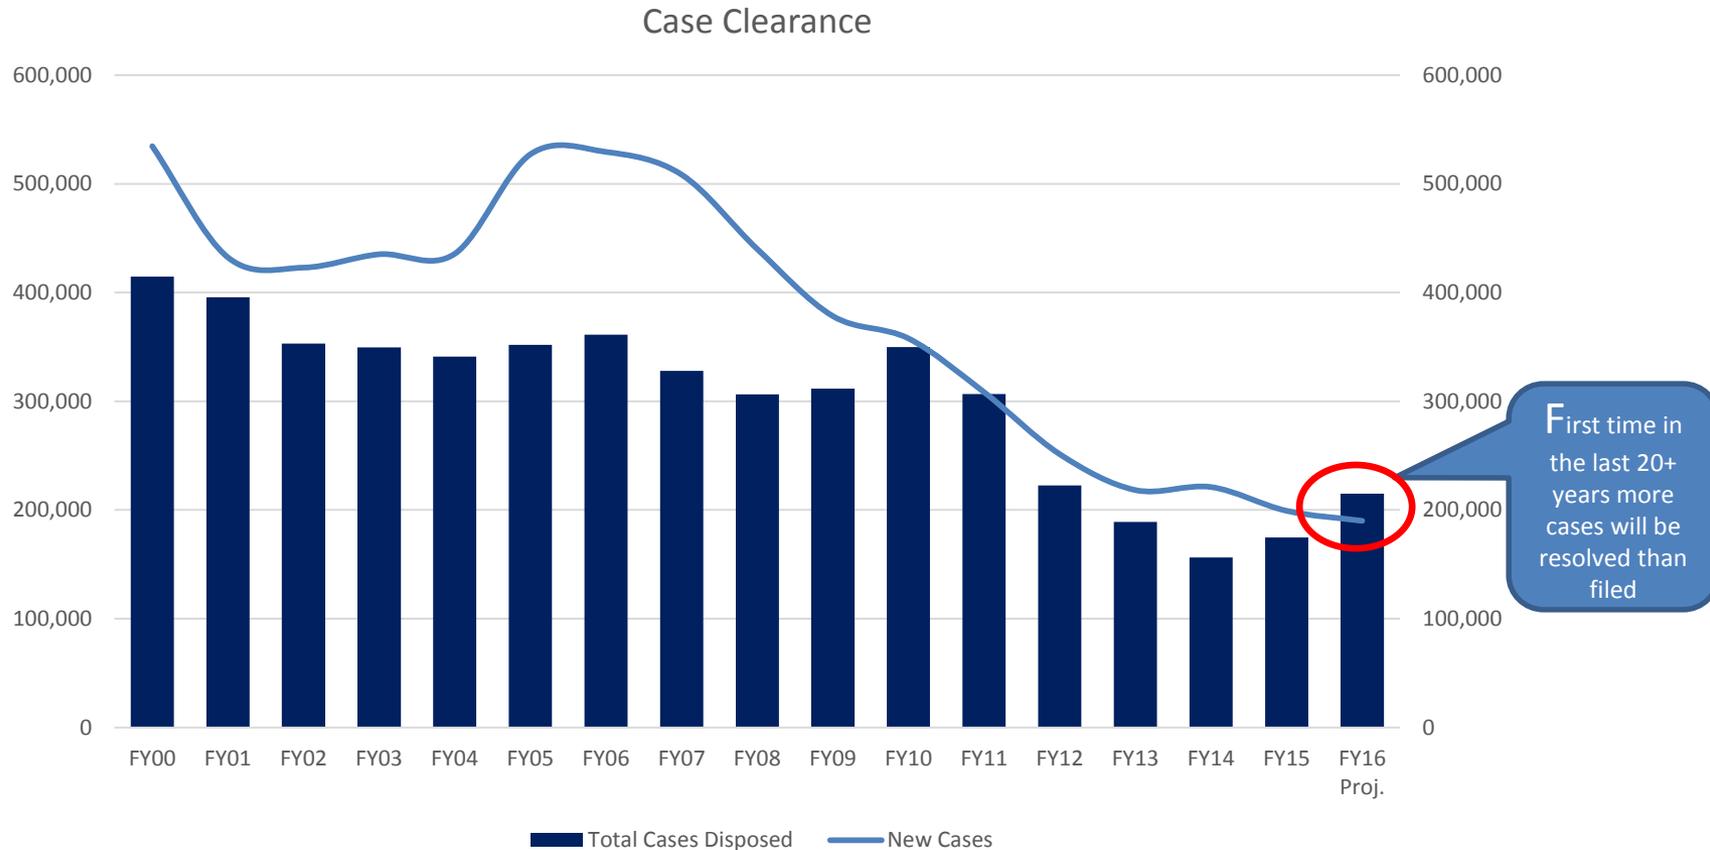

Increased Online Accessibility

Measure #1 - Case Clearance

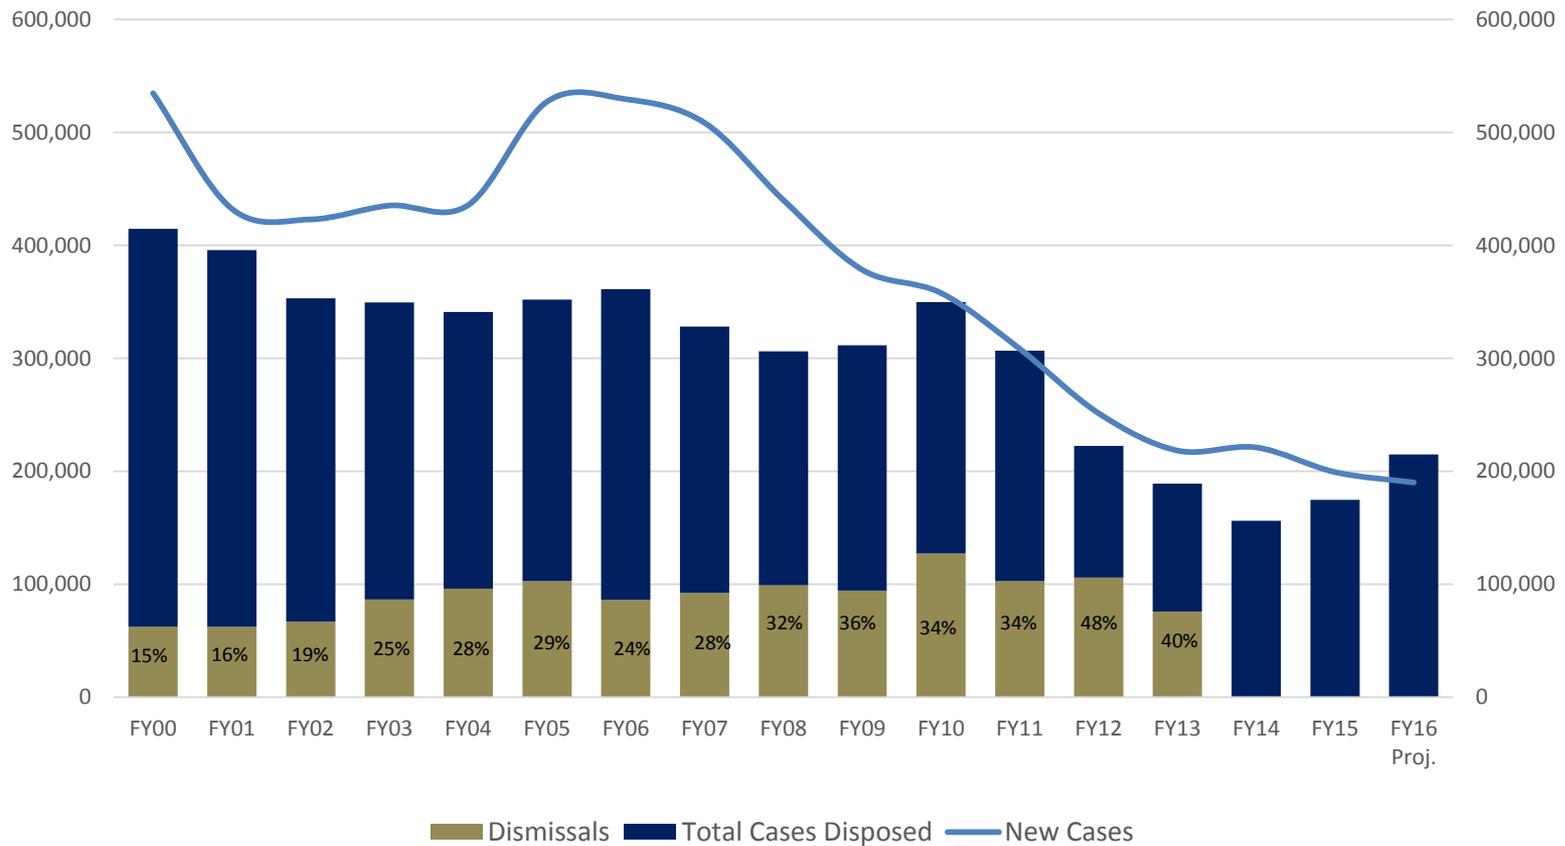

Cases Resolved Need to Match or Better New Cases Filed

Measure #2 - Lowering Dismissals

How Those Cases are Resolved Matters

Case Clearance & Dismissal Rates

Measure #2 - Lowering Dismissals

Pre-trial

E-Citation Devices

Video to Court

Lowering the Dismissal Rates:

Specialized Courtroom Dockets

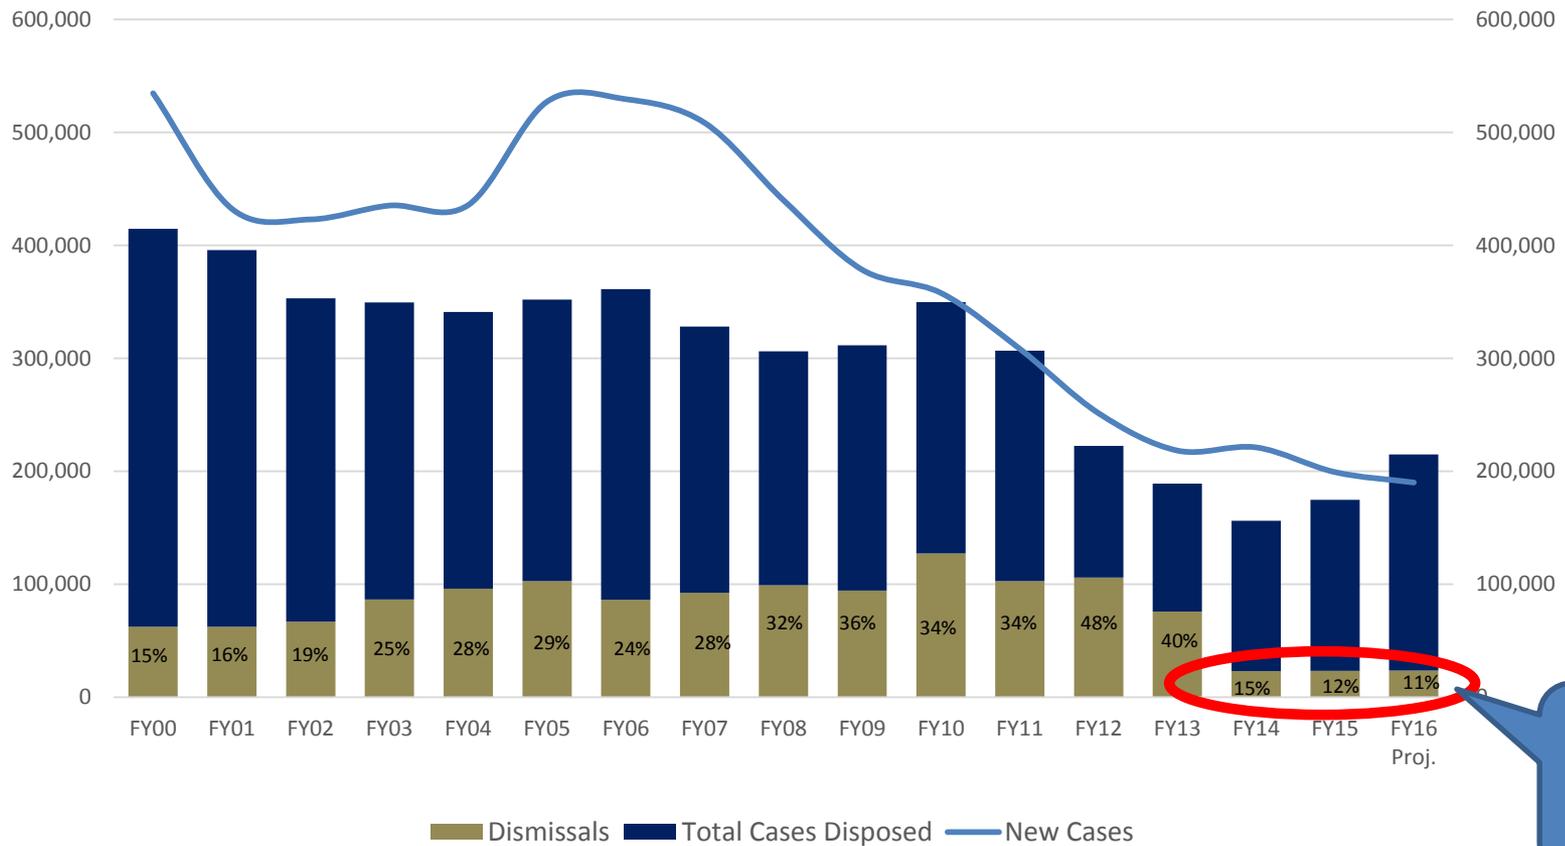

Increased Accessibility Online & In Person

Measure #2 - Lowering Dismissals

How Those Cases are Resolved Matters

Case Clearance & Dismissal Rates

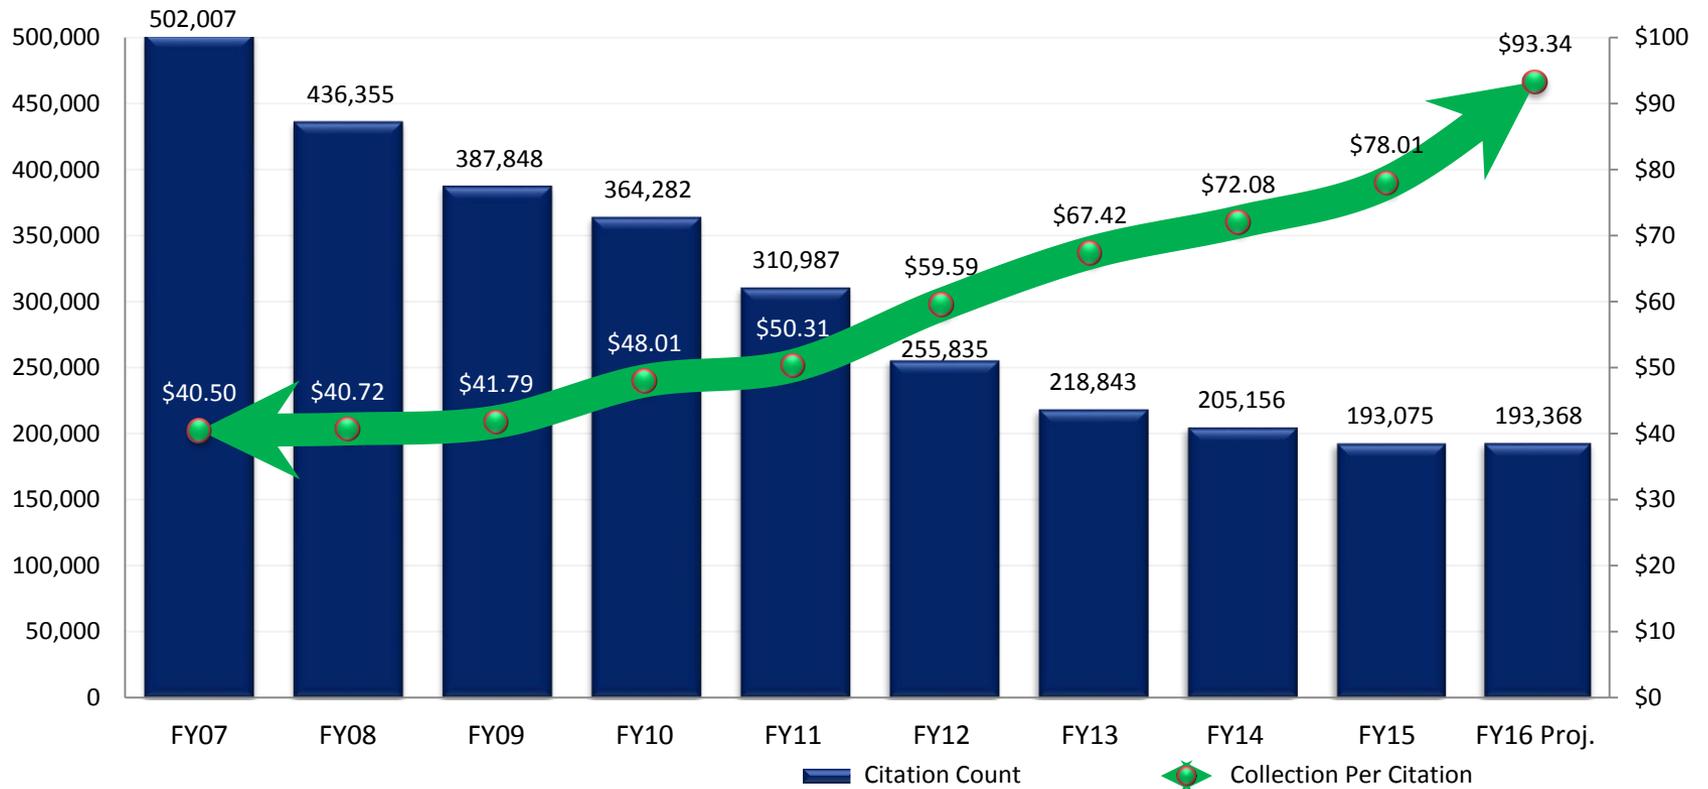

Significant
Decrease In
Dismissals

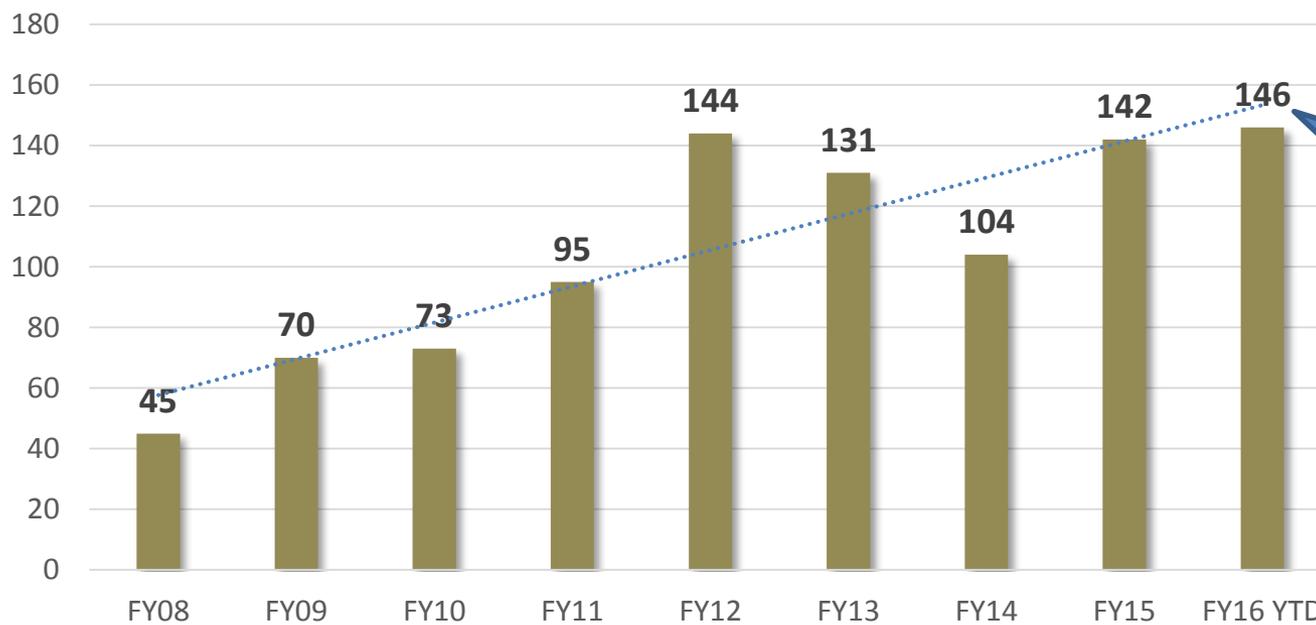

Increased Compliance

Citation Counts and Gen. Fund Collection Per Citation

Marshal's Environmental Enforcement

- Community engagement, prevention and arrest
- North Texas Crime Commission; reward program
- Use of rapid and fixed surveillance technology

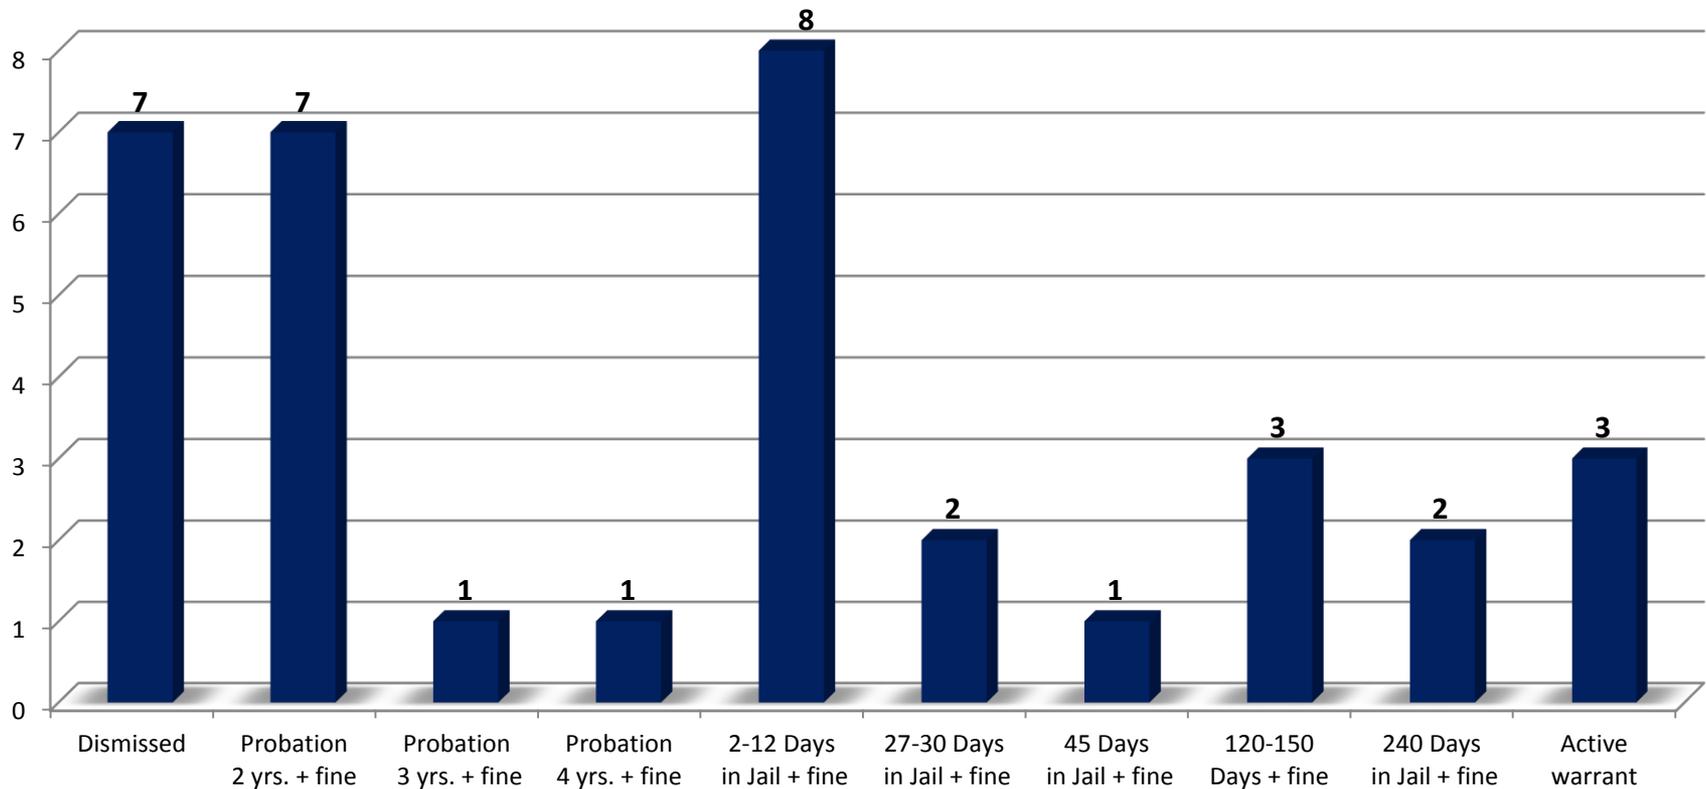

60 *Criminal
Illegal
Dumping
Cases from
Surveillance
Cameras

Marshal's Environmental Enforcement

■ Review of 135 criminal cases* from FY 14/15 to date (74% pending adjudication)

**all cases higher than a Misdemeanor "C" municipal violation*

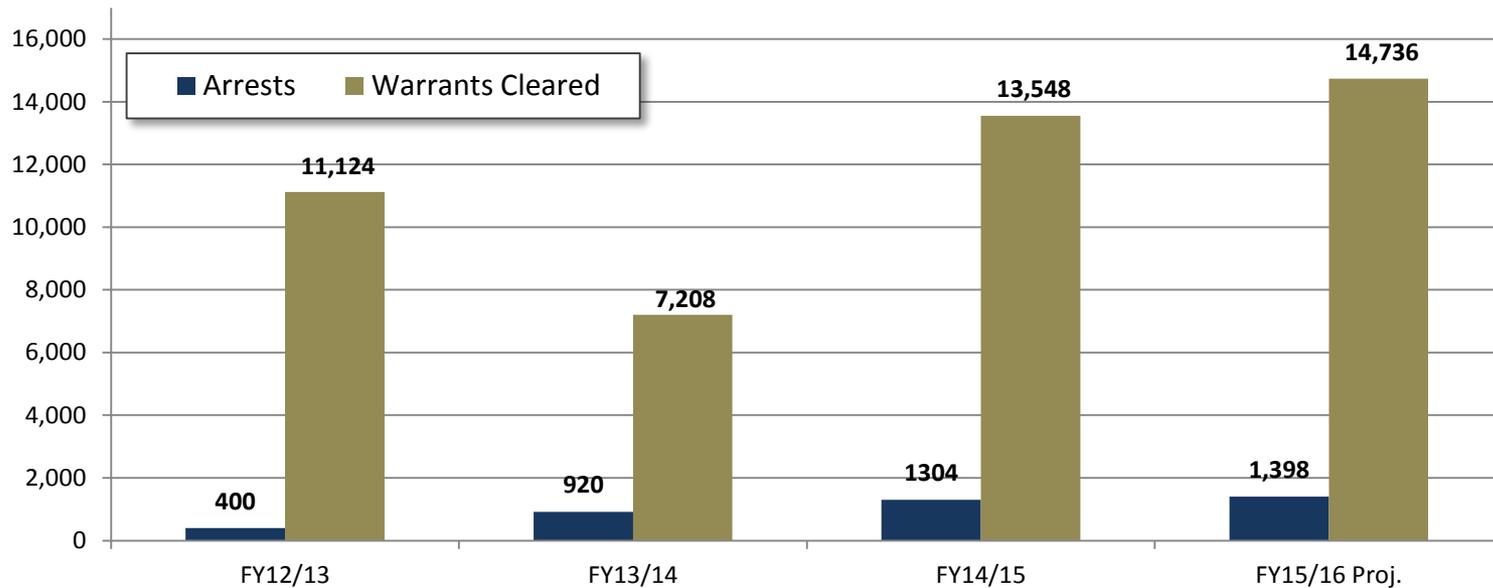

Marshal's Warrant Enforcement

■ Compliance Strategies:

- Focus on new warrants with contact details
- Phone, email and send postcard when warrant issued
- Pursue public databases and technology

Future Efforts

- **Further Expanding Online Options**
- **License Plate Readers and Cameras**
- **Indigency Process**
- **Police Liaison**

Questions?

Appendix

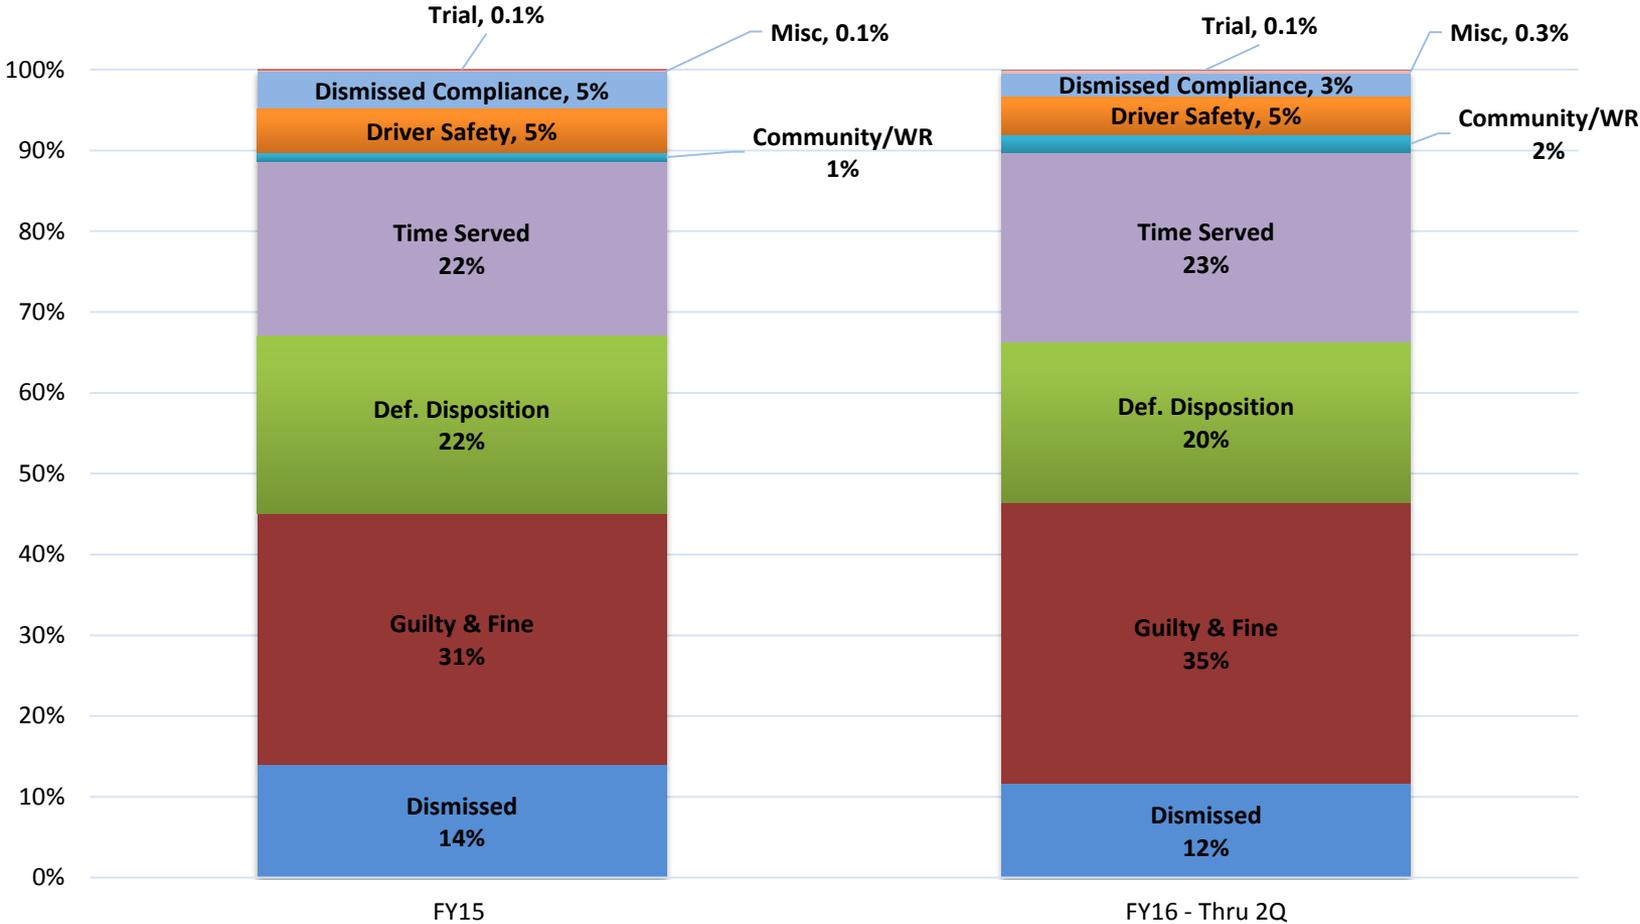

Low Sterrett Jail Contract Responsibilities

■ CTS' Oversight of the City's Jail Contract

- Original agreement signed in 1978; amended four times since then
- FY16's budget is \$7,557,391; FY17's proposed is \$7,812,862
- Brought before Council annually in September
- The City of Dallas is charged for three items
 - Prorated operational costs
 - Per prisoner intake costs *(Class C only and Class C with higher charges)*
 - Per prisoner housing costs *(Class C only)*

Total Courthouse Dispositions - Breakout

*Numbers might vary slightly from OCA data on page 10 due to the State's reporting process

Memorandum

CITY OF DALLAS

DATE: May 20, 2016

TO: Honorable Members of the Public Safety Committee:
Adam Medrano (Chair), B. Adam McGough (Vice Chair), Sandy Greyson, Tiffinni A. Young,
Jennifer S. Gates, Philip T. Kingston

SUBJECT: **Upcoming Draft Addendum Item A: Authorize (1) a five-year service contract, with a one-year renewal option, for parking services: Citations Management; Parking Management Services; Parking Meter Maintenance; Parking Meter Collections, Reconciliation, and Counting Services; Parking Lot Maintenance; Mobile Applications - Payments and Mobile Applications - Mapping - SP Plus Corporation in the amount of \$6,609,012, Xerox State and Local Solutions, Inc. in the amount of \$5,479,200, Ace Parking Management III, LLC in the amount of \$4,287,027 and ParkMe, Inc. in the amount of \$560,700, most advantageous proposers of eighteen; and (2) an increase in appropriations in the amount of \$812,607, from \$451,882,305 to \$452,694,912 in the Dallas Police Department budget**

The City seeks authorization to initiate a five-year service contract with a one-year renewal option, for parking services totaling \$16,935,939 with four (4) vendors.

These service contracts will provide for the management, operation, and maintenance of over 4,000 metered parking assets. They will also provide for ticket processing and collection services. Parking services collects approximately \$10 million in annual gross revenue. The parking program will transition from the receipt of net revenue to the receipt of gross revenue. Historically, the program received approximately \$7 million in net revenue annually.

The existing turnkey parking services contract with Xerox State and Local Solutions, Inc. expires in August 2016. This item is scheduled for the May 25, 2016 Council Addendum award to allow for sufficient time to transition vendors without interruption to revenue collections, system maintenance and customer service.

To select new vendors, a component based Parking Services RFCSP was released in August 2015. The RFCSP allowed vendors to submit proposals for all (8) components or any single component as follows:

1. Citations management includes processing citations, sending notices of violation, collecting payments, maintaining a citations database and providing support to parking enforcement and adjudication.
2. Parking management services includes providing integration support, managing a payment center at the Oak Cliff Municipal Center, providing reconciliation and monitoring of all aspects of parking services and providing best practices and performance consultation.

3. Parking meter maintenance includes preventative and routine maintenance on all of the City's single and multi-space meters.
4. Parking meter collections, reconciliation, and counting services include the collection of all monies from single and multi-space meters including coin, cash and credit card payments. The vendor will also be responsible for the counting and reconciling of all revenue including the deposit and payment to the City.
5. Parking lot maintenance includes preventative and routine maintenance for striping, litter control and landscaping.
6. Mobile applications-payments is a service to allow the payment of parking meters by mobile phone via application, interactive voice response (IVR) or website. Vendor will be responsible for the reconciliation and payment of revenue to the City.
7. Mobile applications-mapping is a service that displays the location, rates and effective hours of parking meters and lots via a mobile phone application or website. Services will also include a link to the mobile applications payment service and the City's car-share service.

The above represents seven out of eight components of the City's parking system. The eighth component, delinquent collections, will be recommended on a future Council agenda.

General performance standards and specific service level agreements (SLA's) for each component was included in the parking services contracts. These will provide a formal and comprehensive method to monitor the Parking Services contracts. Each SLA will define the expected level of service, the service level measurement, the reporting requirements and the resolution of performance issues.

An increase in appropriations is necessary for payment of vendor services thru the remainder of the fiscal year. In the past, the contractor deducted vendor payment from gross revenues.

The Dallas Police Department is seeking the support and recommendation from the Public Safety Committee to authorize this five-year service contract for parking services. The item will be placed on the May 25, 2016, City Council Addendum.

Jennifer S. Gates, Philip T. Kingston

SUBJECT: **Upcoming Draft Agenda Item B: Authorize a three-year master agreement for caps and hats for Police – C & G Police Supply**

Upon completion of a formal request for the bid process, the City seeks authorization to initiate a three-year master agreement for caps and hats totaling \$167,686. This action does not encumber funds; the purpose of a master agreement is to establish firm pricing for goods, for a specific term, which are ordered on an as needed basis.

This master agreement will provide caps and hats for the Dallas Police Department (DPD). The police cap is a standard deluxe military style cap that is a part of the sworn officer's uniform for formal occasions, funerals and graduation ceremonies. The baseball caps are worn by the bike patrol, helicopter, firearms training, SWAT, and tactical units of DPD. Campaign hats are worn by the Dallas Police Mounted Unit when patrolling areas that are not accessible by vehicles.

The Dallas Police Department is seeking the support and recommendation from the Public Safety Committee to authorize this master agreement for police caps and hats. The item will be placed on the June 15, 2016, City Council Agenda.

Jennifer S. Gates, Philip T. Kingston

SUBJECT: **Upcoming Draft Agenda Item C: Authorize a purchase of 40mm launchers for Police (DPD) – GT Distributors, Inc, Buy Board agreement #432-13**

The City seeks authorization to initiate a one year master agreement for three hundred Deftec LMT 40mm single launchers totaling \$235,992.

This purchase will provide 40mm launchers for the Dallas Police Department (DPD). The department has approximately 3,500 sworn officers. The 40mm launchers will provide officers another less than lethal piece of equipment that has a longer range of use to de-escalate a situation in the field. They will be checked out by patrol officers and task force officers that are in the field on a daily basis. These are the officers that are in the field patrolling daily and can be the quickest to respond to a needed situation. The launchers will be used on non-compliant persons wielding blunt force or edged weapons at a greater distance, which will give the officer more time to talk to the person or de-escalate without use of lethal force.

The Dallas Police Department is seeking the support and recommendation from the Public Safety Committee to authorize this master agreement for police 40mm launchers. The item will be placed on the June 15, 2016, City Council Agenda.
