

Good Evening,

I hope you and yours are safe and well. My office has received several phone calls and emails today regarding the amended Shelter-in-Place regulations. Our office has been sharing these with our city attorneys who are working as quickly as possible to get your a response. Please reach out if we can help in any way.

New Dallas County Amended Emergency Orders & Updates

The entire amended Shelter-in-Place order may be found [here](#) and updated [FAQs](#). The following [chart](#) and [data](#) was used to explain this decision.

The City Attorney sent over a document today that outlines the amended emergency order in more details. It should help answer some of the questions we have been receiving as to what is and is not an essential business or activity. You may access it [here](#).

For a better understanding of the reasoning behind such drastic measures, please visit this [website](#).

New Drive-Thru Testing Sites & Updated Testing Criteria

The American Airlines Center and Ellis Davis Field House at 9191 S. Polk St are both open daily from 8 a.m. to 8 p.m.

Criteria for testing sites is as followed. You must have an ID card:

- Shortness of breath
- Cough
- Must show a temperature of 99.6 or higher

Anyone who does not meet the criteria above will not be tested at the testing sites and should contact their healthcare provider. If you believe you may have the virus, but you feel well enough to isolate at home, please do so. There simply are not enough tests to go around, and the CDC guidelines still prioritize high risk patients, medical workers, and first responders.

Medical Supply Donations Needed

If you have any of the following available to donate, please do so to your local medical facility:

- N95 masks and filters
- P100s, PAPRs, PAPR supplies and parts
- Protective suits (such as DuPont Tyvek body suits)
- Procedural and surgical masks
- Goggles, face shields, splash shields
- Gloves
- Gowns
- Hand sanitizer
- Disinfecting wipes

ATTENTION LOCAL CLOTHING MANUFACTURERS:

Per Judge Clay Jenkins' press conference last night, the City/County are calling for clothing manufacturers who are able to produce PPE, such as gloves and protective masks. If you are or know of a manufacturer who can assist, contact: askprocurement@dallascityhall.com. Put COVID-19 in the subject.

A Bright Spot

I want to take a moment to highlight more good news! In addition to the approximately \$15,000 raised for the Vickery Meadow Food Pantry we've had a donor reach out who is going to match your contributions. I continue to be blown away and so grateful for your generosity at this time of uncertainty and great need for so many. If you are still interested in giving, donate directly to this food pantry through the [Vickery Meadow Youth Foundation website](#). Select "Donate" and under "Additional Information" select "Coronavirus Response." 100% of donations to this category will go directly to the food pantry.

Updated Restaurant List

I encourage you to support your local businesses. The Mayor & City Council office has started a new initiative called Take-Out Tuesday. Please use this [link](#) to access an evolving list of restaurants in D13 and across the City who are open for take-out and delivery. Please note there are two tabs - one just for D13 restaurants and one for restaurants across the City who have contacted our office (if you emailed us and don't see your restaurant, I promise we are working on it! It should be updated tonight). If we are missing a restaurant, please let us know! We would like to include as many businesses as possible.
