AUTOMATED RED LIGHT COMMISSION MISSION STATEMENT

To ensure citizens of Dallas are fairly represented in the placement of all automated red light cameras; to assure that all measures have been taken to save lives by reducing accidents through state-of-the-art photo enforcement; and to change driver's behavior through education and public awareness.

GUIDING PRINCIPLES

The Automated Red Light Commission (ARLC) was established by Council on February 27, 2008, in accordance with Dallas Code, Chapter 28 and Senate Bill 1119. The Commission shall act as an advisory body to the City Manager and the City Council and shall:

**SEC. 28-218. AUTOMATED RED LIGHT ENFORCEMENT
COMMISSION CREATED.**

(a) There is hereby created the automated red light enforcement commission of the city, which shall be an advisory body of 15 members. Each city council member shall appoint one member to the commission. The mayor shall appoint the chair, and the full city council shall appoint the vice-chair.

(b) All members will be appointed for an initial term to expire on September 30, 2009. Subsequent appointments will be made in September of each odd-numbered year for a two-year term beginning on October 1. All members shall serve until their successors are appointed and qualified.

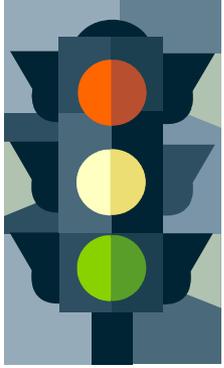

(c) The traffic engineer of the city or a designated representative shall serve as an ex officio, nonvoting member of the commission. (Ord. 27102)
