* Employees must be in this step for 15 months before moving to next step

Although pay steps for uniformed staff generally occur in one-year increments, if officers are not given a step pay increase in any fiscal year for budgetary reasons, when step pay increases are resumed in a subsequent fiscal year, it is expected that officers' pay will only increase one step. Officers should not expect a double-step in order to make up for step increases not previously given for budgetary reasons in any fiscal year.
