City of Dallas Presents White Rock Lighting Master Plan

Community Invited To Attend Public Meeting Thursday, June 11

(DALLAS) - Dallas residents can learn about the City of Dallas' plan for incorporating electric lighting at White Rock Lake during a public meeting from 5:30 to 8 p.m. Thursday, June 11.

Dallas Park and Recreation Department officials will present the White Rock Lake Lighting Master Plan at Winfrey Point at White Rock Lake, 950 E. Lawther Dr. The meeting is open to the public.

The plan details the use of appropriate lighting of various areas and facilities at the lake and addresses the visual needs of park users, the lake's natural environment, and applicable city ordinances. The plan is available for viewing online at <http://www.dallasparks.org/Downloads/WRLPMasterPlan.pdf>.

Park department officials said the plan's intent is to serve the visual needs of park visitors while preserving the darkness of the night sky over the lake.

For more information, the public can contact the Dallas Park and Recreation Department at (214) 670-4107.
