**Independent Auditor's Report on Applying Agreed-Upon Procedures**

*Sole Source Procurement:  
Electronic Control Weapons*

We have performed the procedures described in Attachment I, which were agreed to by the Department of Business Development and Procurement Services (BDPS), solely to assist the Dallas City Council and City of Dallas (City) management in evaluating BDPS's compliance with the following objectives:

- The objective of the Agreed-Upon Procedures for Sole Source is to ensure that these procurements meet the exemptions from competitive bidding as specified in the State of Texas Local Government Code (TLGC) Chapter 252.022 **General Exemptions** (a) (7) – *a procurement of items that are available from only one source.*

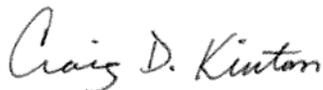

No exceptions were noted as a result of applying the Agreed-Upon Procedures as shown in Attachment I.

The BDPS is responsible for the establishment of the policies and procedures and for compliance with those requirements. The BDPS is also responsible for ensuring compliance with the Administrative Directive (AD) 4-5: *Contracting Policy* and TLGC requirements.

These agreed-upon procedures were conducted in accordance with United States generally accepted government auditing standards, which incorporate attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

We were not engaged to and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the Dallas City Council and City management and it is not intended to be and should not be used by anyone other than this specified party; however, the report is a matter of public record and its distribution is not limited.
