

Subject: Pinnacle Airlines Corp.
Responsible Official Designation

Pinnacle Airlines Corp. has authorized its Regional Directors and Station Managers to take such action and to execute and deliver such agreements, documents, or other instruments, in connection with or related to, reports and applications to government departments and agencies, required under any federal, state, or local statute, ordinance or regulation.

Consistent with this authority, I hereby delegate to the responsible Regional Director or Station Manager at each Pinnacle, Mesaba, and/or Colgan Air site in the United States, the responsibility to sign and submit, on behalf of Pinnacle Airlines Corp. all permit applications and compliance certification statements regarding air emissions, wastewater discharges, stormwater discharges, and waste disposal issues from the site for which he or she has responsibility. This delegation is limited to those applications, statements, and programs required by enforceable environmental regulations, which must be signed or certified by a Company officer or duly authorized representative of a Company officer. Accordingly, Regional Directors and Station Managers are responsible for ensuring that proper inquiry is made as to the accuracy of any regulatory submittals made on behalf of the corporation.

The effective date of this delegation is August 15, 2011, and is effective until revoked by the delegating corporate authority.

Any questions regarding this designation may be directed to me at 901-346-6145 or e-mail at Bthunt@pncl.com.

Sincerely,

Brian T. Hunt,
Vice President, Chief Compliance Officer,
General Counsel, and Corporate Secretary
