

REEVES STREET, LLC
LOVE FIELD HANFAR FACILITY
2750 BURBANK STREET

Activity Summary

The Reeves Street, LLC facility site comprises of a 27,000 square foot aircraft storage hangar with 14,000 square feet of office space on 4 acres of land leased from the City of Dallas. Hangar space is sub-leased to several tenants for their aircraft storage.

While there is no storage of fuel or hazardous material on the property, we do fuel our aircraft from a 5000 gallon fuel tanker truck that is delivered to our ramp and returned to an off site storage facility when fueling has been completed.

No aircraft de-icing is performed at the facility.
