

Community Weekly Update for December 28, 2013- January 3, 2014

### A Love Note from Me to You...

Dear Neighbors,

Please mark your calendars now for the upcoming LFEAC meeting on January 9, 2014 at 6pm. The meeting will be held at Dallas Love Field in the Administration building located at 7610 Aviation Place Dallas, Texas 75235. We will meet in Conference Room B.

The Dallas Mavericks will have one home game this week on Friday January 3rd. The Dallas Stars will have three home games this week on Sunday December 29th, Tuesday December 31st and Thursday January 2nd. Please be advised that there could be an increase in general aviation traffic due to these games.

In an effort to serve you better, Dallas Love Field has opened a new Airport Communication Center (ACC) for your use. The ACC is currently staffed from 5am to 11pm to answer and direct your airport related concerns. Between the hours of 11pm and 5am, all calls will be transferred to the Airport Operations Communication Center. As many of you know, in addition to submitting noise concerns online or directly to me, we also have a noise hotline number. The current noise hotline number will eventually be replaced with the ACC number, 214-670-LOVE (5683) so please spread the information to your neighbors and friends!

We are excited about the progress and changes that are taking place here at Dallas Love Field and we want you to be excited as well! If you are interested in some area that we are currently monitoring for our quarterly meetings of the LFEAC or if you have some particular interest in a time frame to be monitored, please let me know and I will try to accommodate that suggestion.

-Ms. Courtenay Shorter
