The meeting involved a comprehensive discussion regarding the structuring and allocation of bond funds for various housing, economic development, and homelessness solutions initiatives. All three directors answered questions regarding the Housing Department's joint proposition proposal and discussed possible language for inclusion in the combined or separate propositions.

The meeting concluded at 7:26 p.m., with Chair Shidid scheduling an additional meeting of the Economic Development, Housing & Homeless Solutions Subcommittee for Tuesday, August 29, 2023.
