## I. Purpose

The purpose of the City of Dallas Citizen Participation Plan is to inform the public of the proposed ways in which persons may participate in determining how specific future grant funds to the City of Dallas from the U.S. Department of Housing and Urban Development (HUD) will be used. The funds include the Community Development Block Grant (CDBG), HOME Investment Partnerships Program (HOME), Emergency Solutions Grant (ESG), and Housing Opportunities for Persons with AIDS Program (HOPWA).

## II. Citizen Participation Goal

It is the basic goal of the City of Dallas to continue its good faith efforts to provide reasonable citizen participation opportunities in a manner consistent with local requirements and federal government regulations.

More specifically, it is the goal of the City of Dallas to provide for and encourage:

- A. All citizens to participate in the development of the AFH, any revisions to the AFH, the Consolidated Plan including a five-year strategic plan and a one-year budget (Action Plan), amendments to the adopted Consolidated Plan, and the program performance report;

- C. Participation by minorities and non-English speaking persons, and persons with disabilities;
- D. Participation of local and regional institutions, Continuums of Care, and other organizations (including businesses, developers, nonprofit organizations, philanthropic organizations, and community-based and faith-based organizations) in the process of developing and implementing the AFH and the Consolidated Plan;
- E. In conjunction with consultation with public housing authorities, the participation of residents of public and assisted housing developments (including any resident advisory boards, resident councils, and resident management corporations) in the process of developing and implementing the AFH and the Consolidated Plan, along with other low-income residents of target revitalization areas in which the developments are located;
- F. Efforts to provide information to public housing authorities about the AFH, AFFH strategy and Consolidated Plan activities related to the agency's developments and surrounding communities available at the annual public hearing required for the public housing authority's plan;

- G. Alternate public involvement techniques and quantitative ways to measure efforts that encourage citizen participation in a shared vision for change in communities and neighborhoods, and the review of program performance; e.g., use of focus groups and the Internet.

### IV. **Process for Developing AFH and the Consolidated Plan**

#### A. Roles

1. At or as soon as feasible after the start of the citizen participation process, the City will make the HUD-provided data (and any other supplemental information) that is planned to be incorporated into the AFH, available to its residents, public agencies, and other interested parties. Access to the HUD-provided data may include cross-referencing to data on HUD's website.
2. Role of the Community Development Commission (CDC) (or its successor). The duties of the City Council-appointed advisory board will include review and

recommendations for the HOME, HOPWA, and ESG Programs in a similar manner to CDBG. The CDC in consultation with the staff will establish numbers, dates, times, subjects and locations for a series of public hearings. The public hearings will be held to solicit citizen comments and suggestions on the priority needs of low and moderate-income persons and proposed uses of Consolidated Plan funds.

## B. Public Hearings

### 1. Number and Type of Hearings:

Before the City adopts the AFH and Consolidated Plan, at least six (6) public hearings will be held to afford reasonable opportunity to examine each document's content, receive citizen input on community development needs and strategies for meeting those needs and to respond to proposals and questions. Public notice will be given to citizens of each hearing, with sufficient information published about the subject of the hearing to permit informed comment. Advance notice of the hearings will be published in the Dallas Morning News two weeks prior to the hearings, when the specified dates, times, subjects and locations are determined. The hearings will be held at a minimum of two different stages of the program year, at the beginning during the development phase and at the end prior to submission of the performance report to HUD. Together, the hearings will address housing and community development needs, development of proposed activities, proposed strategies and actions for affirmatively furthering fair housing consistent with the AFH, and review of program performance. To obtain the views of citizens on housing and community development needs, including priority non-housing community development needs and affirmatively furthering fair housing, at least one of these hearings will be held before the proposed Consolidated Plan is published for comment. To obtain the views of the community on AFH-related data and affirmatively furthering fair housing in the City's housing and community development programs, at least one (1) public hearing will be held before the proposed AFH is published for comment.

A minimum of six (6) neighborhood public hearings will be held. A minimum of five (5) public hearings will be held throughout the City of Dallas (to include one meeting at City Hall and one in each quadrant of the city) to receive comments from citizens, public and private non-profit and for-profit agencies on all aspects of the Consolidated Plan. One (1) public hearing will be held in the Dallas Metropolitan Area; within the City of Dallas outside of Dallas County where HOPWA funds are allocated. The focus on these hearings will be specifically tailored to the housing supportive services for persons with HIV/AIDS and their families.

The City Council, as a whole or in committee, will hold at least one (1) public hearing to receive comments from the public on the Proposed AFH and Consolidated Plan.

Additional meetings may be held if deemed necessary.

2. Locations of Public Hearings:

Utilizing information such as census data, availability of facilities for meetings, prior year meeting attendance records, and other known group gathering venues, the CDC, City Council and City staff will make efforts to select sites that are located throughout the city, including CDBG eligible areas and at times that will be convenient to potential and actual beneficiaries, residents, public agencies and other interested parties, with accommodations for persons with disabilities. Outreach efforts will also be made to involve lower income areas where residents have not participated previously in the AFH and Consolidated Plan planning process. At public hearings where a significant number of non-English speaking residents can be reasonably expected to participate, a good faith effort will be made to provide interpreters.

3. Public Hearing format:

The basic public hearing format will be determined through discussions with the City Council, CDC and staff. The

4. Information provided at the hearings:

Before adopting of the Consolidated Plan, information to be provided at these hearings to receive input from citizens, public agencies and other interested parties on community development needs will include a review of the current year budget, the amount of funds estimated to be available for the upcoming year; including grant funds and program income and other information such as the range of activities that may be undertaken, including the estimated amount that will benefit persons of low and moderate income.

Residents attending these hearings will be provided with forms that may be used to record written comments.

C. Strategic Plan and Budget Development

1. Develop a Preliminary Consolidated Plan based on available needs Assessments.
2. The Preliminary Consolidated Plan will be presented to the CDC.

The summary will describe the contents and purpose of the AFH and Consolidated Plan and list the locations where copies of the entire proposed AFH and Consolidated Plan might be examined. A 30-day period will be provided for citizen's review and

- comments. The City will provide a reasonable number of free copies of the plan to citizens and groups that request it.
6. A public hearing will be held to receive comments on the proposed AFH and Consolidated Plan.

**C. Amendments to the Approved AFH and Citizen Participation Plan**

A 30-day comment period will be provided during the course of a program year if amendments are to be made which would represent a substantial change to the Citizen Participation Plan after it is adopted by the City Council. However, in response to the coronavirus pandemic, the Coronavirus Aid, Relief and Economic Security Act (CARES Act) signed on March 27, 2020 the Dallas City Council authorized a reduction of public review and comment period for Consolidated Plan Amendments from no less 30 days to no less than 5 days and to allow for a virtual public hearing option as a reasonable opportunity for citizen participation and comment period, on April 22, 2020 in accordance with established HUD guidelines. The waiver is available through September 30, 2021.

4. In response to the coronavirus pandemic, the President signed the Coronavirus Aid, Relief and Economic Security Act (CARES Act) into law on March 27, 2020. The CARES Act includes additional HUD funds to prevent, prepare for, and respond to the spread of COVID-19 and to facilitate immediate assistance to eligible communities and households economically impacted by COVID-19. To expedite grantees' use of CARES Act funds, and to recognize the efforts to contain COVID-19 in limiting public gatherings, such as those often used to obtain citizen participation, HUD has waived regulations referenced below to allow grantees to determine what constitutes reasonable notice and opportunity to comment given their circumstances, such as;

**CITY OF DALLAS**  
**ANTI-DISPLACEMENT AND RELOCATION PLAN**

The City of Dallas seeks to minimize, to the greatest extent feasible, the displacement, whether permanently or temporarily, of persons from their homes and /or business as a result of HUD funded activities involving single- or multi-family rehabilitation, acquisition, commercial rehabilitation, demolition, economic development, or capital improvement. However, if displacement occurs, the City will provide for temporary or permanent relocation of persons resulting from public and private acquisition intended for public use and voluntary rehabilitation of private property with funds from CDBG, HOME, or any other HUD funded assistance program.

A Residential Anti-displacement and Relocation Assistance Plan has been prepared by the City in accordance with the Housing and Community Development Act of 1974, as amended; and HUD regulations at 24 CFR 42.325 and is applicable to CDBG and/or HOME-assisted projects.

**MINIMIZING DISPLACEMENT**

Consistent with the goals and objectives of activities assisted under the Act, the City will take the following steps to minimize the direct and indirect displacement of persons from their homes:

- When considering the allocation of HOME and/or CDBG funds, the City will discourage projects that are likely to result in a large numbers of displacements, unless the rehabilitation of a rental development is in support of a City priority;
- Coordinate code enforcement efforts with rehabilitation and housing assistance programs, if possible;
- Encourage staged rehabilitation of apartment units to allow tenants to remain in the building/complex during and after the rehabilitation, working with the empty units first, if appropriate and economically feasible; and
- Meet all HUD notification requirements so that affected persons do not move because they have not been informed about project plans and their rights.

**RELOCATION ASSISTANCE TO RESIDENTIAL TENANTS DISPLACED**

The City will offer relocation assistance, in accordance with the requirements of 24 CFR (a.k.a. "Section 104[d]"), for lower-income tenants who, in connection with an activity assisted under the CDBG and/or HOME programs, move permanently or move personal property from real property as a direct result of the demolition of any dwelling unit or the conversion of a lower-income dwelling unit. The City will ensure that these tenants have the opportunity to choose whether to receive assistance under Section 104(d) or assistance under the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA), as amended.

A displaced person who is not a low- or moderate-income tenant, will be provided relocation assistance in accordance with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, and implementing regulations at HUD 49 CFR Part 24.

### **ONE-FOR-ONE REPLACEMENT OF DWELLING UNITS**

The City of Dallas will replace all occupied and habitable vacant low- and moderate-income housing units, demolished or converted to a use other than low- and moderate-income housing, in connection with a project assisted with CDBG and/or HOME funds in accordance with HUD 24 CFR 42.375.

Before entering into a contract committing the City to use CDBG and/or HOME funds on a project that will directly result in demolition or conversion of low- and moderate-income housing units, the City will make public and submit to HUD a One-for-One Replacement Plan that contains the following information:

- A description of the proposed assisted activity;
- The general location on a map and approximate number of dwelling units by size (number of bedrooms) that will be demolished or converted to a use other than as low and moderate-income units;
- A time schedule for the commencement and completion of the demolition or conversion;
- The general location on a map and approximate number of dwelling units by size (number of bedrooms) that will be provided as replacement units;
- The source of funding and a schedule for the provision of replacement dwelling units;
- The basis for concluding that each replacement dwelling unit will remain a low- and moderate-income unit for at least 10 years from the date of initial occupancy; and
- Information demonstrating that any proposed replacement of lower-income dwelling units with smaller dwelling units (e.g., a 2-bedroom unit with two 1-bedroom units), or any proposed replacement of efficiency or single-room occupancy (SRO) units with units of a different size, is appropriate and consistent with the housing needs and priorities identified in the HUD-approved Con Plan and 24 CFR 42.375(b).

To the extent that the specific location of the replacement housing and other data are not available at the time of the submission, the City will identify the general location of such housing on a map and complete the disclosure and submission requirements as soon as the specific data are available.

### **REPLACEMENT NOT REQUIRED BASED ON UNIT AVAILABILITY**

Under HUD 24 CFR 42.375(d), the City of Dallas may submit a request to HUD for a determination that the one-for-one replacement requirement does not apply based on objective data that there is an adequate supply of low- and moderate-income housing units in standard condition available on a non-discriminatory basis within the area.

### **RELOCATION CONTACTS**

The City is responsible for tracking the replacement of lower-income dwelling units and ensuring that they are provided within the required period. The City is also responsible for overseeing the provision of relocation payments and other relocation assistance to any lower-income person displaced by the demolition of any dwelling unit or the conversion of lower-income dwelling units to another use financed with CDBG or HOME funds in regards to the development of housing.
