  - if there is insufficient TIF increment revenues to retire TIF bonds, which event consequently requires that the credit enhancement mechanism be called upon to service the TIF bonded indebtedness, contingent liability to reimburse a credit enhancer would be the sole liability of the developer or its affiliates;
  - if there are changes in the rating of the financial institution providing credit enhancement, then that institution shall be replaced with an AAA-rated financial institution within 90 days; and
  - If no replacement of an AAA-rated institution is provided, no further TIF bonds in advance of the 1.25 coverage ratio will be provided for any additional TIF projects undertaken by the developer or its affiliates.
