**Dallas City Code Chapter 17, Food Establishments Section 8.2(b)(3)**

Mobile food preparation vehicle: A mobile food preparation vehicle is a commercially-manufactured, motorized mobile food establishment in which ready-to-eat food is cooked, wrapped, packaged, processed, or portioned for service, sale, or distribution. An enclosed food trailer that complies with the construction and operation standards for operating a mobile food preparation vehicle may be permitted as a mobile food preparation vehicle for the purpose of participating in an approved temporary event only. The event must be approved by the appropriate person or entity, as determined by the director.
