

CRIME WATCH MEETINGS

The owner, operator, or other person in control of a multi-tenant property shall attend a total of at least four crime watch meetings each calendar year. The meetings attended must be held by crime watch organizations consisting of business owners, single-family residential property owners, or managers, employees, or tenants of multifamily properties, or any combination of those groups, gathered for the purpose of improving the quality of life in and around the properties, promoting crime prevention, reducing criminal opportunity, and encouraging cooperation with the Dallas Police Department. The meetings must be attended in the neighborhood in which the multi-tenant property is located or, if that neighborhood has no crime watch organization, then in the nearest neighborhood that does.

If unable to personally attend the four crime watch meetings the owner, operator, or other person in control of a multi-tenant property may designate in the property registration application another person to attend the meetings. A person may not be designated to attend crime watch meetings for more than five separate multi-tenant properties.

Please contact your local ICP Officer for a schedule of times and locations
