Area(s) in Dallas to be sprayed for Mosquito Abundance

Dallas, Texas – The City of Dallas will be spraying for mosquito abundance in the area(s) listed below. Weather permitting the area(s) delineated below is/are scheduled for mosquito control spraying on Wednesday, June 10, 2020 and Thursday, June 11, 2020 between 9 p.m. and 5 a.m. each night.

Control Area: The area to be sprayed is within an area generally bounded by: 2900 block of SUNDIAL (75229): **NORTHAVEN RD.** on the north, **INDIAN TRAIL** on the west, **CHANNEL DR.** on the east, and **DOTHAN LN.** on the south.

Control Area: The area to be sprayed is within an area generally bounded by: 3900 block of BIGLOW (75216): **MARFA AVE.** on the north, **S. LANCASTER RD.** on the west, **GARRISON ST.** on the east, and **CUSTER DR.** on the south.

While the Environmental Protection Agency approves the insecticide for treatment, residents in the above areas should avoid contact with the spray by staying indoors. People inside a vehicle while trucks are actively spraying should remain in their vehicles with the windows up and the air conditioner on until the trucks pass through and the spray is no longer visible. People who are out during the scheduled spraying time should be alert for trucks and should not follow them. Residents who come into contact with the spray are advised to wash the affected area thoroughly with soap and water. The spray breaks down quickly in the presence of sunlight and has no residual effect.

Protection against mosquito bites

Dallas residents are urged to take precautions against mosquito bites by reducing outdoor activity during evening and night time hours. Residents who are outside during these times should cover their arms and legs and use a mosquito repellent.

Prevent mosquito breeding

Residents should eliminate standing water to prevent mosquito breeding and the spread of West Nile Virus. Breeding places for mosquitoes include swimming pools that are not kept clean, stagnant ponds, pet watering dishes, birdbaths, potted plants, old tires, empty containers, toys and clogged rain gutters and French drains. Eliminate standing water promptly, as mosquitoes can grow from egg to adult in as little as seven days. Dallas residents may receive free mosquito dunks at Code Compliance Services District Offices while supplies last.

Code District Offices:

3112 Canton Street (Code Administration)

7901 Goforth Road (North Central, North East)

2721 Municipal St. (South East)

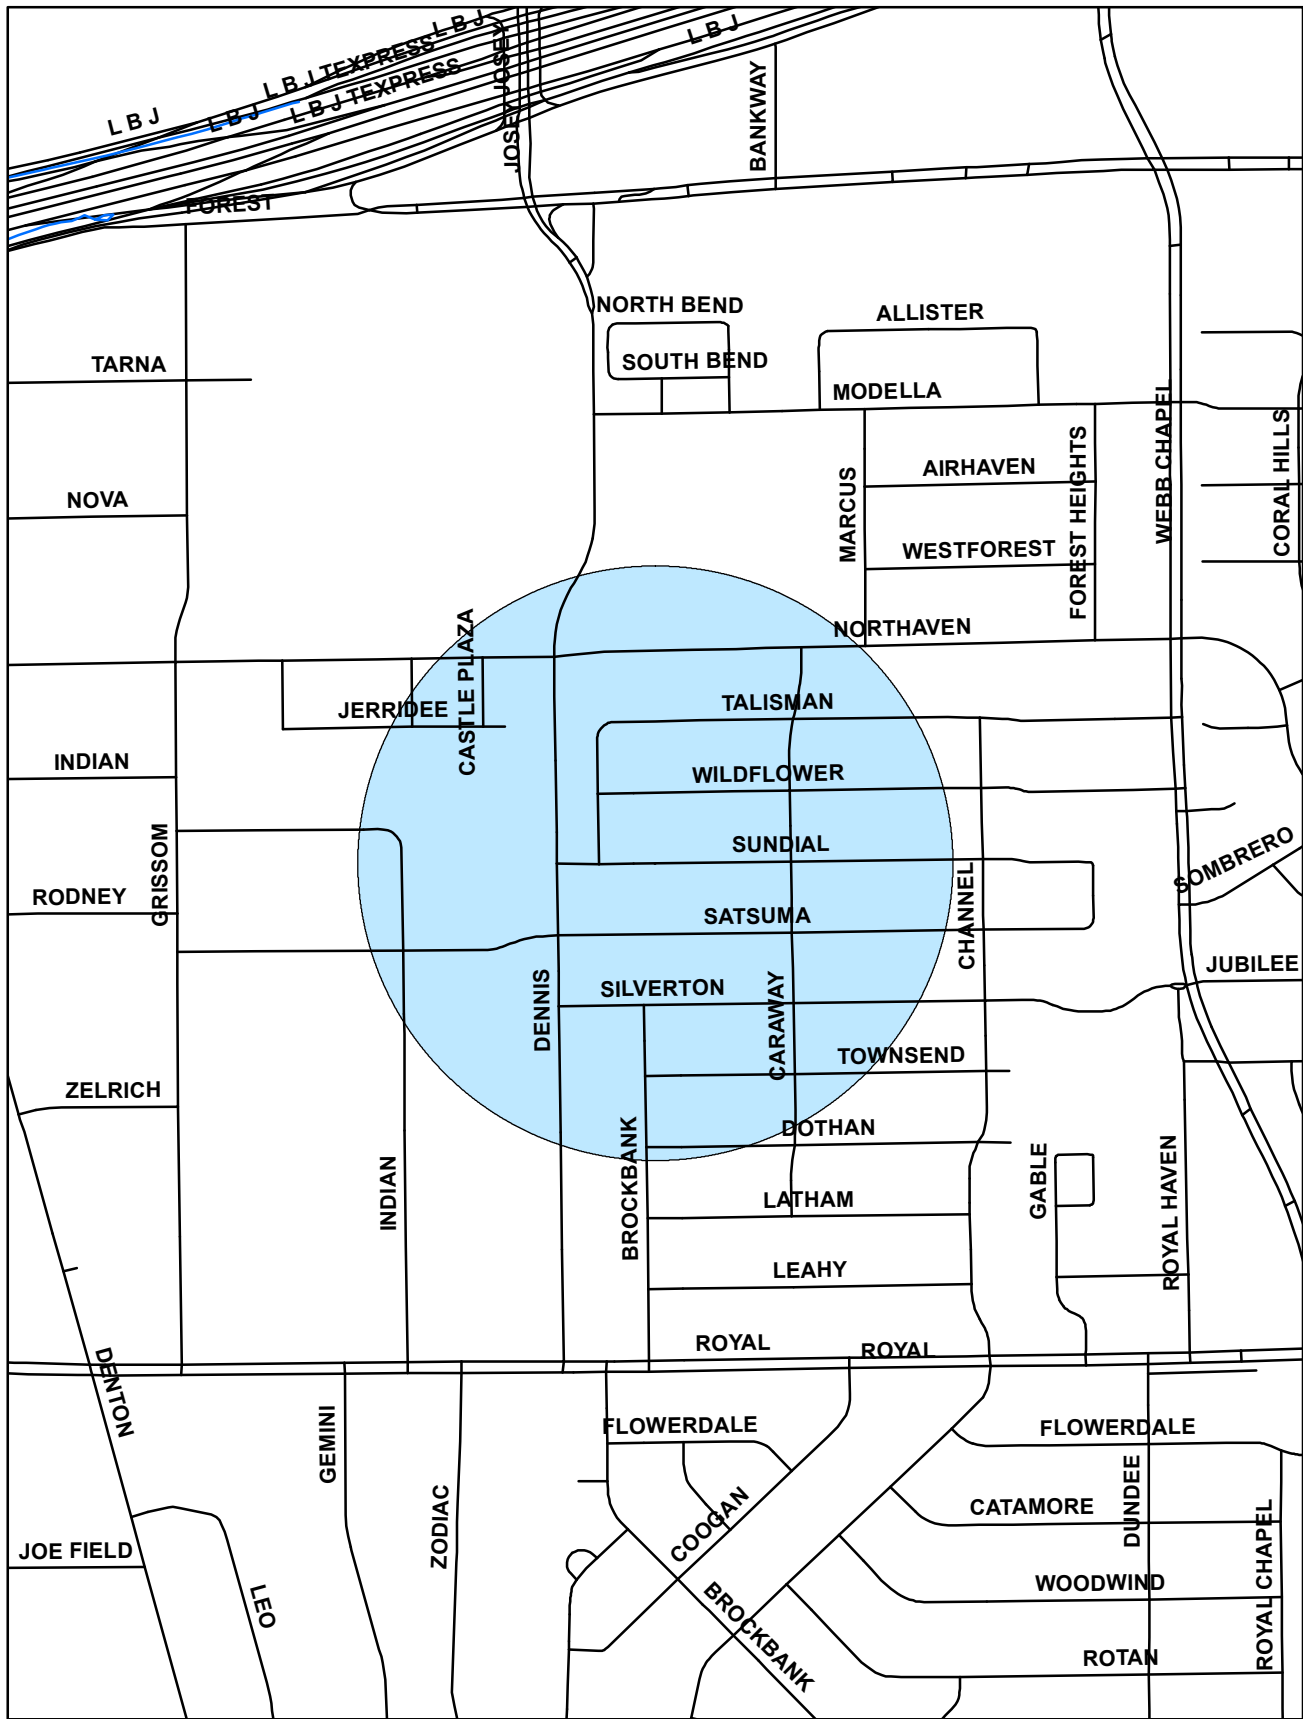

320 East Jefferson Blvd. (Central/South Central)

4230 W. Illinois Ave (South West)

9803 Harry Hines Blvd. (North West)

To report standing water or mosquito problems Dallas residents should call 3-1-1. To be added to the City of Dallas Do Not Spray list contact 3-1-1. For additional information on mosquito control, visit www.dallascitynews.net/fightthebite.
