Dear Friends:

The *Dallas Area Guide to Emergency Assistance* is compiled to assist caseworkers, volunteers, clergy, and other staff people to locate appropriate resources for their clients. It attempts to clarify the availability and limitations of community resources. The *Guide* is not intended for clients or patients.

North Dallas Shared Ministries' mission is based on three principles:

- To provide charitable assistance to persons in need
- To promote a sense of self-respect and responsibility
- To work with other organizations to respond to conditions of human need

Since its founding in 1983, NDSM has emphasized communication and cooperation with its member congregations and area agencies to see that the most effective and appropriate assistance is provided to those in need. Publication of this bi-annual *Guide* is intended to foster cooperation by listing private and public entities that provide food, financial assistance, clothing, and medical care as well as those that address longer-term needs.

In his book *The Working Poor*, David Shipler wrote, "Each person's life is the mixed product of bad choices and bad fortune, of roads not taken and roads cut off by the accident of birth or circumstance. It is difficult to find someone whose poverty is not somehow related to his or her unwise behavior...And it is difficult to find behavior that is not somehow related to the inherited conditions of being poorly parented, poorly educated, poorly housed."

We have all chosen to aid those Shipler describes. It is our responsibility, our challenge, our reward. This *Guide* is a tool to help all of us to work together, leveraging the strengths we bring to the fight.

NDSM distributes *The NDSM Dallas Area Guide to Emergency Assistance* at no cost to over 300 congregations, social service agencies, hospitals, law enforcement agencies, and other public and private entities. We hope that you find it a useful and valuable resource.

Best wishes for continued success,

Judy Rorrie
Executive Director

HOW TO USE THIS GUIDE

The *Dallas Area Guide to Emergency Assistance* is intended to highlight those agencies that provide emergency services including food, meals, housing, clothing, financial assistance, and medical/dental support. In almost all cases, the zip code where the client lives determines if a particular agency is appropriate. Since the mission, focus, and area-served for each agency varies widely, a review of the services, hours of operation, and other special requirements for an agency should be reviewed before referring a client for help.

The Guide is organized as follows:

- Listing of agencies that serve ALL of Dallas County (these are not listed in the zip code specific section)
- Listing of agencies that serve ALL of the City of Dallas (these are not listed in the zip code specific section)
- Listing of Dallas Zip Codes and the specific agencies that serve each zip code
- Listing of Suburban areas and the known agencies that serve them
- Condensed listing of agencies providing other help such as medical and dental clinics, transitional housing, shelters, recovery programs, public programs, food programs and employment resources
- Detailed descriptions of each agency, its hours of operation, specific requirements and other information
