

Short-Term Rentals (Hotel Occupancy Tax)

General Information

The Dallas City Code and State of Texas Tax Code define a short-term rental (STR) as a hotel for Hotel Occupancy Tax (HOT) purposes. A short-term rental (hereinafter referred to as "hotel") means the rental of all or part of a residential property to a person who is **not** a permanent resident. A “**permanent resident**” is a person who has the right to use or possess a room in a hotel for at least 30 consecutive days, so long as there is no interruption of payment for the period.

A “**hotel**” is any building in which members of the public obtain sleeping accommodations for consideration. The term includes, but is not limited to a:

- **Hotel**
- **Short-term rental**
- **Motel**
- **Bed and breakfast**

The term does not include a hospital, sanitarium, or nursing home; or a dormitory or other housing facility owned or leased and operated by an institution of higher education, or a private or independent institution of higher education.

Every person (entity) owning, operating, managing, or controlling any hotel in the City of Dallas (City) shall collect HOT in the amount of 7% of net room receipts from their guests, and report the collections and pay the tax to the City. The levy, amount, and disposition of revenue is controlled by City Code Article V, Hotel Occupancy Tax.

Please note that the State of Texas has similar requirements related to HOT. For more information, please visit their website at: <https://comptroller.texas.gov/taxes/hotel/>

Below is a summary of key information. Please read and adhere to the Hotel Occupancy Tax Registration, Reporting, Payment Requirements, and Exemptions. **Failure** to comply may result in tax liabilities, fines, penalties, and interest. If you have questions about HOT, please call (214) 670-4855, (214) 671-8508 or (214) 670-4540.

Hotels have the option to complete the registration, reporting, and payment requirements online via dallas.munirevs.com, by sending the required information and payment to City Hall via regular mail, or in person.

Collection

Hotels are required to collect HOT from their guests for the City. The HOT is equal to 7% of the “**consideration**” paid by the guest for sleeping accommodations. Consideration

means the cost of a room in a hotel and does not include the cost of any food served or personal services rendered to the occupant not related to cleaning and readying the room or space for occupancy. It also does not include any tax assessed by any other governmental agency for occupancy of the room.

Exemptions

In accordance with the City Code, certain guests are “**exempt**” (not subject to tax liabilities) from paying HOT. There are two types of exemptions: Permanent and Certificate.

A “**permanent exemption**” is granted to guests who have the right to use or possess a room in a hotel for at least 30 consecutive days, so long as there is no interruption of payment for the period. The guest must notify the hotel of their intent to stay at least 30 consecutive days by providing a letter of intent.

A “**certificate exemption**” is granted to guests who are affiliated with certain entities and provide an official Texas Hotel Occupancy Tax Exemption Certificate (Form 12-302) from the State of Texas Comptroller of Public Accounts. Please note that while some entities are exempt from State HOT, they are not necessarily exempt from local/City HOT.

For more information on permanent exemptions and for a list of exempt entities, **please read the exemption rules**, which are outlined in the document titled Hotel Occupancy Tax Reporting, Payment Requirements, and Exemptions in the Forms and Resources section below.

It is the hotel’s responsibility to ensure that granted exemptions are in compliance with the City Code. If the hotel mistakenly allows an ineligible exemption, the hotel is responsible for paying the applicable taxes (plus penalties and interest) to the City.

Instructions for Registration

Due Dates

HOT reports and payments are due to the City of Dallas **by the 15th** day of the month following the month in which the tax is collected. *Example: Tax reports and payments for collections in August 2025 are due to the City by September 15, 2025.* If the 15th day falls on a weekend or holiday, they are due by the next business day. If they are sent by mail, the City will honor the date postmarked by the U.S. Postal Service or other similar delivery services.

The following table shows the amount due based on the date the City receives your report and payment:

Postmarked by the due date (15th):	discount 1% from taxes due
1 to 10 days late (16th - 25th):	all taxes due (no discount)
11 to 30 days late:	all taxes due + 15% penalty
More than 30 days late:	all taxes due + 15% penalty + 10% annual interest beginning the day after the due date

Retention of Records Relevant to Audits

The hotel is required to retain all records used to support the amounts on the monthly HOT reports submitted to the City. During a compliance audit, the City will review and examine the hotel's financial records to ensure the hotel is in compliance with the City Code.
