Previous Fact Sheets did not report Shelter Neuter Release Cats or Died in Care numbers, so outcome totals on previous year fact sheets will be lower.

In FY19, Died in Care totals did not include missing animals in the numbers; therefore, totals on previous year fact sheets will be lower.

In mid-March 2020, DAS altered operations in response to the COVID-19 emergency.

*DAS discovered reporting/reconciliation issues in August 2020 and corrected numbers retroactively through FY20.

All numbers are rounded to the nearest full number for display on this fact sheet; however, percentages are calculated using numbers with decimals to the hundredth position.

This data is reflective of the Chameleon database on the date of this report. Reports dated after this report may reflect a slight variance in the numbers.
