\*DAS is not tracking Shelter Visitors Due to COVID-19. In mid-March 2020, DAS altered operations in response to the COVID-19 emergency.

All numbers are rounded to the nearest full number for display on this fact sheet; however, percentages are calculated using numbers with decimals to the hundredth position.

This data is reflective of the Chameleon database on the date of this report. Reports dated after this report may reflect a slight variance in the numbers.
