*Previous Fact Sheets did not report Shelter Neuter Release Cats or Died in Care numbers, so outcome totals on previous year fact sheets will be lower. Starting in February 2020, DAS is reporting in-house spay/neuter surgeries and surgeries facilitated through community partners separately.*All numbers are rounded to the nearest full number for display on this fact sheet; however, percentages are calculated using numbers with decimals to the hundredth position.							
This data is reflective of the Chameleon database on the date of this report. Reports dated after this report may reflect a slight variance in the numbers.
