**City of Dallas 2011 Redistricting**  
Plan Submission Statement – PlanID: wPlan12

Subject: Redistricting WPlan12

To Whom It May Concern:

This letter is to declare that the attached redistricting plan for Dallas City Council districts of 2011 meets the requirements set forth by the city Redistricting Commission. This plan reflects districts of relatively equal populations, fair minority representation, continuous and compact geographic territories, and neutrality towards incumbents. I feel strongly that this plan keeps neighborhoods connected and represented in manner that is in their best interest. Communities of interest have been grouped appropriately and the diversity and vibrancy of Dallas has been well preserved.

Sincerely,

Benjamin J Lopez
