#### **EXECUTIVE SUMMARY**

This third Quarterly Report provides the Housing and Homelessness Solutions Committee (HHSC) an update on Housing activities during quarter three (Q3) of FY 2022-2023 (April 1 through June 30, 2023).

The Dallas Housing Policy 2033 (DHP33) was adopted on April 12, 2023 and implementation has begun. TDA Consulting, Inc. was hired to establish the Equity Strategy Target Areas and

present a new vision for the previously named Housing Policy Task Force. An update will be presented to City Councill in August that lays out a calendar of activities through spring 2024. To financially support the goals in DHP33 the Department of Housing and Neighborhood Revitalization (Housing) has been working through the 2024 Capitol Bond planning process. The final recommendation of funding should be presented to council this fall.

Major accomplishments through Q3 are as follows:

- 1. Housing Development:
  - Housing programs, along with Office of Economic Development, supported 19,749 new housing units that have been completed, are under construction, or are in predevelopment stages.
  - The Dallas City Council (City Council) approved over \$8.58M in HUD funding for the Estates at Ferguson in City Council District 7, a 164-unit senior living development with all units reserved for affordable housing.
  - The city's Notice of Funding Availability (NOFA) supported The Park at Northpoint in gaining City Council approval for \$10M in Community development Block Grant (CDBG) funds. The project will be a mixed-income multifamily project of 615 units in City Council District 6.
  - The Dallas Housing Finance Corporation (DHFC) closed on three projects: The Terrace at Highland Hills, The Crossing at Clear Creek, and Ash Creek Apartments. In City Council District 7, the Ash Creek Apartments' LIHTC funding for renovations led to the owner to extending the LIHTC affordability period for the 280 units for an additional 30 years to maintain these units as affordable housing.
  - The Dallas Housing Foundation held a groundbreaking for the construction of 37 duplexes on 17 Land Transfer lots in the Jeffries-Meyers neighborhood.
  - Twenty-housing units were completed in Q3 through the Land Bank and Land Transfer programs.

#### 2. Preservation:

- As of Q3, repair program contractors completed construction on 58 homes. Seventythree homes are under construction and 180 homes are in the predevelopment processes.
- A total of 39 homes have been repaired as of Q3 through the Home Improvement and Preservation Program (HIPP).
- Housing launched the American Rescue Plan Act (ARPA)Residential Septic Tank Program that will operate in partnership with Dallas Water Utilities (DWU) Unserved Areas Program which is extending water/sewer utilities and infrastructure to areas that have never had such services.
- The Senior Home Repair Program from February to March 2023 received 726 applications. Housing started the lottery process for selecting recipients for home repair funding.

#### 3. Homeownership:

- The Dallas Homebuyer Assistance Program (DHAP) programs assisted 14 homebuyers to close on their homes in Q3 for a total of 21 homes in FY 2022-2023.
- DHAP launched the Anti-Displacement Homebuyer Assistance Program (DHAP 10) for Dallas residents living in the city for at least 10 years. Housing staff has prequalified 24 applicants and closed on 6 homes to date in Q3.

#### HOUSING POLICY

The Department of Housing & Neighborhood Revitalization has a new housing policy – Dallas Housing Policy 2033 (DHP33) that City Council adopted on April 12, 2023 and replaces the Comprehensive Housing Policy.

Along with the new policy The Dallas Housing Resource Catalog was created to be a clearinghouse for all housing programs, corporations and compliance and funding resources. Over the course of this year Housing will be working to implement this policy.

Racial and economic inclusion are integral to Dallas' housing growth. Accordingly, through the DHP33, the City seeks to continue to reduce disparities that disproportionately impact historically disadvantaged communities by providing quality affordable mixed-income housing initiatives across the City.

DHP33 has seven pillars of housing equity that weave together the strategies guiding implementation, leverage internal and external partnerships, and revitalize neighborhoods through housing development that meets the needs of all Dallas residents.

#### Pillar 1 – Equity Strategy Target Areas

Policy Statement - Identify specific disparities in housing opportunities and reduce them utilizing a targeted approach

Overview - Increasing racial equity while also increasing citywide housing affordability requires targeted strategies.

#### Pillar 2 – Citywide Production

Policy Statement - Increase production to improve housing affordability for a broad mix of incomes in all areas of the city

Overview - Increasing the number of dedicated affordable housing units and market rate units affordable to a broad mix of incomes requires adapting existing tools and developing new tools.

#### Pillar 3 – Citywide Preservation

Policy Statement - Increase preservation to improve housing affordability for a broad mix of incomes in all areas of the city

Overview - The City will identify existing dedicated affordable units such as Low-Income Housing Tax Credit (LIHTC) properties, naturally occurring affordable rental units, and owner-occupied houses in need of repair to forecast preservation needs across the city.

#### Pillar 4 – Infrastructure

Policy Statement - Prioritize infrastructure investments in equity strategy target areas

Overview - Functional infrastructure is a key element for developing and preserving affordable housing.

#### Pillar 5 – Collaboration and Coordination

Policy Statement - Align strategies and resources to maximize the impact of partnerships with internal and external stakeholders

Overview - City departments and external partners integral to equitable housing development and preservation will make the commitment to work in concert to facilitate neighborhood revitalization and make strategic investments in a coordinated fashion.

#### Pillar 6 - Engagement

Policy Statement - Cultivate diverse and multi-lingual avenues of communication with residents across all neighborhoods to guide City's housing investment decisions.

Overview - Advancing equity is both a process and an outcome, meaning before locations are selected and housing investment decisions are made, the community must be engaged to inform the process, ensuring their needs and expectations are reflected in the outcomes.

#### Pillar 7 – Education

Policy Statement - Develop a city-wide collaborative campaign to increase YIMBYism for housing affordability and the people who need it.

Overview - Cultivating support for affordable housing development and preservation requires a commitment to education.

#### Implementation

The Department has hired TDA to lead the implementation planning phase and will help identify the Equity Strategy Target Areas, a new vision for the Housing Policy Task Force, community engagement methods, and some compliance policies.

## ONGOING AND RECENTLY COMPLETED DEVELOPMENT PROJECTS

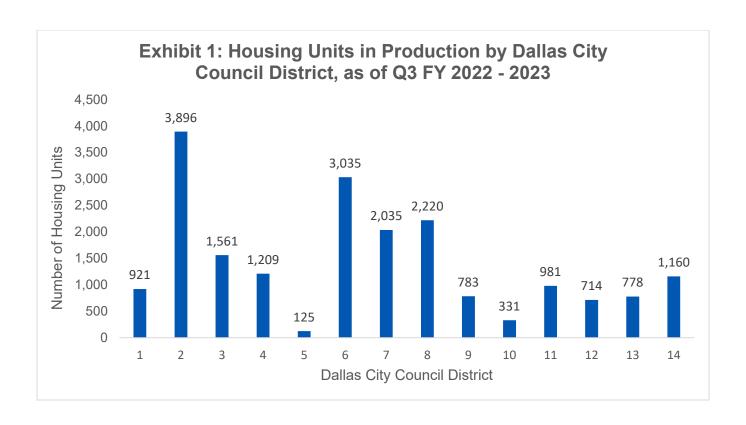

As of Q3, there are 19,749 housing units in the Completed, Under Construction, and Predevelopment project phases in Housing and the Office of Economic Development (OED) programs<sup>1</sup>. This is a 6% increase from 18,638 housing units in Q2. The quarterly measures presented for Housing development projects in this report follow three different phases of work.

- Predevelopment correlates with the "Units Approved" accomplishment measure and represents units that have been approved by City Council or the associated committees and have not yet begun construction.
- *Under Construction* includes all developments that have begun construction, measured by receipt of a building permit.
- Completed is taken either at final Certificate of Occupancy, Green Tag, or final payment disbursement, depending on the program, and represents a new or fully rehabilitated unit on the ground.

These housing units are distributed in all City Council Districts as shown in Exhibit 1. City Council Districts 2, 6, and 8 have the most housing units in production. Almost one-half (49%) or 9,726 units in production are reserved as affordable housing. More detail on the housing projects may be found in the Appendix.

QUARTERLY REPORT Q3 FY 2022-2023 | 6

<sup>&</sup>lt;sup>1</sup> Note: Units per housing project may change from one month to the next based upon changes to the development. For projects still in pre-development or under construction, housing unit numbers are subject to change.

#### LIHTC AND DHFC

In Q3, the Dallas Housing Finance Corporation (DHFC) closed on three projects: The Terrace at Highland Hills, The Crossing at Clear Creek, and Ash Creek Apartments. The Crossing at Clear Creek and Terrace at Highland Hills will be brand new, class-A construction of affordable housing. Just these two projects alone will bring an extra 564 units of housing to the city, most of which will be reserved for families that are earning 60% or below of area median income. Construction is slated to begin immediately and conclude in Q3 of 2025.

Ash Creek Apartments in City Council District 7 is an existing 280-unit LIHTC project that was badly in need of renovations. The owner partnered with the DHFC to issue new LIHTC funding to preserve and renovate the project so that it will not fall into blight and disrepair. These renovations will renew the community and elevate the standard that the surrounding properties will have to compete with, lifting the entire area around the property while simultaneously preserving the affordability for those families who already live there. With the renovations and LIHTC financing, the affordability period for the project was extended 30 years.

#### DPFC

The Dallas Public Finance Corporation (DPFC) currently has 4,133 units in the development process. In Q3, DPFC supported The Park at Northpoint and gained the City Council approval for \$10 million in CDBG funds that were awarded through the City's NOFA. The project will bring 615 mixed-income apartment units market rate units (50%) and affordable units for households earning up to 60% (10%) and 80% (40%) AMI in City Council District 6. (See Highlighted Projects).

#### MIHDB

Currently, 4,270 housing units are under construction in the Mixed Income Housing Development Bonus (MIHDB) program. Housing developers use MIHDB on its own as well as in combination with other Housing programs. They receive a zoning bonus to build affordable units or pay the "fee in lieu".

A new construction mixed-income project called The Hayden located at 10715 Garland Road consisting of 300 units of multifamily residential, including a public art park, creative office space, resort style swimming pool, and a pickleball court. The developer for the project is OP Acquisitions, LLC. Under the MIHDB program, the developer will be utilizing a height and parking bonus in exchange for 50% on-site affordable units available to households earning 61%-80% of the Area Median Income.

Housing launched the fee in lieu portion of the program in Q1 quarter and accepted the first check in the amount of \$2,450,362.74 for 2811 Maple Avenue in October 2022. As of June 2023 in Q3, the program accepted \$5,551,773.70 in fee in lieu payments (See Table 4 in Appendix).

In March 2023, Housing presented to HHSC options for use of the MIHDB fee in lieu funds. Since then, staff has made \$1M of this available for Senior Home Repair and \$2.5M for developments prioritizing homeownership.

#### LAND SALES

The Land Bank and Land Transfer programs have 325 lots that will be sold over the next three years. These lots are sold to homebuilders or are used for other community projects. In Q3, developers started construction on 19 single-family homes and completed construction on 20 homes. City Council approved the sale of 44 lots for the Land Transfer program and 8 lots for the Land Bank program. The Land Transfer program developers started construction on 9 homes and completed 10 homes. The Land Bank program developers started construction on one home and completed 10 homes. These homes are in City Council Districts 4 and 7.

In Q3, the Dallas Housing Foundation broke ground on Land Transfer lots that will have 34 single- family homes that are duplexes on 17 lots. These lots are located in the Jeffries-Meyers neighborhood (See Highlighted Projects).

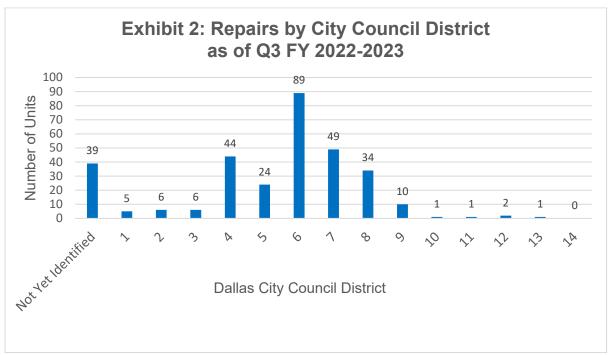

#### PRESERVATION ACTIVITIES

Photo Credit: Image and Rehabilitation from REKJ Builders

Home repair activity is continual as the Housing Department administers seven different programs supporting home repair needs throughout Dallas.

In all home repair programs, there were 73 homes are under construction and 180 homes are in predevelopment processes. Contractors completed construction on 58 homes. The distribution of 311 repair projects by City Council District is shown in Exhibit 2 and accomplishments are shown in Exhibit 3. A majority of repairs are in targeted areas and southern and western portions of Dallas (City Council Districts 4, 5, 6, 7, and 8).

Note: 39 homes are not yet identified by City Council District

As of Q3, a total of 39 homes have been repaired through the *Home Improvement and Preservation Program (HIPP)*. Another 12 homes are under construction and 16 homes are in predevelopment processes.

West Dallas Targeted Repair Program (TRP) currently has 21 homes under construction for this program and 53 homes are in the predevelopment processes.

Seven homes are in the predevelopment process and three homes were completed in the Healthy Homes Lead Reduction (HHLR) Program

The Dallas Tomorrow Fund (DTF) continues to process applications. As of Q3, Housing has completed three homes, one home is under construction, and 28 homes are in the predevelopment process.

The American Rescue Plan Act Neighborhood Revitalization Program (ARPA NRP) qualified 10 households in Q1. In Q3 currently eleven homes are under construction and 53 homes are in the predevelopment process, and four homes are completed for all ARPA programs. Staff worked with Dallas Water Utilities (DWU) to align the Septic Tank conversation project and will begin applications in neighborhoods where DWU has installed new sewar/water lines in underserved areas.

The Senior Home Repair program was launched in February 2023. Applications were available online and at Dallas libraries and recreation centers. Housing received 726 applications from residents aged 65 years and older. The program allowed us to serve ten people who were chosen by lottery. The lottery makes the process more accessible to seniors since they do not have to line up early on a first come, first served basis. Seniors age 75 and over received a second entry and seniors who selected accessibility repairs in their application received a third entry. A senior age 75 with accessibility needs, therefore, is three times more likely to be selected than a senior age 65 with no accessibility needs.

The American Rescue Plan Act (A) Residential Septic Tank Program will operate in partnership with Dallas Water Utilities (DWU) Unserved Areas Program which is extending water/sewer utilities and infrastructure to areas that have never had such services. The program is available to those who reside in owner-occupied single-family residences that are within DWU Unserved Areas, which currently rely on septic tanks or On-Site Sewer Facilities (OSSF). The program provides up to \$100,000 per residence to cover the costs for homes to decommission/deconstruct septic tanks, build connections to the City infrastructure, and complete necessary plumbing repairs and secondary repairs when necessary to complete the plumbing work. DWU recently estimated that there are 61 Unserved Areas across the City and roughly 450 addresses in need of such home repairs. There is \$2.2 million in funding available for this program.

#### HOMEOWNERSHIP

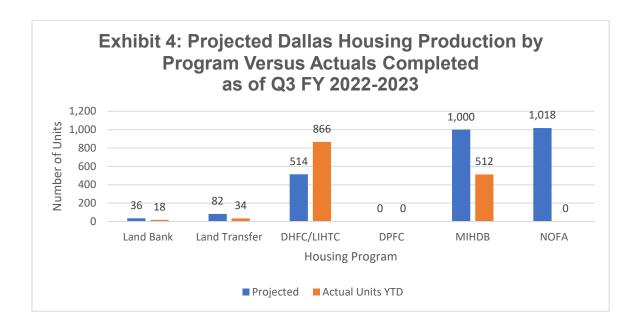

In Q3, the Dallas Homebuyer Assistance Program (DHAP) received 75 applications and DHAP programs served 36 households, 22 of which were prequalified and 14 of which closed on their homes. A majority of the households served in Q3 were African-American (61%) and 28% were Hispanic/Latino in ethnicity. Most applicants were single-headed households (86%). The applicants' average income was \$61,808 and their average age was 40 years old.

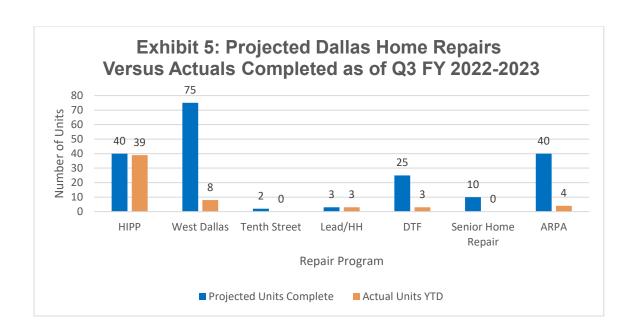

Staff launched the Anti-Displacement Homebuyer Assistance Program (DHAP 10) in February 2023. The program targets resident homebuyers who have lived in the City of Dallas for 10 or more years (collectively) and with household incomes between 50% to 120% AMI. The maximum subsidy amounts are \$50,000. In Q3, the program has \$705,474 remaining out of the \$1M toward 20 closings in total. By the end of Q3, staff prequalified a total of 24 DHAP 10 applicants and completed six closings.

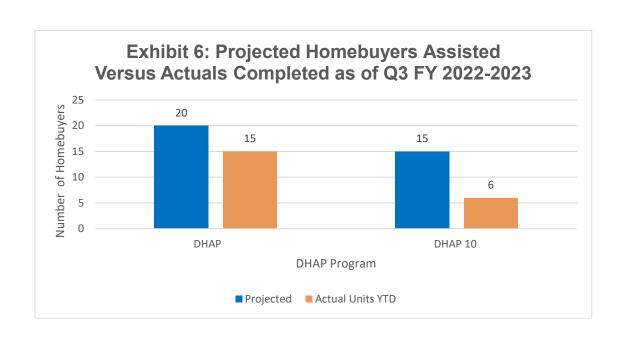

The established DHAP and Targeted Occupation DHAP programs had fifteen closings as of Q3. Three of those closings were in the Targeted Occupations Program (See Highlighted Projects). In total, thirty-nine applicants were pregualified in those programs in addition to the 23 prequalified in the DHAP 10 program.

#### PROJECTED V. ACTUAL HOUSING PRODUCTION

Housing staff estimated the number of units that would be produced in housing production programs, preserved in repair programs, or completed in homebuyer assistance programs (Exhibits 4-6). These estimations or projections are compared with actual accomplishments as of Q3 FY 2022-2023. The Senior Home Repair programs is new, and thus initial applications are still in the review process.

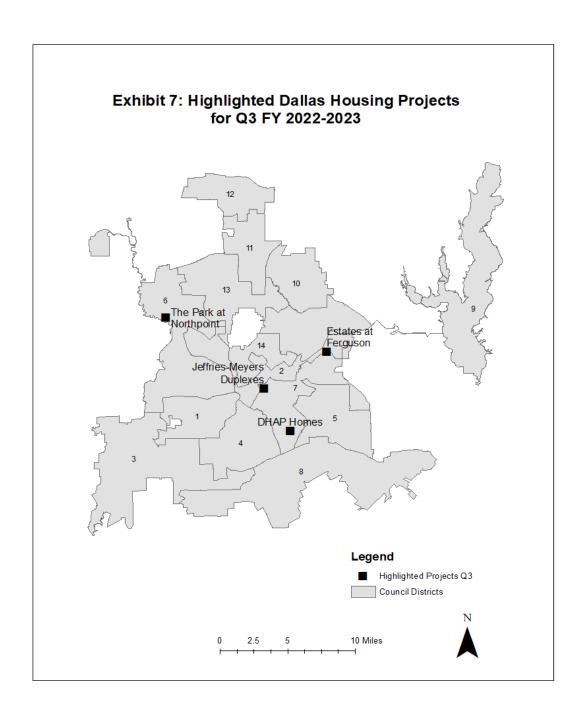

#### HIGHLIGHTED PROJECTS

The Park at Northpoint, the DHAP Homes, the Estates at Ferguson, and the Jeffries-Meyers duplexes exemplify the variety of projects needed to support mixed-income housing and home ownership in Dallas (Exhibit 7). The Park at Northpoint is a 615-unit, new construction mixed-income housing development in City Council District 6 supported by the Dallas Public Finance Corporation and developed by LDG Development, an affordable housing developer. Many of the Dallas Homeowner Assistance Program (DHAP) homes are located in City Council Districts 7 and 8 and offer homebuyers assistance for essential workers, people who have lived in Dallas for ten years or more, and other homebuyers needing loan assistance. Estates at Ferguson in City Council District 7 in northeast Dallas will be an affordable multi-family development for residents age 55 and over. In Q3, the Dallas Housing Foundation held a groundbreaking for 34 duplex homes on 17 lots in the Jeffries-Meyers Neighborhood in City Council District 7. The duplexes will provide needed affordable homeownership opportunities, reserved for households at 60%-120% AMI.

### THE PARK AT NORTHPOINT

The City Council approved \$10 million in Community Development Block Grant funds for Northpoint—a planned 615-unit mixed-income development in City Council District 6 to be completed in two phases. These funds were awarded through the City's NOFA application which utilizes entitlement funds awarded to the city's Department of Housing and Revitalization from the U.S. Department of Housing and Urban Development and are meant to help support growth and development in economically distressed areas. Located on a 15-acre site, off Technology Boulevard, The Park at Northpoint will offer 1-, 2-, and 3-bedroom units. Residents living at the development will be able to enjoy a variety of upgraded amenities, including granite countertops, wood look flooring, energy efficient appliances, and a swimming pool and fitness center. The Park at Northpoint will be a two-phase development. The first phase will offer 339 units, and the second phase will consist of 276 units. Ten percent of all units will be reserved for families earning 60% of the area median income, or \$61,860 annually for a family of four, while 40% of

the units will be reserved for families earning 80% of the area median income, or \$82,480 annually for a family of four. The remaining units will be market-rate. Monthly rental rates for the units are expected to range between \$1,028 to \$2,428 and will remain income restricted for at least twenty years. The Park at Northpoint is being developed by LDG Development. The company is one of the country's largest developers of affordable housing and has created more than 20,000 units across the country, including over 1,000 units in the Dallas area. Jake Brown, development manager for LDG development, anticipates that construction on the first phase of The Park at Northpoint will begin in the spring of 2024, and construction on the second phase will begin in 2025. Brown says that the first set of units could be ready as early as October 2025.

## DHAP HOMES

This homebuyer received \$45,000 in mortgage assistance in 2021 from the Targeted Occupations Homebuyer Assistance Program. This program is designed to provide homeownership opportunities to those who have direct impact in Dallas communities and intended for those in the educational instruction and librarian services, healthcare, and protective services. In Q3 of this fiscal year, the program has helped three other targeted occupation homebuyers to date purchase homes in City Council Districts 7 and 8.

## ESTATES AT FERGUSON

The City Council approved \$8,583,487.00 in HUD funds which includes \$3,965,000.00 in Community Development Block Grant-Disaster Recovery and \$4,618,487.00 in HOME Investment Partnership Funds for the development of the Estates at Ferguson. These funds were awarded through the City's NOFA application which utilizes entitlement funds awarded to the city's Department of Housing and Neighborhood Revitalization from the U.S. Department of Housing and Urban Development. The property is being developed by General Housing Partners, LLC (GHP) Texas-based developer, owner, and asset manager of Class A multi-family assets throughout the southwest. The Estates at Ferguson will be located on 5.7 acres in northeast Dallas at 9220 Ferguson Road. The development will serve senior households earning at or below of 50% Area Median Income (AMI) and 60% AMI and will consist

of one-bedroom and two-bedroom units. The 164 units are comprised of 99 one-bedroom, and 65 two-bedroom units with expected rents between \$913 to \$1,315 and there will be no market rate units.
