CITY OF DALLAS

DATE April 22, 2022

Honorable members of the Housing and Homelessness Solutions Committee: Casey Thomas (Chair), Jesse Moreno (Vice Chair), Carolyn King Arnold, Paula Blackmon, Cara Mendelsohn, Paul Ridley, Jaynie Schultz

SUBJECT **Department of Housing Performance Measure Update**

The Department of Housing and Neighborhood Revitalization (Housing) reports monthly project information and accomplishments to the Housing & Homelessness Solutions Committee. This memo will summarize accomplishment that occurred in March 2022. The updated attachments are included, and more details are listed below:

## Development

This month's memo includes the newest version of the development project pipeline which includes more detailed information about developments that are being reviewed and prepared for City Council review, have been approved by City Council and are in other predevelopment phases, are under construction, or have been completed or cancelled this fiscal year. Details include property information, location information, funding information, and key dates regarding the project's status.

The pipeline saw the following major changes in March:

- Housing received four (4) Notice of Funding Availability (NOFA) applications for a total of 356 units. Two (2) of these applications were Low-Income Housing Tax Credit (LIHTC) projects approved by the City Council this year that require additional gap funding to complete the development. Housing staff will review these applications and bring to the City Council for approval at a later date.
- The Land Transfer Program received applications for the sale of 16 lots to Covenant Homes, which staff will review and bring to the City Council at a later date.
- The City Council approved the sale of 15 Land Transfer lots to Affluency homes for the development of affordable housing. Staff will process and close this sale in the coming months.
- Three (3) land bank homes and three land transfer homes received build permits, and three (3) land bank homes and one single-family NOFA home were completed.

DATE April 22, 2022

SUBJECT **Department of Housing Performance Measure Update**

- The City Council approved Oakhouse at Colorado through the Dallas Public Facilities Corporation (DPFC) including 215 units, of which 51% are reserved for families earning at or below 80% AMI. Construction should commence in late 2022.
- The DPFC Board gave preliminary approval to Standard Shoreline, a 300-unit development in Council District 9 that is 51% workforce at 80% AMI and 49% market rate.

## **Repair**

Housing staff manages a handful of repair programs suited to different needs and different funding sources. In general, the home repair programs continue to move forward with a significant number of home repairs in the progress pipeline.

The Home Improvement and Preservation Program (HIPP) saw noticeable accomplishments in March 2022 with seven (7) homes completing initial inspection, 10 new agreements signed so construction can begin, and three (3) home repairs reaching completion. There are currently 41 HIPP homes under construction.

The West Dallas Targeted Repair Program (TRP) is also moving forward. In March 2022, 13 home repairs were completed and additional 10 homes were inspected and may move forward into contracting if all qualifications were met. There are currently 12 West Dallas TRP homes under construction.

The Dallas Tomorrow Fund (DTF) has been a popular program despite its limited funding and applications. Housing logged 13 new applications in March, one (1) home inspection, and one (1) completed home repair. Two (2) DTF homes are currently under construction.

Preparations for the new freedman's town ARPA repair programs are progressing, with new dedicated staff being hired to be prepared to work within the targeted communities. Housing anticipates opening applications for 10<sup>th</sup> Street, Joppa, and Five Mile soon.

## **DHAP**

The Dallas Homebuyer Assistance Program (DHAP) is progressing much faster this year due to recent changes in the Comprehensive Housing Policy (CHP) allowing for more competitive loan terms and requirements. In March 2022, Housing received four (4) new applications, prequalified three (3) new homebuyers, and closed one (1) new loan. So far this year, Housing staff has closed 10 loans compared to only two (2) at this same point last year, already reaching its annual goal.

## Other

In March, The City of Dallas (City) issued new construction permits on 1,276 new housing units for a total of 4,985 new units. This fiscal year to date, 1,592 units supported by Housing have received a permit, meaning that more than 30% of housing units permitted in Dallas so far this year have received support from the City.
