

## Dallas Homebuyer Assistance Program

**"Offering housing programs that strengthen communities"**

The City of Dallas Housing and Neighborhood Revitalization offers a variety of programs to assist Dallas residents and strengthen communities. The

Department's goals are to increase home ownership opportunities, especially for low-income families; preserve existing owner-occupied and rental housing stock; increase availability of affordable housing opportunities; and support neighborhood and community-based preservation and revitalization efforts.

Since 1991, the City of Dallas Homebuyer Assistance Program (DHAP) has provided a program for families purchasing homes within the city limits of Dallas with funding from the U.S. Department of Housing and Urban Development (HUD) using HOME Investment Partnership and Community Development Block Grant funds. To date, the City of Dallas has provided homebuyer assistance to over 7,900 families.
