

# Military Leave for Emergency Declaration

## Frequently Asked Questions

**1. Are these 7 days of leave added to my usual 15 days of military leave?**

A: No, the 7 days of leave are separate and available for those called to action due to an emergency declaration.

**2. Do I have to use my usual 15 days of military leave before I can use the 7 additional days?**

A: No, if you are called to action due to an emergency declaration, you will have a separate leave balance of 7 days independent of your usual 15 days of leave.
