Health benefits coverage under state and federal laws: The City of Dallas Retiree Health Benefit Plan ("Plan") provides all retirees who are not eligible for Medicare benefits with the same level of benefits as the City provides its active employees and substitutes Medicare Supplement coverage for all Medicare-eligible retirees, as provided in Texas Local Government Code chapter 175. The Plan is minimum essential coverage, as defined by section 5000A(f)(E)(2)(A) of the Internal Revenue Code, because it is a governmental plan within the meaning of section 2791(d)(8) of the Public Health Service Act.

# Enrollment Overview

## How to Enroll

The City of Dallas offers two convenient ways for you to enroll in benefits.

### Online

1. Log on to <https://standard.benselect.com/cityofdallas>. **Note:** You MUST have */cityofdallas* in your URL! The correct page has the City of Dallas logo in the upper-right corner and looks like the picture on this page.
2. At the Employee Login screen, enter your user name and PIN. Your user name is your first name.last name and your 4-digit birth year (Example: John Smith born in 1966 is *john.smith1966*). Your PIN is 6 digits, composed of the last 4 digits of your Social Security number and the last 2 digits of your birth year. (Example: If the last 4 digits of your Social Security number are 1234 and you were born in 1966, your PIN would be *123466*). **Note:** You will be asked to change your PIN the first time you log in. Be sure to make note of your new secure PIN for future use.
3. Start your benefits enrollment by clicking Next to review your personal and dependent information. (Note: The My Benefits page provides a snapshot of your current benefit elections.)
4. Click *Next* to continue through each plan or click on the benefit plan names under *My Benefits* to enroll or waive coverage.
  - A check mark means “enrolled”
  - An X means “waived” or “not available to enroll”
  - A blank square means “not yet enrolled”
5. Once you have made your benefit elections, the *Verify Your Benefits Election* page will appear. Review your elections.
6. Click *Next*, then sign the benefit confirmation form electronically using your PIN. You must complete this step for the system to process your elections.

If you have any questions about your 2021 benefits or need assistance with the enrollment process, please call (855) 855-2871.

### By Phone

Benefit Specialists can enroll you over the phone as well. The call center is available to help you with questions, rates, and your enrollment. The call center is open during Open Enrollment, Monday – Friday, 8:15 a.m. – 5:15 p.m. To get started, just call (855) 855-2871.

## Supporting Documentation Required

Any selections that require evidence or documentation will not be accepted or finalized until documentation is provided. All required documentation must be provided prior to the close of the Open Enrollment period. (Example: If you wish to enroll a dependent child for the first time, you must provide the required supportive documentation at the time of enrollment and prior to the close of Open Enrollment, otherwise your dependent child will not be enrolled.)

You can provide dependent documentation in one of several ways:

- » Upload it from your computer during the online enrollment process (follow the on-screen instructions)
- » Send it from your Smartphone with the My Selerix app (available for free in the App Store and Google Play)
- » Fax it to (513) 371-5559
- » Email it to [yourenrollment@ebcoh.com](mailto:yourenrollment@ebcoh.com)

## Making Changes to Coverage

Once you enroll, you cannot change your benefit choices until the next annual enrollment period. This is an IRS rule. However, you may make certain changes if you have a qualifying event that affects your benefits — and the event is consistent with your requested change. Typical qualifying events include:

- » Marriage
- » Divorce, legal separation, or annulment
- » Birth, adoption, or legal guardianship of a child
- » Death of a spouse/domestic partner or eligible dependent
- » A change in the employment status of yourself, your spouse/domestic partner, or a dependent
- » A dependent qualifies or no longer qualifies due to age
- » Significant cost increases for benefit coverage
- » Enrollment in or loss of state or federal medical coverage
- » You move out of your health plan's service area that requires a change in plans
- » A spouse or dependent gains or loses coverage in another qualified health plan

You must notify the Benefits Service Center and provide proof of your qualifying event as soon as possible and before 30 days have passed. Coverage will be effective based on the date of the event. If you wait longer than 30 days, you must wait until the next annual enrollment to make a change.

## 60-Day Special Enrollment Period

In addition to these qualifying events, you and your dependents will have a special 60-day period to elect or discontinue coverage if:

You or your dependent's Medicaid or CHIP (Children's Health Insurance Program) coverage is terminated as a result of loss of eligibility; or

You or your dependent becomes eligible for a premium assistance subsidy under Medicaid or CHIP

## Reminders

To enroll in a benefits plan or change your current plan, please remember:

1. The Open Enrollment period for 2020 starts October 19, 2020 and ends on November 1, 2020.
2. You must report a Qualifying Life Event within 30 days of that event to change your benefits plan.
3. New retirees must enroll in a benefits plan within 30 days of their retirement date; otherwise, they forfeit coverage.

**NOTE:** As a retiree, you may waive coverage at any time by completing a waiver form. Please be advised once your benefits are waived, you may not re-enroll in a City of Dallas benefits plan.

## Non-Medicare Eligible Retiree Information

Enrollment Period: October 19, 2020 through November 1, 2020. We encourage you to enroll early in this period to avoid the high volume of activity that occurs late in the enrollment period.

### Verification of Personal Information

To receive your identification cards promptly, make sure that the Benefits Service Center maintains your correct address in the City's Human Resources Information System (HRIS). You may call the Benefits Service Center at (214) 671-6947, option 1, to report an address change or other corrections.

### How to Enroll for New Retirees after Open Enrollment

If you are planning to retire in 2021, call or make an appointment with the Benefits Service Center before your retirement date to discuss retiree enrollment options and payroll deductions. You must enroll within 30 days of your date of retirement. You may be asked to pay up to 1.5 months of retiree health premiums in advance, depending on the date of retirement. If you do not enroll within 30 days of your retirement date, the Benefits Service Center will presume that you have waived your retiree coverage with the City of Dallas. You will not be eligible to participate in the City's health coverage in the future.

If you enroll in retiree coverage, that coverage is effective on the first day of the month following your retirement date with the City. Upon retirement, all life insurance benefits will end unless you exercise your right to convert your coverage to an individual plan. Please contact the Benefits Service Center for additional information.

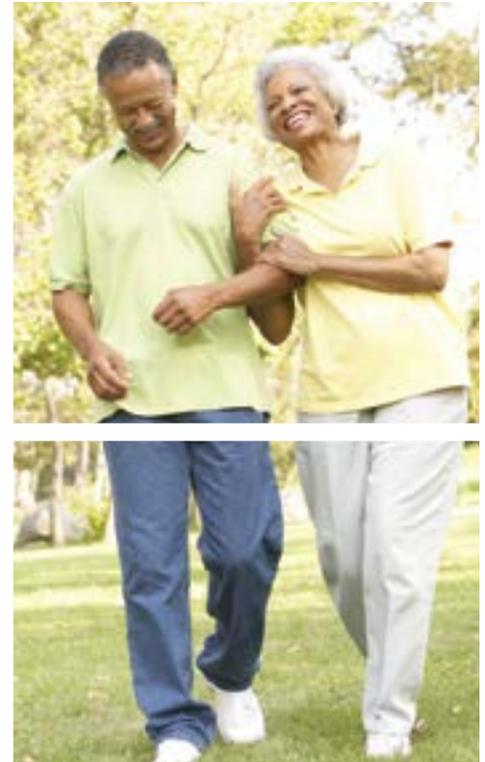

### Dependent Information

To update your dependent information for 2021, please take one of the following steps:

1. Call (855) 855-2871 and speak with a representative to add or remove a dependent(s). Please provide documentation as listed on the Eligible Dependent chart in this guide.
2. If you do not plan to make changes, no action is required. Please check your current information for accuracy.
  - » Elections made will be treated as an agreement to pay any required premium through pension check deductions.

Should you experience a long hold time when calling, leave a voicemail message with a daytime telephone number. A customer service representative will call you back within two business days. Spanish-speaking assistance is available.

## Special Note

**If you cancel your medical coverage as a retiree, this is considered a voluntary waiver of coverage. You or your dependents may not re-enroll in any City-sponsored medical plans in the future. You will no longer be eligible to continue dental and/or vision through the City of Dallas upon waiver of medical coverage.**

## Duplicate Medical Coverage by Retiree

In the case where two city retirees are eligible for coverage, only one may enroll for dependent coverage. Both retirees cannot cover each other. In the case both retirees have eligible dependents, only one retiree can cover the dependents. Both retirees cannot cover their eligible dependents. If a retiree and his or her spouse are employed or retired from different employers, and are covered by the same insurance carrier, the health plan will pay only up to the allowable amount.

## Important Disclaimers

### Paying for Medical Coverage

Medical contributions are paid on a post-tax basis for all retirees. Your annual cost of medical coverage depends on the benefit option you choose and the level of coverage you need. Contribution costs for 2021 can be found in this benefits guide.

- » Contributions shall be paid by pension check deduction by all Members who receive pension checks in sufficient amount to permit deduction for the contributions. For each regular pension check during the plan year a member will pay the monthly rates indicated in Article IV of the Master Plan Document. If for any reason a Member's pension check is not reduced by the amount of a contribution or does not receive pension check with a sufficient amount to permit deduction for the contributions, contributions must be paid by cashier's check or money order on a monthly basis.
- » A grace period of 30 days shall be allowed for the payment of each contribution paid directly by the member. If any contribution is not paid within the grace period, the coverage shall terminate on the last date for which contributions are paid.
- » Dropping coverage: In order to drop the City's coverage, a waiver must be signed. The waiver for the City of Dallas states that all benefits will be stopped at the end of the month in which it is received. A waiver of coverage prevents the Retiree and dependents from future enrollment in the City's plan. Termination of coverage due to non-payment will automatically be considered a request to waive coverage.

## Dependent Eligibility

If you are covered by a plan, in most cases, you may also cover your eligible dependents as outlined below. Your dependents (spouse and/or children) cannot be covered on a plan if you are not covered.

If you need to add dependents not previously covered, you must provide supporting documentation during your enrollment period. Please be prepared to provide supporting documentation as outlined below. Documentation can be provided via fax to (513) 371-5559, through the My Selerix app, online through the enrollment system, or via email to [youenrollment@ebcoh.com](mailto:youenrollment@ebcoh.com).

**NOTE:** If you and your spouse work(ed) at the City of Dallas and have dependents covered on any of the plans, only one employee/retiree can cover all of the dependents. You cannot split dependents with each employee/retiree taking Employee/Retiree + Child(ren) coverage. The City of Dallas will allow employees/retirees who both work(ed) for the City to determine which coverage will work best for them. For example, married City employees/retirees can pick either Employee/Retiree Only for themselves or one can select Employee + Spouse. If they have children, one employee/retiree can elect Employee/Retiree + Family or they can elect Employee/Retiree Only or Employee/Retiree + Child(ren).

# Medical Coverage

When it comes to medical coverage, the City of Dallas offers three options through BlueCross BlueShield of Texas (BCBSTX). Each medical plan provides coverage for the same types of expenses, such as doctor’s office visits, preventive care, prescription drugs, and hospitalization. Most in-network preventive care services are covered at 100 percent.

Under the Blue Choice Copay and Blue Choice HSA plans, you choose a network provider each time you need medical care. The Blue Essentials PCP Plan uses a Texas-only network limited to doctors, specialists, and hospitals in your area. While the network is smaller, rest assured that Blue Essentials providers offer top-tier quality and cost-efficiency. This plan is only available to those who live in Texas in a Blue Essentials network area.

Under all plans, you receive no benefits from the plan if you use a non-network provider — you will be responsible for 100 percent of the cost for all care you receive. To find providers in your network, log in to Blue Access for Members at [www.bcbstx.com/member](http://www.bcbstx.com/member) and click on the *Provider Finder* tool. All you’ll need are your group and ID numbers, found on your member ID Card.

**Treatment to affirm gender identity:** You are covered for management, consultation, counseling, hormones, laboratory services, and surgical services for purposes of affirming your gender identity and/or gender transition (diagnostically this may be referred to as "gender dysphoria"), including all related medical visits.

Blue Essentials PCP Plan	Blue Choice Copay Plan	Blue Choice HSA Plan
The Blue Essentials PCP Plan offers a Texas-only “Blue Essentials” network of providers with top tier quality and cost-efficiency. You must select a Primary Care Physician (PCP) and get referrals from her/him for all other care*. This plan is only available to those who live in Texas in a Blue Essentials network area.	The Premium Copay Plan lets you pay for certain medical services at a set rate, called a copay. You will pay the copay amount even if you have not yet met your deductible for the year.	The HSA Plan has lower monthly premiums and higher deductibles than a traditional health plan. There are no copays – you and the plan begin sharing expenses only after you’ve met the deductible. This plan also offers a Health Savings Account (HSA).

# About the Health Savings Account (HSA)

The Blue Choice HSA Plan offers a tax-savings feature called the Health Savings Account (HSA). With this account, you can pay for certain out-of-pocket medical expenses throughout the year. You can also enroll in the Limited Purpose Flexible Spending Account (FSA) to help you cover eligible out-of-pocket dental and vision expenses.

## Who Is Eligible For The HSA?

You can participate in the HSA only if you enroll in the Blue Choice HSA plan. You are **not** eligible to contribute if:

- » You are enrolled in Medicare.
- » You are covered by another medical plan (such as your spouse's plan) that does not qualify as a high deductible health plan.
- » You are claimed as a dependent on another individual's tax return.

You or your spouse participates in a Health Care Flexible Spending Account (FSA) at the City or at your spouse's employer.

**Note:** Even if you do not contribute to the HSA, you cannot contribute to the City's Health Care FSA if you are enrolled in the Blue Choice HSA medical plan.

## Prorated HSA Funds

If you enroll as a new hire or experience a Qualifying Life Event (QLE) after January 31, the funds allocated to your account balance will be reduced based on the table below.

**2. Pay your bill online.** Log in to [www.hsabank.com](http://www.hsabank.com) to pay medical providers directly from your HSA.

**3. Pay for expenses out of your own pocket,** and then reimburse yourself from your HSA.

## HSA Details

- » If you contribute to your HSA, the City will contribute up to \$700 to your HSA for employee-only coverage or up to \$1,700 to your HSA for family coverage.
- » Your HSA contribution does not count as taxable income. That means you can cover eligible medical, dental, and vision costs with tax-free dollars.

# Prescription Drug Coverage

If you enroll in one of the City of Dallas medical plans, you will automatically receive prescription drug coverage through BCBSTX-Prime Therapeutics.

When you need a medication, ask your doctor or other prescriber if there is a generic available, as these generally cost less, and you may be eligible for an additional discount. Additionally, many diabetic and hypertension drugs are available at no cost for PCP and Copay plan participants. For Blue Choice HSA plan members, certain generic preventive drugs (including diabetic and hypertension drugs) are subject to 20% coinsurance, deductible waived.

Qualifying drug lists are available on the City of Dallas Benefits website.

## Retail Pharmacy Network

Short-term medications can be filled at network pharmacies up to a 31-day supply. The BCBSTX-Prime Therapeutics Advantage Choice network includes more than 55,000 participating pharmacies nationwide. To locate a pharmacy, log in to [www.myprime.com](http://www.myprime.com).

	PCP Plan	Copay Plan	HSA Plan
<b>Generic Medications</b>	\$15 copay	\$15 copay	You pay 20% after medical deductible is met
<b>Preferred Brand-Name Medications</b>	\$40 copay	\$40 copay	You pay 20% after medical deductible is met
<b>Non-Preferred Brand-Name Medications (Includes Specialty Drug Formulary)</b>	\$75 copay	\$75 copay	You pay 20% after medical deductible is met

## Long-Term (Maintenance) Medications

The City's prescription drug coverage offers you choice and savings when it comes to filling long-term, or maintenance, prescriptions (up to a 90-day supply). You have two ways to save, and you can easily order refills and manage your prescriptions anytime at [www.myprime.com](http://www.myprime.com).

### Retail Pharmacy

- Pick up your maintenance medication at a time that is convenient for you at a retail pharmacy
- Enjoy same-day prescription availability
- Talk with a pharmacist face-to-face

### Mail Service Pharmacy

- Enjoy convenient home delivery of your prescriptions with AllianceRx.
- Sign up at [www.alliancerxwp.com/home-delivery](http://www.alliancerxwp.com/home-delivery) or (877) 357-7463.
- Ask your doctor to fax ((800) 332-9581) or e-prescribe your prescriptions to AllianceRx on your behalf. Or, AllianceRx can contact your doctor to get your prescriptions.

## Generic Step Therapy

For certain high-cost prescription drugs, you may need to try two alternative, generic medications first before “stepping up” to a more costly treatment. Your pharmacist will let you know at the time of purchase if your prescription requires step therapy.

## Dispense As Written Penalty

If you elect to fill a brand-name medication when a generic is available, you will pay your generic copay AND the cost difference between the brand-name and the generic medication. Generic drugs can save you money. They are chemically equivalent to brand-name medications, but they generally cost a fraction of the price.

## Specialty Drug Formulary Prescriptions

Certain specialty drug formulary prescriptions — medications used to treat complex conditions like cancer, multiple sclerosis, and autoimmune disorders — must be filled with a drug on BCBSTX-Prime Therapeutics' approved list. If you choose to fill your prescription with a drug on the “non-covered” list, you will be required to pay the full cost of that drug. Please visit [cityofdallasbenefits.org](http://cityofdallasbenefits.org) for a list of both the covered and non-covered drugs on the Balanced Drug List.

# Enhanced Benefit Tier (Copay and HSA Plans)

The Blue Choice Copay and Blue Choice HSA medical plans offer an enhanced facility benefit that will increase the benefits you receive when you use certain BCBSTX network facilities.

When you visit a regular BCBSTX in-network facility for care, the plan pays your facility charges at 80% coinsurance after you meet your deductible. When you visit a facility that is part of the enhanced benefit tier, the plan pays your facility charges at **90% coinsurance** after you meet your deductible. This enhanced benefit applies to facility charges only — all other charges (physician fees, lab services, etc.) are paid at your plan’s regular levels.

The enhanced benefit tier includes many Baylor and Methodist facilities all over the DFW Metroplex. Please call the number on the back of your ID card to have a Benefit Value Advisor assist you in finding a facility and scheduling an appointment.

What are facility charges?	Facility charges do NOT include
Facility charges include cost for running the facility, such as supplies, equipment, exam rooms and inpatient & outpatient rooms	Physicians fees, office visits, lab work, anesthesiologist, and prescription drugs and medications

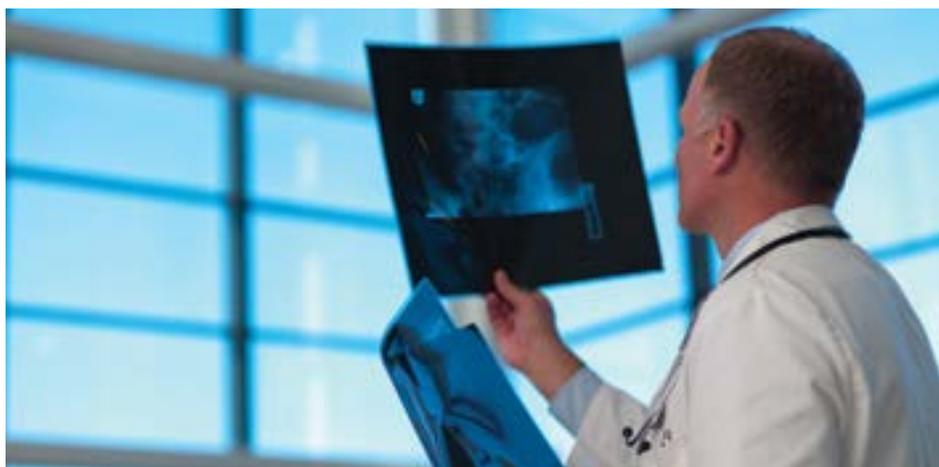

## Blue Essentials Network Information

The Blue Essentials PCP medical plan uses the Blue Essentials (HMO) network, which is a Texas-only network limited to doctors, specialists, and hospitals in your area. While the network is smaller, rest assured that Blue Essentials providers offer top-tier quality and cost-efficiency. And if you need care while traveling, you can use doctors or hospitals in the Away from Home Care feature.

Blue Essentials PCP plan participants must select a Primary Care Physician (PCP) and get referrals from her/him for all other care except for the following: emergencies, obstetrical and gynecological services, behavioral health/chemical dependency services, and annual diabetic retinal eye exams. Doctors that you can designate as your PCP include family practitioners, general practitioners, internists, obstetricians & gynecologists, and pediatricians.

Having one health care expert — your “PCP” — to coordinate all of your health care needs can help keep your costs and your health on track. And an early diagnosis and treatment can keep many common health issues from getting worse.

**Note:** This medical plan is only available to those who live in Texas in a Blue Essentials network area. It is not recommended for those who travel outside of Texas for long periods or who have a dependent living out-of-state.

Once the out-of-pocket maximum has been met, the non-preventive visit fee will drop to \$0.

# Will You Become Medicare Eligible Soon?

If you are approaching Medicare eligibility, here are the steps you should take to ensure a smooth transition to Medicare coverage:

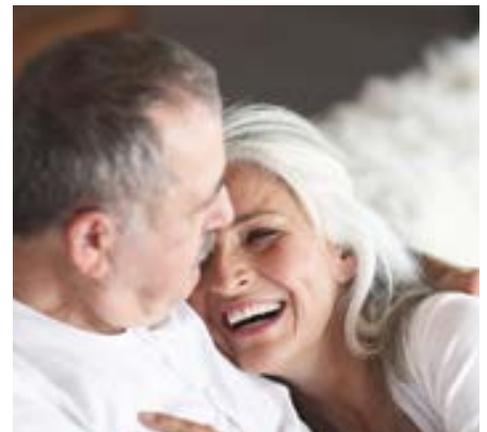

## 1. Enroll in Medicare Parts A and B

Three months (90 days) before you become Medicare eligible, contact your local Social Security Administration Office to enroll in Medicare Parts A and B.

- » Retirees and/or their covered spouses must enroll in Medicare Parts A and B upon becoming Medicare eligible as a requirement of medical coverage through the City's benefit programs. Contact the Benefits Service Center if you or your spouse is not otherwise qualified for premium-free Medicare Part A coverage due to quarters earned through your employment or your spouse's employment.
- » Retirees must pay the full cost of the monthly premium for Medicare Part B. Medicare may charge a penalty to retirees who delay enrollment in Medicare Part B at the time of initial eligibility.
- » If a retiree waives coverage in a City sponsored health plan, the retiree will not be eligible for inclusion of Medicare Part A premium payments to be made on their behalf by the City of Dallas. Contact your local Social Security Administration office or go to [www.ssa.gov](http://www.ssa.gov) to enroll and determine eligibility.

## 2. Enroll in a Medical Supplement Plan

Once you have enrolled in Medicare Parts A and B, and become Medicare-eligible, you are no longer eligible to participate in the City's regular health plans. You must enroll in a one of the Medicare Advantage plans offered by the City or another Medicare plan offered through a private insurance carrier. Both plans offered by the City include prescription coverage — you cannot enroll in a separate Medicare Part D plan in addition to a medical supplement plan if you choose one of the City-sponsored options.

# Important Notices

## Important Notice About Your Prescription Drug Coverage & Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with the City of Dallas and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. The City of Dallas has determined that the prescription drug coverage offered by the Plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

### When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th. However, if you lose your current creditable prescription drug coverage through no fault of your own — you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

### What Happens to Your Current Coverage if You Decide to Join a Medicare Drug Plan?

If you are enrolled in a City health plan; that coverage pays for medical expenses in addition to prescription drug expenses which are included the plan's design. As a retiree, if you decide to join a non-City of Dallas sponsored Medicare drug plan, your current City of Dallas coverage will be affected as you cannot be enrolled in two plans. If you decide to join a Medicare drug plan as a retiree that is not sponsored by the City of Dallas and drop your current City of Dallas coverage, be aware that you and your dependents will not be able to get this coverage back. See pages seven through nine of the CMS Disclosure of Creditable Coverage To Medicare Part D Eligible Individuals Guidance (available at <http://www.cms.hhs.gov/CreditableCoverage>), which outlines the prescription drug plan provisions/options that Medicare eligible individuals may have available to them when they become eligible for Medicare Part D.

### When Will You Pay a Higher Premium (Penalty) to Join a Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with the City of Dallas and are eligible for Medicare and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later. If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1 percent of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

### For More Information About This Notice or Your Current Prescription Drug Coverage

Please contact the Benefits Service Center at (214) 671-6947 Option 1 or send written correspondence to the address listed at the end of this notice.

NOTE: This notice will be provided in each annual enrollment guide and if this coverage through the City of Dallas changes. You also may request a copy of this notice at any time.

### For More Information About Your Options Under Medicare Prescription Drug Coverage

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans. For more information about Medicare prescription drug coverage:

- Visit [www.medicare.gov](http://www.medicare.gov).
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help.
- Call 800-MEDICARE (800-633-4227). TTY users should call (877) 486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. Remember: If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty). ### How Your Protected Health Information May Be Used or Disclosed

We may access your health information at various times depending on the action required to be completed to your account to maintain your health benefits. We may also document your conversations with the Benefits Division or Wellness Staff. Employees and business associates will have access to view your health information to perform certain activities for the OHCA. They will be given access to your information to help you with your inquiries related to your plan(s) or program. They may also access your information to perform business or administrative functions for the plan(s) and program. At all times, we take steps to ensure that no use or disclosure is inconsistent with the Privacy Rule. Your health records pertaining to your mental health (e.g. psychotherapy notes), substance or drug abuse, and alcohol abuse histories and information relating to HIV test results are subject to stricter disclosure rules under Texas law. We require your written authorization or that of your authorized representative to release this information when requested. The City has certified that your health information will not be used for any employment-related actions or decisions or activities that deviate from managing the plans and program listed above. Violations of these rules are subject to disciplinary action. Below, we describe the different ways we may use and disclose your health information and provide examples for the different disclosures.

### Treatment

When the plans and program in the OHCA do not provide treatment services, but your health care provider or physician does we (or the third-party plan administrator) may confirm your health benefits to a health care provider. For example, if your physician wishes to determine whether a plan covers a prospective treatment or medication, they may contact us (or our third-party administrator) for this information. We may also share your personal information (name, DOB, social security, address or other identifying information) with BlueCross BlueShield of Texas (BCBSTX), or BCBSTX-Prime Therapeutics, or other business associates who update the information we have on file for you in the health plans database(s). For example, a business associate may have access to the plans' database(s) to add new or additional subscribers to your plan, to make changes to your benefits elections, or to update your profile information – in an effort to provide the most up-to-date information to facilitate the treatment activities of your health care provider.

### To Pay Your Health Insurance Premiums, Health Plan Contributions or Benefit

The plans and program may use and disclose your health information to obtain premiums for the health insurance, to pay for the health care services you receive (claims paid by third-party administrator) or to subrogate a claim. For example, we may need to provide your health information to a different insurance company to obtain reimbursement for health care benefits provided under the health plans to you, your spouse, or your dependents. The OHCA may also provide your health information to business associates (e.g. billing companies, claims processing companies) that participate in billing and payment activities for the plans and program in the OHCA.

## Plan Operations

We may use and disclose your protected health information for our health care operations activities. This interaction is needed to run the plans more efficiently and provide effective coverage. Health care operation activities could include: administering and reviewing the health plans, underwriting health plan benefits, determining coverage policies, performing business planning, arranging for legal and auditing services, customer service related training activities, or determining plan eligibility criteria, etc. Your information may be shared with business associates that perform a service for the plans and program in the OHCA. Note, however, the health plans will never use genetic PHI for underwriting purposes. The health plans will only disclose the minimum information necessary with respect to the amount of health information used or disclosed for these purposes. In other words, only information relating to the task being performed will be used or disclosed. Information not required for the task will not be used or disclosed. The health plans may also contact you to provide information about treatment alternatives or other health-related benefits and services that may be of interest to you.

## To Business Associates

We may share your health information with third-party business associates who perform certain business activities for the health plans. Examples include consultants, attorneys, billing or claims processing companies, interpreters, and auditors. Business associates are required through contract with us and by law to appropriately safeguard your PHI.

The health plans are also allowed to use or disclose your health information without your written authorization as required by law.

## Disposal of Protected Health Information

Once we no longer need your protected health information we will either destroy it, return it, or if neither is feasible, we will store it securely and prohibit further uses and disclosures except to the extent use or disclosure is unavoidable for up to seven (7) years.

## Other Uses and Disclosures Requiring Your Authorization

We are prohibited from using or disclosing your health information if the use or disclosure is not covered by a situation above. We will ask for your written authorization for other uses or disclosures. If you give us your written authorization to use or disclose your protected health information, you may revoke that permission, in writing, at any time, but not for any actions we have already taken. If you revoke your permission, you must be specific about which entity's permission is being revoked.

## Rights You Have Regarding Your Health Information

### Right to Inspect and Copy

You have the right to inspect and copy your health information that the Health Plan maintains for enrollment, payment, claims determination, or case or medical management activities, or that the Plan uses to make enrollment, coverage or payment decisions (the "designated record set"). However, you do not have a right to inspect or obtain copies of psychotherapy notes or information compiled for civil, criminal, or administrative proceedings.

The Plan may provide you with a summary or explanation of the information instead of access to or copies of your health information, if you agree in advance and pay any applicable fees. The Plan also may charge reasonable fees for copies or postage. You must submit your request in writing to the Benefits Division. You may be charged a fee for the related costs, such as copying and mailing. If your request to inspect or copy your health information has been denied, you will be notified in writing of your rights of appeal at that time.

### Right to Access Electronic Records

You may request access to your electronic health records (usually compiled by health care providers) or electronic copies of your PHI held in a designated record set, or you may request in writing or electronically that another person receive an electronic copy of these records. The electronic PHI will be provided in a mutually agreed-upon format, and you may be charged for the cost of any electronic media (such as a USB flash drive) used to provide a copy of the electronic PHI.

### Right to Amend

If you feel that protected health information held in the official file is incorrect or incomplete, you must submit written request that the information be amended; you must support the basis for your request. We are not required to grant your request if we do not maintain or did not create the information, or if it is correct. We must respond to your request within 60 days, unless a written notice of a 30-day extension is provided.

### Right to an Accounting of Disclosures

You may seek an accounting of certain disclosures by requesting a list of the times we have shared your health information. Your request must be in writing. Your request should indicate in what form you want the list (for example, paper or electronically). The first list you request within a 12-month period will be free. For additional lists, you may be charged for the costs of providing the list. You will receive a response no later than 60 days from when we receive your request, unless a written notice of a 30-day extension is provided.

### Right to Request Restrictions

You may request that we limit the way we use or share your health information. You should submit your request in writing. We will consider your request and respond accordingly. We are not required to agree to the request.

### Right to Request Confidential Communications

You may request that we contact you in a certain way or at a certain location, for example, you can ask that we only contact you at work or by mail. Your request must specify how or where you wish to be contacted. Due to procedural or system limitations, in some instances, it may not be reasonable to send confidential communications to multiple addresses for persons who reside in the same household or derive coverage through the same individual participant.

However, the health plans must accommodate your reasonable request to receive communication of PHI by alternative means or at alternative locations, if you clearly state that the disclosure of all or part of the information through normal processes could endanger you in some way. The Privacy Officer will monitor and manage this process according to protections afforded under applicable law.

### Right to Receive Notice of A Breach

You may receive a notice from us regarding the breach of your unsecured health information if you are affected. We will inform you of the action we will take and how you can protect yourself from potential harm.

### Receive a Copy of This Notice

You may ask for a paper copy of this notice by calling the Benefits Division at (214) 671-6947 Option 1. You may also view this notice at the health plans website at [www.cityofdallasbenefits.org](http://www.cityofdallasbenefits.org).

### Changes to This Notice

We reserve the right to change this notice and will distribute as required. We reserve the right to make the revised notice effective for health information we already have about you as well as any information we receive in the future. We will post the revised copy on the health plans' websites and distribute information about the update as required by the regulations.

## Women’s Health Cancer Rights Act (WHCRA) Enrollment Notice

If you have had or plan to have a mastectomy, you may be entitled to certain benefits under the Women’s Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient for:

- All stages of reconstruction of the breast on which the mastectomy was performed
- Surgery and reconstruction of the other breast to produce a symmetrical appearance,
- Prosthesis, and
- Treatment of physical complications of the mastectomy, including lymphedema.

The benefits provided are subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. If you would like additional information on WHCRA benefits, call your plan administrator at (800) 736-1364.

## Newborn & Mothers Health Protection Notice

For maternity hospital stays, in accordance with federal law, the Plan does not restrict benefits, for any hospital length of stay in connection with childbirth for the mother or newborn child, to less than 48 hours following a vaginal delivery or less than 96 hours following a Cesarean delivery.

However, federal law generally does not prevent the mother’s or newborn’s attending care provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours, as applicable). The plan cannot require a provider to prescribe a length of stay any shorter than 48 hours (or 96 hours following a Cesarean delivery).

## Notice of Special Enrollment Rights

If you decline enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for your other coverage (or if the employer stops contributing toward your or your dependents’ other coverage). However, you must request enrollment within 30 days after you or your dependents’ other coverage ends (or after the employer stops contributing toward the other coverage). In addition, if you have a new dependent as a result of marriage, birth, adoption or place for adoption, you may be able to enroll yourself and your dependents.

However, you must request enrollment within 30 days following the marriage, birth, adoption or placement for adoption. To request special enrollment or obtain more information, contact the Benefits Service Center at (214) 671-6947 Option 1.

## 60-Day Special Enrollment Period

In addition to the qualifying events mentioned in this guide, you and your dependents will have a special 60-day period to elect or discontinue coverage if:

- You or your dependent Medicaid or CHIP (Children’s Health Insurance Program) coverage is terminated as a result of loss of eligibility; or
- You or your dependent becomes eligible for a premium assistance subsidy under Medicaid or CHIP

## Continuation of Health Coverage During Family & Medical Leave (FMLA)

The Family and Medical Leave Act of 1993 (FMLA) requires employers to provide up to a total of 12 weeks of unpaid, job-protected leave during any 12-month period to eligible employees for certain family and medical reasons.

This provision is intended to comply with the laws and any pertinent regulations, and its interpretation is governed by them. See the City of Dallas Personnel Rules to find out how this continuation applies to you. For the duration of FMLA leave, the employer must maintain the employee's health coverage. The employee may continue the plan benefits for himself or herself and his or her dependents on the same terms as if they employee had continued to work. The employee must pay the same contributions toward the cost of the coverage that he or she made while working. If the employee fails to make the payments on a timely basis, the employer, after giving the employee written notice, can end the coverage during the leave if payment is more than 30 days late.

Upon return from a FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits and other employment terms. The use of a FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

## Patient Protection Disclosure

The City of Dallas' Blue Essentials PCP medical plan generally requires the designation of a primary care provider. You have the right to designate any primary care provider who participates in our network and who is available to accept you or your family members. For information on how to select a primary care provider, and for a list of the participating primary care providers, contact BlueCross BlueShield of Texas at (855) 756-4445.

For children, you may designate a pediatrician as the primary care provider.

You do not need prior authorization from the Blue Essentials PCP medical plan or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact BlueCross BlueShield of Texas at (855) 756-4445.

## Wellness Program and Reasonable Alternatives Notice

Benefit Rewards is a voluntary wellness program available to all employees. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others. If you choose to participate in the wellness program you will be asked to complete an online health assessment that asks a series of questions about your

health-related activities and behaviors and whether you have or had certain medical conditions (e.g., cancer, diabetes, or heart disease); an annual physical or age-appropriate screening with your physician; and a biometric screening with your physician (or at a City of Dallas onsite event, if applicable), which includes height, weight, waist circumference, and a blood test for cholesterol, glucose levels, and triglyceride levels. You are not required to participate in the wellness program or complete any of the activities mentioned above.

However, employees who choose to participate in the wellness program will receive an incentive for completing the steps outlined above. Although you are not required to participate, only employees who do so will receive the incentive.

If you are unable to participate in any of the health-related activities needed to earn an incentive, you may be entitled to a reasonable accommodation or an alternative standard. You may request a reasonable accommodation or an alternative standard by contacting the Benefits Service Center at (214) 671-6947 (option 1) or [hrbenefits@dallascityhall.com](mailto:hrbenefits@dallascityhall.com).

The information from your health assessment and the results from your screening will be used to provide you with information to help you understand your current health and potential risks, and may also be used to offer you services, such as diabetes management or tobacco cessation. You also are encouraged to share your results or concerns with your own doctor.

### Protections from Disclosure of Medical Information

We are required by law to maintain the privacy and security of your personally identifiable health information. Although the wellness program and the City of Dallas may use aggregate information it collects to design a program based on identified health risks in the workplace, the wellness program will never disclose any of your personal information either publicly or to the employer, except as necessary to respond to a request from you for a reasonable accommodation needed to participate in the wellness program, or as expressly permitted by law. Medical information that personally identifies you that is provided in connection with the wellness program will not be provided to your supervisors or managers and may never be used to make decisions regarding your employment.

Your health information will not be sold, exchanged, transferred, or otherwise disclosed except to the extent permitted by law to carry out specific activities related to the wellness program, and you will not be asked or required to waive the confidentiality of your health information as a condition of participating in the wellness program or receiving an incentive. Anyone who receives your information for purposes of providing you services as part of the wellness program will abide by the same confidentiality requirements. The only individual(s) who will receive your personally identifiable health information are health coaches or other wellness program representatives in order to provide you with services under the wellness program.

In addition, all medical information obtained through the wellness program will be maintained separate from your personnel records, information stored electronically will be encrypted, and no information you provide as part of the wellness program will be used in making any employment decision. Appropriate precautions will be taken to avoid any data breach, and in the event a data breach occurs involving information you provide in connection with the wellness program, we will notify you immediately.

You may not be discriminated against in employment because of the medical information you provide as part of participating in the wellness

program, nor may you be subjected to retaliation if you choose not to participate.

### Reasonable Alternatives

Your health plan is committed to helping you achieve your best health. Rewards for participating in a wellness program are available to all eligible employees. If you think you might be unable to meet a standard for a reward under the Benefit Rewards wellness program, you might qualify for an opportunity to earn the same reward by different means. Contact the Benefits Service Center at (214) 671-6947 (option 1) or [hrbenefits@dallascityhall.com](mailto:hrbenefits@dallascityhall.com), and we will work with you (and if you wish, with your doctor) to find a wellness program with the same reward that is right for you in light of your health status.

If you have questions or concerns regarding this notice, or about protections against discrimination and retaliation, please contact the Benefits Service Center at (214) 671-6947 (option 1) or [hrbenefits@dallascityhall.com](mailto:hrbenefits@dallascityhall.com).

## Health Insurance Marketplace Coverage Options and Your Health Coverage

### PART A: General Information

Since key parts of the health care law took effect in 2014, there is another way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the Marketplace and employment-based health coverage offered by your employer.

### What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers “one-stop shopping” to find and compare private health insurance options. You may also be eligible for a tax credit that lowers your monthly premium right away. Typically, you can enroll in a Marketplace health plan during the Marketplace’s annual Open Enrollment period or if you experience a qualifying life event.

### Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn’t meet certain standards. The savings on your premium that you’re eligible for depends on your household income.

### Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer’s health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.83 percent of your household income for the year, or if the coverage your employer provides does not meet the “minimum value” standard

set by the Affordable Care Act, you may be eligible for a tax credit.<sup>1</sup>

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution – as well as your employee contribution to employer-offered coverage – is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

### How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact the City of Dallas Benefits Service Center at (214) 671-6947 Option 1.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit [HealthCare.gov](http://HealthCare.gov) for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area

<sup>1</sup> An employer-sponsored health plan meets the “minimum value standard” if the plan’s share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

### Here is some basic information about health coverage offered by this employer.

As your employer, we offer a health plan to some employees. Eligible employees are:

- Full-time permanent employees, permanent part-time employees and variable hour employees who are intended to work at least 30 hours per week on average

With respect to dependents, we do offer coverage. Eligible dependents are:

- A spouse, children up to age of 26 years, and grandchildren

This coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

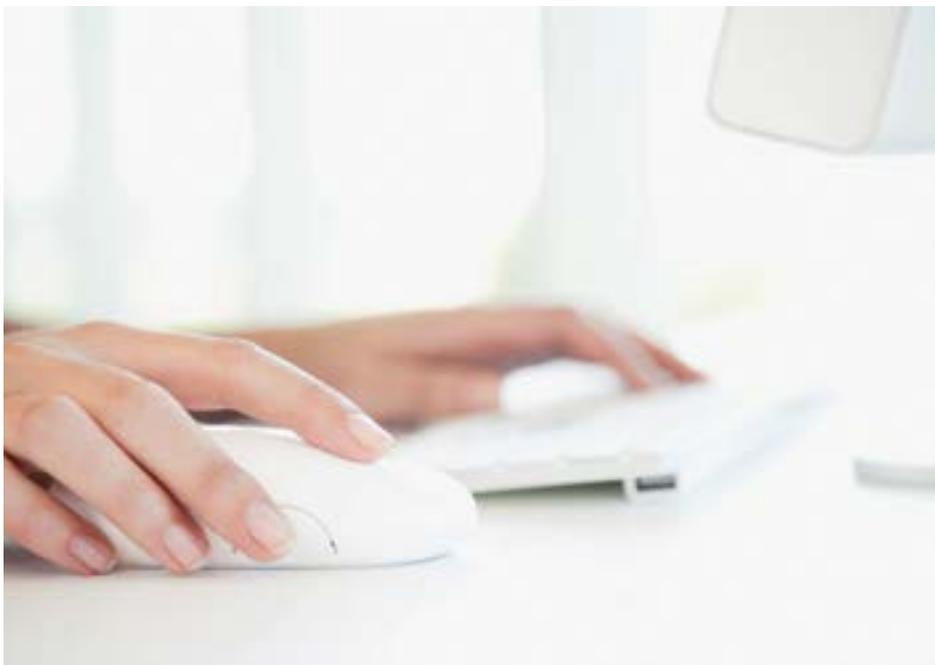

If you decide to shop for coverage in the Marketplace, [HealthCare.gov](https://www.healthcare.gov) will guide you through the process.

### Benefit Participation Upon Retirement

Per Article IV SEC. 34-32 (4) of the City of Dallas Personnel Rules, if a person is not participating in the city's health benefit program at the time the person retires from the city, the person is not eligible for continued health benefits coverage.
