

Benefits: Accessing Form 1095-C

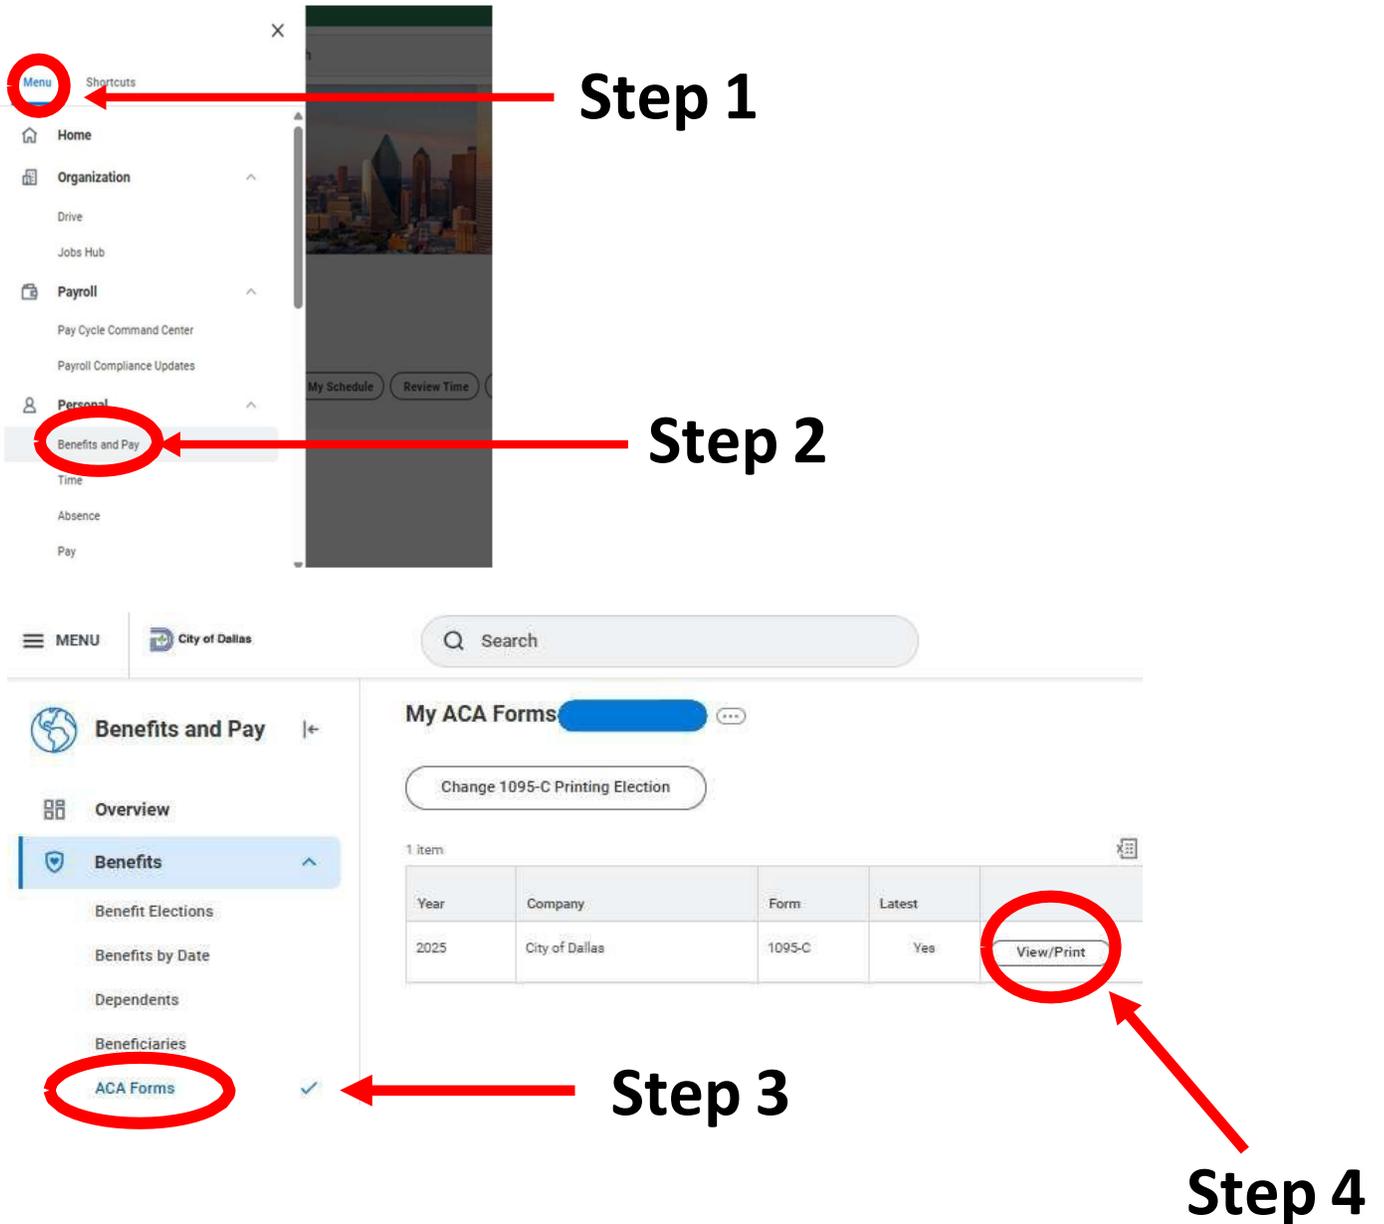

Overview

Form 1095-C is an annual health insurance summary provided by your employer under the Affordable Care Act. It is for your records and is generally not required to file your tax return. Form 1095-C is typically available in March.

Follow the prompts below to access your Form 1095-C.

- Click on Menu from the Home page
- Click on Benefits and Pay under the Personal Section
- Click on ACA Forms
- Click View/Print

You will then be able to download the form for your records.
