

# Dallas Area Rapid Transit Bus Service Disruption Signs

## EVENTS REQUIRE NOTIFICATION TO DART CUSTOMERS

Any "event" that will cause a disruption to DART Bus service requires notification to DART riders 2-WEEKS BEFORE THE EVENT.

## INFO FOR SIGN VENDOR\*

Event Planner provides Sign Vendor\* with the Bus Route Number(s), Month, Day(s) and Time range of the disruption, for each bus stop that will be affected by the Special Event.

See disruption sign "Example of Finished Sign".  
Underlined route no./date/times info in Black will change.  
NOTE: Bus Route numbers are located on the yellow sign at each bus stop. See example of bus stop signs below.

This info needs to be sent to SIGNARAMA\* or a Sign Vendor via email, 4-weeks before the event day.

Please allow a minimum of 1-week for signs to be produced and installed by Event Planner. Signs must be installed 2-weeks before Event.

**\*Coordination, payment of printing, installation and removal of event signs are the responsibility of the Event Planner.**

## INSTALLATION
