**Join the City of Dallas
Planning & Development for a
series of meetings regarding
PD 595 Authorized Hearing.**

An Authorized Hearing is a city-initiated zoning, initiated by either the City Council or City Plan Commission (CPC) to review and determine the proper zoning for an area, often to align zoning with an adopted future land use plan, correct inconsistencies between zoning and existing land uses, and/or address outdated zoning.

The purpose of this Authorized Hearing is to align with the South Dallas Fair Park Area Plan.
