

PROCUREMENT
QUARTERLY

Office of Procurement Services

2Q 2020

Opportunities:	Estimated Value:
101	\$353M

INTRODUCTION

In an effort to increase transparency and equity, the City of Dallas has created a quarterly report of upcoming solicitations. It is the City's intention that the Procurement Quarterly will provide advance notice of bidding opportunities, increasing vendor submissions, encouraging M/WBE participation, providing ample time for planning and preparing competitive bids and proposals and increasing accountability.

Procurement Quarterly:

- Provides a 3-month forecast for all upcoming solicitations of goods, services, and construction over \$50,000
- Includes solicitations from all City of Dallas departments
- Provides information on the department, contract type, solicitation method, description, term, estimated value, sub-contracting opportunities, and the anticipated advertisement date

DOING BUSINESS WITH THE CITY

Procurement Portal

The City of Dallas utilizes Bonfire as its electronic procurement platform. To register as a vendor and submit bids electronically, please visit <https://dallascityhall.bonfirehub.com>.

Vendor Management

Vendors currently doing business with the City can update company information and get updates on vendor payments at <https://vendors.dallascityhall.com>.

Business Inclusion

For information on the City's S/M/WBE Program contact the Office of Business Diversity at (214) 671-5010.

CONTRACTING OPPORTUNITIES BY TYPE

QUARTERLY REPORT KEY

Request for Bids (RFB)
A competitive procurement process to obtain sealed bids for goods and services. The RFB does not allow for negotiation of contract terms and is awarded to the lowest responsible bidder.

Request for Competitive Sealed Proposals (RFCSP)
An alternate competitive procurement process to obtain sealed proposals for acquisition of high technology items, insurance purchases, and other services. The RFCSP includes formal evaluation criteria, best and final offers, negotiation of contract terms on a confidential, fair, and equitable basis, and a most advantageous award.

Request for Qualifications (RFQ)
A document defining the project scope of requested personal, professional, or planning services, which scope is used to notify consultants of the City's intent to contract and to request a written response of their interest. An award may be made from an RFQ only or will be considered as a first step prior to the issuing of an RFP for shortlisted proposers.

Request for Proposals (RFP)
A procurement process outlining the City's needs for performance of a particular consulting, service, revenue, or similar project, its objectives, scope of work, evaluation and qualifications criteria, and other pertinent facts needed in preparing a proposal to perform the requested work for the City. The RFP allows flexibility in procedure, allows negotiation of contract terms, and contemplates a most advantageous award.

Goods
Supplies, equipment and other personal property.

General Services
Services including insurance, technical services related to the purchase of a high technology item, or other types of manual, physical, or intellectual labor.

Professional Services
Services rendered by a member of a recognized discipline with widely accepted standards of required study or specified attainments in special knowledge, as distinguished from mere skill.

Engineering Services
Services rendered by a professional licensed to provide engineering services, such as: structural, civil, mechanical, or electrical.

Construction
Construction of new facilities and capital projects, rehabilitation or alterations to existing structures.
