

Stay on Guard at Work

Protect coworkers, business owners, essential workers and customers to help our local businesses recover from the economic impact of COVID-19:

- Wear a face covering and practice social distancing
- Stay home if you are not feeling well
- Notify your supervisor if you've had close contact with someone COVID-19 positive
- Practice good hand hygiene in the office
- Avoid close contact with others on your commute to work
- Support local businesses to help our local economy recover
- Clean and disinfect frequently touched surfaces and objects
- Take advantage of resources for local business to aid in recovery efforts
