

BARRICADE PERMIT APPLICATION CHECKLIST

City of Dallas

APPLICATION CHECKLIST AND REQUIRED DOCUMENTS

A barricade permit is required for equipment usage, deliveries, on and off loading of materials and storage of materials, supplies, or debris that takes place on public property or within a public way; or, for any temporary or part-day blocking of a street or sidewalk. The holder of a barricade permit is required to repair or replace any public street, curb, sidewalk, drainage structure, or boulevard landscaping located within the barricaded area, or otherwise damaged during construction or demolition, to equal or better condition than that prior to the start of construction or demolition activities. By checking each requirement, you are stating that you have supplied correct and complete information. In the event that the required information is not contained in the submitted documents, you will be notified of the deficiency. Failure to supply the additional requested information within five (5) working days after notification may result in your application being delayed and eventually discarded. A new application, the original application, complete plans and a new checklist will be required for re-submittal for plan review. This re-submittal will be treated as a new application and will be processed in the order of receipt.
