

FENCE PERMIT/POOL BARRIER PERMITS COMMERCIAL AND RESIDENTIAL

APPLICATION CHECKLIST AND MINIMUM REQUIRED DOCUMENTS

City of Dallas

By checking each requirement, you are stating that you have supplied correct and complete information. In the event that the required information is not contained in the submitted documents, you will be notified of the deficiency. Failure to supply the additional requested information within five (5) working days after notification may result in your application being delayed and eventually discarded. A new application, the original application, complete plans and a new checklist will be required for re-submittal for plan review. This re-submittal will be treated as a new application and will be processed in the order of receipt. Complete the information sheet attached.

NOTE: A *Fence Permit* is required to erect a fence that is over four feet high in a front yard, or over six feet high elsewhere. A *Fence Permit* is required to erect a *Swimming Pool Barrier* fence. Fences over 9 feet in height must have Dallas Board of Adjustment approval for location in a set back. Fences over 9 feet in height require a building permit and must be sealed by licensed professional engineer.

Type of Fence:	<input type="radio"/> Residential Fence (Single-family/Duplex)	<input type="radio"/> Commercial Fence (including Multi-family)
	<input type="radio"/> Swimming Pool Barrier Fence	

<input type="checkbox"/>	1. Completed Permit Application.
<input type="checkbox"/>	2.
