LEGAL DESCRIPTION PREPARATION GUIDELINE AND CHECK LIST

The following guideline and check list are provided to assist in the preparation of real property descriptions for fee title conveyances, rights-of-way, easements, lease agreements, license agreements, etc., either for or on behalf of the City of Dallas. Legal Descriptions will be reviewed by the Development Services, Engineering Division, Survey Plat Review Group (SPRG) staff to ensure substantial compliance with both the form and content outlined in these guidelines. Legal Descriptions and Parcel Sketches must comply with both the rules of the Texas Board of Professional Engineers and Land Surveyors and the Professional Land Surveying Practices Act.

Legal Descriptions, for the purposes previously described, are defined as a written metes and bounds description of the boundary of the subject tract. A Parcel Sketch or map is a graphic depiction of the area described by the metes and bounds description. Both documents are prepared from data collected during an on the ground survey. All Legal Descriptions must include a reference to recorded monumentation (Corners of parent tract, platted subdivision, adjoining tract, etc.). The following check list is provided for your assistance in preparing Legal Descriptions and Parcel Sketches for submittal to the Survey Plat Review Group (SPRG).
