◆ = Allowed by right
S = Specific use Permit
R = Residential Adjacency Review²
D = Development Impact Review
L = Limited use only
* = See code/ordinance for details
+ = By special auth of the bldg official

1. Art/craft production facility — a facility for the handcrafted production of art/craft objects on a small scale involving processes such as kiln firing, glass blowing, welding, or woodworking. These facilities must not include:
• Floor area more than 5,000 square feet
• Delivery/pickup of materials more than two times a week
• Production operations between 7:00 pm and 7:00 am
Parking requirements will be the same as warehouse.

2. Sites are considered to have residential adjacency if they are located adjacent or across a street/alley from lots within Sub-district 1.
Land uses permitted with residential adjacency review on these sites must provide solid screening on the sides of the property that have residential adjacency and comply with all residential adjacency requirements specified in Chapter 51A.

3. This land use is specially defined for the Cedars PD #317 in the original ordinance or through subsequent amendments.

4. Non-conforming land uses are protected by ordinance from termination for 10 years from the date of adoption of the ordinance, by the end of which period they are required to come into

5. Alcoholic beverage manufacturing — permitted only in a legacy building in Subdistrict 3C.
Floor area devoted to manufacturing, blending, fermentation, processing, and packaging of alcoholic beverages may not exceed 10,000 square feet. All spent grains stored outside must be in sealed containers. Food service and meeting and event spaces are permitted with this use.

6. Recycling center is allowed by SUP in 4A.
