

NOTICE OF NEIGHBORHOOD MEETING STEVENS PARK CONSERVATION DISTRICT

CITY OF DALLAS

The proposal to amend the Stevens Park Conservation District (CD No. 20) began with a series of neighborhood meetings which took place on February 22, March 13, and March 27, 2018. At these meetings, the petition language (which is listed on the other side of this page) your neighborhood chose for consideration was discussed and proposed amendments were developed based on neighborhood input and staff analysis. This meeting is being held to present and review those proposed amendments. The draft ordinance of the proposed amendments is posted on our website at the following link for your reference:

http://dallascityhall.com/departments/sustainabledevelopment/planning/Pages/stevens_park.aspx

You are receiving this meeting notice because you own property in the Stevens Park Conservation District. It is in your best interest to attend the meeting as you may be affected by future amendments.

Stevens Park CD Area

Meeting Information:

Date: Tuesday, June 19, 2018

Time: 6:00 p.m. to 8:00 p.m.

Location: Turner House
401 N Rosemont Ave
Dallas, TX 75208

We encourage everyone to attend the neighborhood meeting. For additional information, please contact Andrew Ruegg at 214-671-7931 or andrew.ruegg@dallascityhall.com or visit our website under the section "Conservation Districts In Process: Stevens Park – CD #20" at the following link:

Si desea información en español, favor de llamar a Mary Williams al 214-670-4209.

Development Standards for consideration per the petition signed by 59% of property owners

REVISED: 10/25/2016

- Height - proposed amendments may include:
 - Modifying how height is measured
 - Height of Structures in Subarea B - establishing the maximum allowed height for structures.
- Accessory Structures - proposed amendments may include:
 - Revising the definition of accessory structure to include, "pool houses".
 - Existing Nonconforming Accessory Structures - applying the language for nonconforming accessory structures in Subarea B to Subarea A; and permitting use of similar architectural materials
 - New Accessory Structures - adding language (to Subareas A and B) that new accessory structures must be built in the architectural style applicable to the main structure on the lot; and permitting use of similar architectural materials.
 - Small Accessory Structures - exempting small accessory structures from compliance with the architectural styles
 - Subarea A - establishing setbacks for accessory structures greater than 16 feet in height, less than 16 feet in height; and establishing rules for accessory structures that are nonconforming as to setbacks
 - Subarea B - amending the side and rear yard setbacks, height, and how height is measured
 - Replacement or Remodel of Accessory Structures - clarifying the architectural styles permitted for a replacement or remodeled accessory structure; establishing the permitted size of rebuilt nonconforming accessory structures;
- Wrap-Around and Front Facade - proposed amendments may include:
 - Reducing the depth of the wrap-around
 - Revising the definition of New Main Structure to mean a main structure that does not incorporate an existing structure's "Wrap-around" and "Front façade."
 - Revising the definition of Remodel to apply to a change to a main structure's "Wrap-around" and "Front façade;" and the exterior of other structures
- Similar Architectural Materials - proposed amendments may include, defining similar architectural materials to mean similar in terms of physical appearance and function and not material composition
- Setbacks for Main Structures - proposed amendments may include:
 - Front Yard Setback Subarea A - making the front yard setback consistent for both existing and new main structures
 - Side Yard Setback Subarea A - modify the language to address additions or remodels to existing main structures with nonconforming side yard setbacks
 - Setbacks for Main Structures (Subarea B) - modifying the language to address additions or remodels to existing main structures with nonconforming side yard setbacks
- Permitted Uses - proposed amendments may include:
 - Modifying the permitted uses in Subareas A and B
- Architectural Styles - for new main structures - proposed amendments may include:
 - Clarifying required architectural styles for new main structures
 - Modifying the roof form and material requirements, the porch requirement, and the architectural features requirement for some architectural styles.
- Materials for architectural Styles - proposed amendments may include:
 - Clarifying the use of "similar materials" and amending the allowable materials for some architectural styles in Subareas A and B
 - Modifying the requirements for replacement windows and clarifying that similar architectural materials can be used for replacement windows
- Architectural Survey - proposed amendments may include: correcting errors in the architectural survey in the CD ordinance
- Driveways - proposed amendments may include: increasing the maximum driveway width in Subarea A and B
- Lot Coverage - proposed amendments may include: clarifying the maximum lot coverage for a lot with a new main structure in Subarea A is 35% and in Subarea B is 45%.
- Retaining Walls - proposed amendments may include clarifying the materials that may be used to construct retaining walls; and permitting use of similar materials
- Tree Mitigation - proposed amendments may include clarifying the size and number of trees that may replace protected trees
