Agenda

- Project Background
- Project Purpose
- Proposed Improvements
- Next Steps
- Q&A

Project Background

Project Background

January 2025

City Council authorizes award of contract for Schematic Design and Environmental Clearance (Phase I) of the Camp Wisdom Road Pedestrian Improvements Project.

February 2025

Project Kick-off

January 2026

Schematic Approved by TxDOT

Ongoing

Environmental Clearance (this evening's outreach is part of the process) and Plans, Specification & Estimates (PS&E) design to prepare letting documents

Project Purpose

Project Purpose

Improve safety and pedestrian access along Camp Wisdom Road for residents and roadway users.

- Upgrade sidewalks and pedestrian facilities within the project limits with a focus along Camp Wisdom Road.
- Select traffic signal and intersection improvements along Camp Wisdom Road within project limits to provide safe operations for both pedestrians and motorists.
- Evaluate potential needs for Right-of-Way (ROW) and/or utility relocations to accommodate pedestrian facilities and proposed improvements.

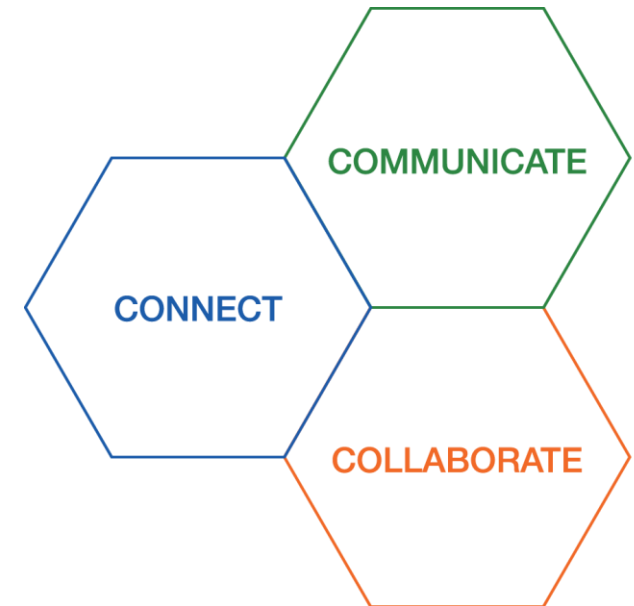

Proposed Improvements

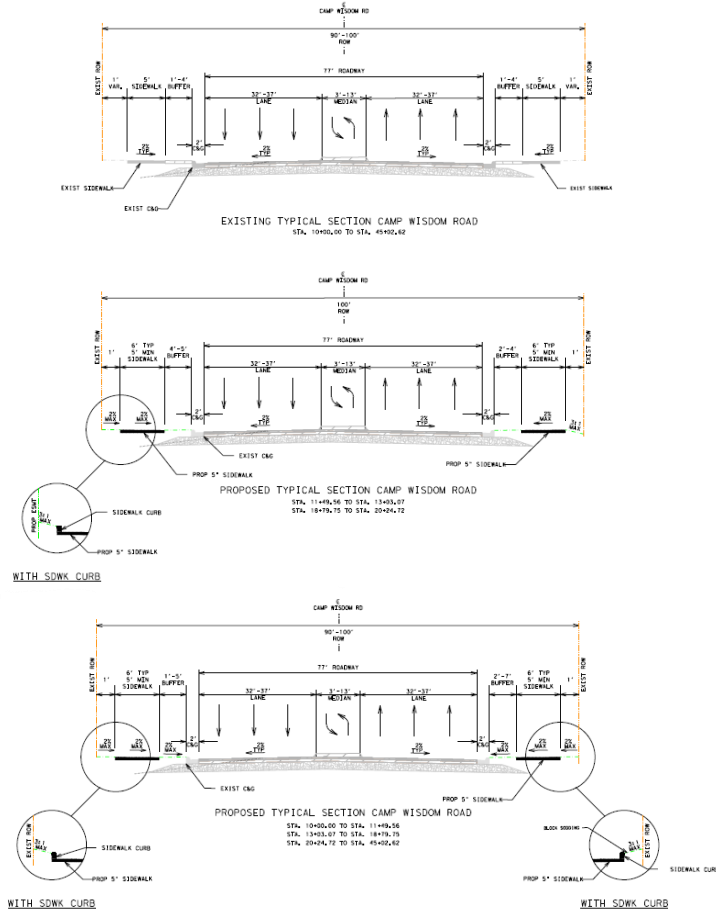

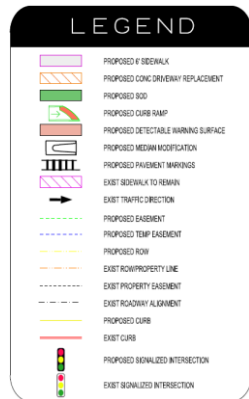

Proposed Improvements

- **Sidewalk Improvements**
 - 5' to 6' Sidewalks throughout project area
 - Upgraded pedestrian facilities throughout project area
- **Signing & Pavement Marking Improvements**
 - Upgraded crosswalks at intersections
 - Refresh pavement markings on intersection approaches
- **Traffic Signal Improvements**
 - Camp Wisdom Road & Westmoreland Road – traffic signal reconstruction
 - Camp Wisdom Road & Del Rey Drive – traffic signal reconstruction
 - Camp Wisdom Road & Pastor Bailey Drive – traffic signal reconstruction

*All traffic signal improvements will include crosswalk upgrades

Proposed Improvements – Camp Wisdom Road

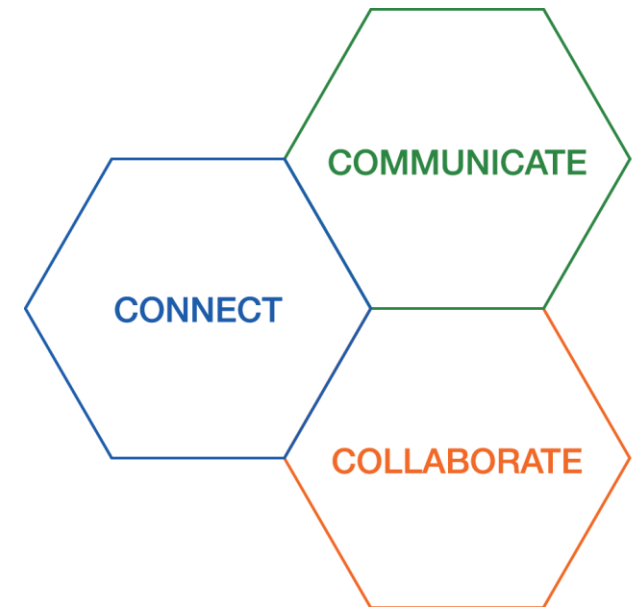

Next Steps

Next Steps

- Compile public input and finalize environmental clearance
- Continued detailed design (PS&E) and ROW acquisition (if needed) - Fall 2026
- Anticipated construction start in Summer 2027
