SUBJECT Upcoming Agenda Item: External Auditing Service Contract Award

On April 20, 2015, the Budget, Finance and Audit Committee conducted interviews for external auditing services. The following are the results of the overall evaluation.

Background
The City Charter (Chapter III, Section 19) requires an annual independent audit of the City's financial statements, related records and accounts by a firm registered with the Texas State Board of Public Accountancy. The Single Audit Act of 1996, as amended, also requires an audit of grantees who have received federal grants exceeding certain thresholds.

The Auditing Services contract is unique with the selection and award of the contract being solely made by the City Council. The process of selection includes all standard City notification processes followed by the final recommendation for award being made by the Budget Finance and Audit Committee.

Results
At the conclusion of the April 20th Committee meeting, ranking forms were provided to all Committee members. Business Development and Procurement Services staff requested Best and Final Offers from all five firms. This process provides the firms the ability to modify their initial proposal, including pricing. The chart attached shows the ranking tabulation incorporating all of the evaluation criteria.

Based on the summary ranking, Grant Thornton, LLP is the most advantageous proposer. In anticipation of Grant Thornton, LLP participating in the process, the City included the below listed language in the contract to address audit partner rotation if recommended by the Budget, Finance and Audit Committee:

XII. Relationship with Current Audit Firm

The City Council awarded a three-year contract to Grant Thornton LLP in 2007 to perform the audits for the City's fiscal years 2007, 2008 and 2009. In 2009, the City awarded a new three-year contract with two one-year renewals, which were subsequently approved, for fiscal years 2010 – 2014. The current firm is eligible to submit a response to this RFCSP, contingent upon current audit partner rotation off of the engagement beginning with the fiscal year 2015 audit and continuing for the remainder of the engagement.

Grant Thornton, LLP has indicated they will have new lead engagement and quality review partners for the City upon approval of the contract. Grant Thornton, LLP has proposed to utilize a diverse team of sub-contractors to provide auditing services. Their overall planned M/WBE participation for this contract is 36.3% utilizing the following firms: Serna & Company, PC, Hopkins & Associates, Logan & Associates, P.C., and Owens & Thurman, P.C.

Based on the results of the evaluation, an action item will be on the Council's June 10, 2015 agenda authorizing a five year service contract for Auditing Services with Grant Thornton, LLP in an amount not to exceed $4,459,678. Funding will be provided as follows:

- Current funds $ 4,069,454
- Capital projects funds for services related to bond offerings $35,571
- Dallas Water Utilities for services related to bond offerings $35,571
- Tax Increment Financing Zones $103,000
- Aviation fund for the audit of Passenger Facilities Charges $45,130
