GENERAL STATEMENT OF CITY LEGISLATIVE FOCUS

Oppose any federal action that would:

- Impose unfunded mandates on the City, or
- Constrain the ability of cities to allocate resources to locally-determined priorities.

Support legislation that:

- Creates opportunities for individuals and businesses to thrive and prosper,
- Provides an equitable distribution of federal funds, and
- Addresses the concerns and issues confronting large metropolitan cities, including urban transportation, crime reduction, affordable housing and healthy neighborhoods.

Deficit Reduction:

- The City generally supports a balanced approach to deficit reduction; federal deficit reduction should not disproportionately harm national defense, safety net programs or core local government programs nor should they delay much-needed investments in our nation's infrastructure.

- Implementation of HUD's Fair Housing rule
- Various EPA rulemakings (clean water, ozone, clean power, etc.)
