Housing Development & Funding Availability

A Briefing to the Housing Committee
Housing/Community Services Department
October 19, 2015
Purpose

- Discuss the availability of funding for Housing Development for FY 2015-16 and the possible issuance of a Notice of Funding Availability (NOFA) for Single Family

- Discuss next steps
City of Dallas Available Funds

- The Housing/Community Services Department has $5.3 million in funds available to commit to gap financing Housing Development projects
  - $2.3M in HOME Investment Partnership funds which includes $1M set-aside for certified Community Housing Development Organizations
  - $3M in general obligation bond funds for southern Dallas projects and transit oriented development projects

- Other sources may include:
  - Land Bank or City owned properties
  - Tax Increment Financing District Funds
  - Section 108 Loan Funds
Notice of Funding Availability (NOFA) FY 2014-15

- Multifamily NOFA was posted in October 2014
  - Available funding of $6M
  - Received proposals in December 2014
  - 19 proposals received
  - 3 awards made

- Single family NOFA was posted in February 2015
  - Available funding of $4M
  - Received proposals in March 2015
  - 15 proposals received
  - 12 awards made
Other Events

- June 25, 2015 - the Supreme Court ruled that disparate impact claims are cognizable under the Fair Housing Act, and upheld the 2013 HUD regulations regarding burdens of proof in disparate impact cases.

- Inclusive Communities Project (ICP) sued TDHCA in 2008 arguing that the agency's allocation of LIHTCs in Dallas resulted in a disparate impact on African-American residents under the Fair Housing Act.

- ICP alleged that TDHCA was disproportionately approving LIHTC projects in minority concentrated neighborhoods in Dallas and disproportionately disapproving them in predominantly Caucasian neighborhoods.

- Per ICP, this created a concentration of low income units in minority areas, a lack of units in other areas, and maintained and perpetuated segregated housing patterns.
NOFA Recommendation

- Allow staff to issue a Single Family Notice of Funding Availability
  - There are funds that are time sensitive to commit to projects
  - During Neighborhood Plus briefing, Council indicated this area to be a priority

- Once Council has adopted a housing policy in the Spring 2016, issue a Multifamily Notice of Funding Availability (NOFA)
  - The Supreme Court case specifically dealt with multifamily projects in Dallas
  - The Committee nor the Council has worked through all the issues surrounding the court’s decision
Next Steps

- Issue Single Family NOFA on October 26, 2015
- Provide a Question & Answer Meeting on November 2, 2015
- NOFAs will be due on November 27, 2015
- Project applications to be posted on the City of Dallas website by December 4, 2015
- Staff will begin processing applications in December 2015

SUBJECT
Authorize a housing development grant in an amount not to exceed $1,500,000 to the Dallas Housing Acquisition and Development Corporation for construction of ten single family homes on land bank properties - Not to exceed $1,500,000 - Financing: FY 2014-15 HOME Program Income #1

BACKGROUND
The City Council has been briefed on the City of Dallas Neighborhood Plus Plan that includes a strategy for retaining middle income families and developing single family units for mixed-income neighborhoods. The Dallas Housing Acquisition and Development Corporation (DHADC), a nonprofit entity, pursuant to the provisions of Article 4.03 of the Texas Non-Profit Corporation Act, acts on behalf of and as directed and ordered by the City of Dallas for this purpose.

The City of Dallas will provide interim construction financing for ten (10) units to be built and sold to eligible low and moderate income families at or below 80% of Area Median Family Income. Eligible costs include land reimbursement, soft costs, construction costs, and allowable closing costs. The construction work will be completed within two years including occupancy. As each unit is sold, the proceeds from the sales of the affordable units will be used to build additional homes. Lots will be selected based on economies of scale for building and timing of lots expiring from land bank control. Deed restrictions for the affordable units will remain on the property for 15 years with forgiveness of the debt to the DHADC prorata per house.
