Memorandum

DATE  October 23, 2015

SUBJECT Small Cell & Distributed Antenna Systems License Agreements with the City of Dallas

This memo is to provide additional information relating to (1) recent license requests to construct small cell networks including the installation of antennas and fiber in the City’s right-of-way; and (2) related license fees pursuant to Section 43-115 of the Dallas City Code.

Crown Castle – 38 Antennas

In April of 2015, Crown Castle submitted a license application to install 13 small cell antennas (antennas) in the public-right-of-way within the CBD. This request was routed to applicable departments for review and approval, and subsequently placed on hold until engineering plans on each location were provided. Crown Castle provided these plans in May 2015 for 12 of the 13 locations.

In July 2015, Crown Castle submitted a license request for the installation of 26 antennas in the public right-of-way located within the CBD. This request along with the appropriate plans for each location was submitted to the appropriate departments for review and approval.

In August 2015, Crown Castle submitted an amended license request to the previous requests submitted which included the identification of several different locations to form a final list of 38 small cell antennas to be installed in the City’s right-of-way within the CBD. Crown Castle is proposing to install 27 antennas on Oncor poles and 11 antennas on City owned street lights.

During the review period of the final 38, staff discovered that Crown Castle failed to show their fiber connections for their small cell network. This information was subsequently requested in which final review took place after the Quality of Life Committee held in September 2015. At the time of the briefing staff did not realize the magnitude of the fiber installation which includes 7.5 miles or 39,840 l.f. of fiber to be installed in the right-of-way within the CBD. Of this, 2.78 miles could require street cuts.

Under city code, and as advised by the CAO, Crown Castle is required to pay license fees for their fiber installation. There are currently 97 licenses billed to other entities annually for the subsurface use of the right-of-way for cable/fiber optic lines installations.

AT&T – 95 Antennas

In November 2014, AT&T submitted a license request to install 95 Antennas in the public right-of-way (32 – near Mockingbird/Santa Barbara, 27 – near Preston/ Walnut Hill, 36 – near Royal/Inwood). This request was routed to applicable departments for review and approval, and subsequently placed on hold until engineering plans on each location were provided. AT&T has provided plans on 12 of the 95 locations. Each of the above license applications are subject to the City’s new small cell guidelines, pole owner approval as well as payment of applicable license fees for the use of the right-of-way.

Dallas-Together, We do it better
License Fees

Section 43-115 of the Dallas City Code provides for a $1,000 annual license fee to use the public right-of-way for uses other than those listed in Subsection (a) or is calculated in accordance with one of the following formulas, whichever is greater:

1. Fee for use of public right-of-way: area X market value X 85% X 12%.
2. Fee for subsurface use only: area X market value X 30% X 12%.
3. Fee for air rights use only (including awnings and canopies with a premise sign as defined in Section 51A-7.102(28) of the Dallas City Code): area X market value X 85% X 85% X 12%.

Antennas and fiber installation are not specified uses provided for in the City Code; therefore such uses would be calculated based on the formulas above.

Dallas Animal Services Update
Quality of Life & Environment Committee
October 26, 2015
As requested by Quality of Life Committee, provide a detailed, metrics-focused plan of action to improve loose dog enforcement through the following strategies:

- Initiating targeted initiative modeled on DPD Targeted Area Action Grids (TAAG)
- Achieving and maintaining full staffing
- Improving technology
- Enhancing outreach and enforcement initiatives
- Identifying options to increase intake capacity
Methodology

- Partnered with Communication & Information Services, GIS, Dallas Police Department, Court & Detention Services, and 311 on a deep data dive
- Data from April 1, 2015 – September 30, 2015 was loaded into an interactive mapping tool to identify highest concentrations of service requests
  - Nine service request types were chosen from 311 and 911 call types that are most indicative of loose dog issues
  - Chose Council Districts with over 5,000 calls for service
  - The “hot spots” were further analyzed and information compiled to identify areas with defined boundaries within these Council Districts

Purpose

This briefing provides an overview of Dallas Animal Service’s Governance, Friends Policy, and Work Policies.
Governance
The governing body of a county or municipality in which an animal shelter is located shall appoint an advisory committee to assist in complying with the requirements of this chapter.

- Advisory committee must be composed of:
  - At least one licensed veterinarian
  - One county or municipal official
  - One person whose duties include the daily operation of an animal shelter
  - One representative from an animal welfare organization
- The advisory committee shall meet at least three times a year
Background – Governance

On April 14, 2014, the Quality of Life & Environment Committee with the support of the Animal Shelter Commission recommended amending Chapter 2 of the Dallas City Code so that it would align with the State Health and Safety Code:

- Align Dallas with surrounding localities and provide the opportunity to use City shelter managers/directors to fill this mandated role
- Provided the ability to meet the required appointments of the Commission

On August 13, 2014, Council approved ordinance NO-29403 that enacted the code amendments recommended by the Quality of Life & Environment committee.
Background – Governance

CITY CODE FOLLOWING AUGUST 13, 2014 COUNCIL ACTION

- **Animal Advisory Commission** Animal Shelter Commission shall be an advisory body of 15 members.
- Each city council member shall appoint one member to the commission.
- The Mayor shall appoint the Chair, and the full city council shall appoint the Vice-Chair.
- All members shall be appointed for an initial term to expire on August 31, 1985.
- Subsequent appointments will be made in August of each odd-numbered year for a two-year term beginning on September 1.
- All members shall serve until their successors are appointed and qualified.

REQUIREMENTS

- One member must be a licensed veterinarian
- One member must be a city or county official
- One member must have duties including the daily operation of an animal shelter
- One member must be a representative from an animal welfare organization
- Eleven members must be chosen from the general public
- **No member may be a city employee working in the department designated by the city manager to operate a city owned animal shelter**
- The commission must meet at least three times a year and may hold additional meetings at the call of the chair.
- The commission must meet at least once each calendar month and may hold additional meetings at the call of the chair.
Friends Policy
Types of Placement Partnerships

Adoption Agency

- Chapter 7 of the Dallas City Code identifies these as “an animal welfare organization or animal placement group approved by the director to take impounded dogs and cats from animal services for adoption to the public”
- All community partners willing to transfer animals that are a 501(c)3 non-profit organization in good standing will be eligible to apply for transfer of animals from DAS
- Animals that are transferred to an approved partner are done so at no charge to the organization and the organizations are required to house and place all animals in compliance with the state and local ordinances
- There are no additional services provided with these transfers beyond the intake treatments and care initiated by DAS

Individuals and Groups

- Are able to adopt animals from DAS at standard or promotional rates, which includes free at times, to ensure animals released by DAS are in compliance with the law and following best sheltering practices
- This includes vaccination, neutering and microchipping

Animal Advisory Commission reviewed the partnership process at the October 1, 2015 meeting

- Partnership process review will be part of an upcoming strategic plan
Work Policies
Quality Management System

DAS uses written work instructions to guide daily operations

Written procedures are designed to produce consistent delivery of services for our residents, businesses and visitors.

On an annual basis, staff conducts an annual review of all work instructions and forms to ensure that they mirror the division’s current processes.

For 2015, Dallas Animal Service has a total of 56 work instructions:

- 10 Updated
- 7 Created
- 28 are currently under review
Quality Management System

The QMS identifies defects in and encourages revisions and creation of work instructions to promote efficiency

In response to the accidental euthanasia of three dogs, DAS:

- Revised 3 existing work instructions
  - Euthanasia
  - Transfer
  - Intake
- Created 1 new work instruction for conducting shelter rounds
- All policies and revisions have been implemented and staff has been trained in associated areas
Next Steps

Receive input from the Quality of Life & Environment Committee on Dallas Animal Services’ Governance, Friends Policy, and Work Policies

Review items with Dallas Animal Advisory Commission
PURPOSE: This work instruction establishes uniform guidelines for the animal euthanasia process at Dallas Animal Services and Adoption Center.

SCOPE: This work instruction shall apply to all Department of Code Compliance personnel that perform animal euthanasia.

RESPONSIBILITY & AUTHORITY: All managers and supervisors are responsible for ensuring that employees follow this work instruction.

SAFETY: Follow all applicable City of Dallas safety guidelines associated with this work instruction Occupational Health & Safety.

ENVIRONMENT: Follow all applicable City of Dallas Environmental procedures associated with this work instruction Environmental Quality.

DEFINITIONS:

Euthanasia: to put an animal to death in a humane manner.

Database: a software program designed for inventory and record keeping in regards to Dallas Animal Services and Adoption Center.

“A” Number: a six digit identification number assigned by the database.

Sharps Container: a red, plastic container used to safely dispose of syringes and vaccine vials.

Tranquilizer or (Tranq): a control substance that induces sedation by reducing irritability or excitement.

Identiband: a clear plastic band worn around the neck of animals which identifies its six digits “A” Number assigned by the database.

Needle Gauge: the size and diameter of a hypodermic needle

Designated Shelter Staff: consists of temporary workers, customer service reps, or any other specially assigned Animal Service employee.

GUIDELINES: The Dallas City Code, Chapter 7 Animals, Section 7-2.8 and the Texas State Health and Safety Code, Section 821.052, Subchapter C specify that if an animal is not redeemed within the appropriate time period specified in Section 7-2.6 the animal will become the property of the City and may be placed for adoption, euthanized, or otherwise disposed of as recommended by the Director.
WORK INSTRUCTION:

1. Manager or Supervisor assigns an Animal Services Officer to the Euthanasia Lab to perform euthanasia on sick, injured animals, or animals that have completed their holding period and have not been selected for adoption or placement with a transfer partner.

   1.1. The Lab Officer shall make sure that the wash area for the vehicles next to the loading and unloading dock is equip with the cleaning solutions, brush, and sprayer for staff to sanitize their vehicles before starting in the Euthanasia Lab. *(Note: The supplies out in the vehicle wash bay area will be marked for field staff use only)*.

   1.2. The Lab Officer opens the safe and verifies the amount of euthanasia drugs and tranq on hand.

   1.3. The Lab Officer completes the Euthanasia Log (CCS-FRM-158) located in the safe in the euthanasia lab to keep track of the amount of drugs used daily.

   1.4. The Lab Officer shall euthanize sick or injured animals housed in the euthanasia holding area first or any animal with an emergency related condition.

2. Officer shall access the Pre-Euthanasia Report within the database and obtain all animals listed on the Pre-Euthanasia Report (Computer Generated).

   2.1. The Animal Service Officer shall prioritize by euthanizing sick and/or neonates first.

   2.2. Lab Officer shall not play any music in the lab and be in a calm manner at all times.

   2.3. Lab Officer shall not let another animal see any animal being euthanized.

3. Designated Shelter Staff shall assist the Animal Services Officer in the lab.

   3.1. Designated Staff shall bring the animal to the euthanasia lab and hold the animal for the Animal Services Officer.

4. The Lab Officer verifies that the animal is eligible for euthanasia.

   4.1. Animals eligible for euthanasia are verified as follows:
4.1.1. Animals that have been approved by the Veterinarian Staff and documented in the database;

4.1.1.1. Endangered or Federally protected animals and animals that can be rescued should be the exception, and must be signed off by a Supervisor or Manager. Wildlife that is sick or injured may be humanely euthanized without being signed off as long as it doesn’t contradict any Federal Laws.

4.1.2. Animals signed off by Veterinarian Staff due to severe sickness/injury or owner surrender are exempt from this holding period.

4.1.3. Animals that have cleared the appropriate holding period as follows:

4.1.3.1. Owned domestic animals are held for ten (10) days not including the date of intake.

4.1.3.2. All stray domestic animals are held for three (3) days not including the date of intake.

4.1.3.3. All other owned domestic animals eligible for euthanasia shall be signed off by the Shelter Manager or their Designee after their respective holding period.

NOTE: The Shelter Manager or their designee shall select animals that are eligible for euthanasia. All animals that have completed their holding period and have not been selected for adoption or placement with a transfer partner shall be euthanized according to the following steps.

5. The Animal Services Officer (ASO) shall visually review the information in the database for any comments or instructions on each animal before euthanasia.

6. The Animal Service Officer shall verify that the animal matches the information in the database.

6.1.1. The Animal Services Officer shall verify that the animal’s Identiband matches the information in the database and scans the animal for a microchip. If the ASO have any questions or discrepancy, stop, get with the Shelter Manager or their designee before continuing the euthanasia.
6.1.1.1. If no notes exist in the database, staff shall return the animal to its original kennel, enter notes into the database describing any discrepancies and inform a Supervisor.

6.1.1.2. If notes state that the animal could not be banded, proceed to the next step.

6.1.2. The Animal Services Officer shall verify as much of the following information in the database to ensure the correct animal is euthanized;

6.1.2.1. Reason for euthanasia;

6.1.2.2. The animal’s holding period has expired by reviewing the correct date for euthanasia within the database;

6.1.2.3. Animal’s description, sex, and picture matches the animal (click on the picture icon on the database to view the picture);

6.1.2.4. Shelter Management or their designee has given proper authorization for euthanasia.

6.2. Scan and check the animal for a microchip implant or any other ID.

6.2.1. If the animal has a microchip or any other ID that has not been previously recorded in the database.

6.2.1.1. Do not proceed with euthanasia.

6.2.1.2. Immediately record the microchip or ID information within the appropriate fields in the database.

6.2.1.3. Mark the animal as “Poss Owned” under “Outcome Request” in the database to initiate the process to locate and contact the owner.

6.2.2. If the animal has a microchip or any other ID and the information has been recorded into the database proceed to the next step.

7. The Officer shall add the animal(s) that are verified and eligible for euthanasia to the Euthanasia Log (158) as they go.

8. When performing euthanasia, the Officer shall use the appropriate gauge needle (see Needle Size CCS-FRM-200) according to the size of the animal and perform one of the approved listed methods as followed:
8.1. Intravascular – IV (vein injection) NOTE: This method is used first because it is less invasive to the animal. IV injections require 1cc/10lbs. of body weight for dogs.

8.2. Intra-Peritoneal – IP (stomach injection) NOTE: This method is used on cats, puppies, kittens and wildlife. IP injections require 3cc/10lbs. of body weight.

8.3. Intra-cardiac – IC (heart injection only to be given under complete sedation) NOTE: Intra-cardiac – IC is only to be used as a last resort when all other methods have not been proven to be effective.

9. Verify that the animals heart has stopped beating using the following methods:

9.1. Use the heart stick (syringe that is inserted into animal to verify death) to verify that the heart has stopped beating after a responsible amount of time.

9.2. Use a stethoscope to listen for a heartbeat.

9.3. Verify the eye reflex by touching the corner of the eye.

9.4. If the animal’s heart is still beating, administer more Fatal Plus as appropriate.

10. After the Animal Services Officer has verified death, the Officer shall remove the identiband. The animal’s collar, identiband, harness, chains, etc, should all be thrown away and the animal is placed inside a black plastic garbage bag.

11. Place the bag in the gondola (grey plastic container).

12. When the gondola is filled, designated Shelter Staff shall then place the deceased animals inside the refrigerator.

13. Remove the used needle from the syringe and place it in the sharps container.

13.1. Clean out the syringe with tap water.

13.2. Clean off the euthanasia table with disinfectant solution and prepare for the next animal.

13.3. Update the database; with all appropriate information and the amount of drugs used.

14. After euthanasia is complete, the lab, holding area, and freezer must be properly sanitized by the assigned designated shelter staff.

**Notes:**

1. Log onto the Chameleon database and run the Daily Inventory Report by clicking on "Report" and "Run a report" or press F3 at any screen on the database. Select "Daily Inventory Report" report and click "OK" a window will popup asking for date ranges. Click on the calendar icon and select the day you are conducting inventory. Print the report.

2. The report is listed by room numbers. Start with the injured and tag room (pod 138) first, then the puppy hall area (pod 115,113, and 104), the healthy kennels (pod 132, 134, and 136), then the sick areas (pod 133, 135, and 137), and then the rest of the areas in the shelter.

3. Match the animal in the kennel to the report that is posted on the kennel door. Document any corrections needed:
   - a. Print out corrected or missing kennel cards and replace after finishing the walk.

4. If the correct animal(s) is not in the kennel, document this on your report. After the walk, assign the case to a Supervisor to investigate. Note that you might find the missing animal(s) in a different kennel. Notate on the printed report and continue.

5. Record notes on the animals medical condition and/or behavior (see CCS-FRM-183 What's Your Animals Condition), and likely outcome of animal on your inventory sheet. Update the electronic record when the walk through is complete.

6. Before making any updates/changes in the system review any notes, memos, hold requests and medical records. If these items are unclear, stop and ask for clarification from the appropriate staff member. Notate any changes being made in the comment section. Additional information can be placed in the animal memo.

7. Press F8 to update each record as changes are made.

8. If the animal(s) is going to be moved to adoption do the following:
   - a. Enter the animal "ID number" or the "Kennel number" and press F12 to find the record on the database. Make sure the record matches on the printed report that you are making changes to. Before making any updates/changes in the system review any notes, memos, hold requests and medical records. If these items are unclear, stop and ask for clarification from the appropriate staff member. Notate any changes being made in the comment section. Additional information can be placed in the animal memo.

9. Press F8 to update each record as changes are made.

10. If the animal(s) is being referred to the transfer program change the "Outcome Request" to "ADOPTION". Notify the Transfer Coordinator that the animal is in the transfer program and give the Transfer Coordinator 72 hours to initiate communication with the partner groups. If there is no interest from citizens or transfer partners in 72 hours, reassess the disposition options for the animal. Press F8 to update.

11. If the animal(s) is to be euthanized, change the "Status" field to "LAB", the "Sub status" to "ADOPT EXAM"; (unless the adoption exam was already done during the intake process), and the "Outcome Request" to "ADOPTION". Once the changes are made press F8 to update each record.

PURPOSE: This work instruction establishes uniform guidelines for placing animals with transfer partners.

SCOPE: This work instruction shall apply to all Department of Code Compliance Animal Services Division personnel.

RESPONSIBILITIES: All managers and supervisors are responsible for ensuring that employees follow this work instruction.

SAFETY: Follow all applicable City of Dallas safety guidelines associated with this work instruction. Occupational Health & Safety

ENVIRONMENT: Follow all applicable City of Dallas Environmental procedures associated with this work instruction. Environmental Quality

DEFINITIONS:

Database: a software program designed for inventory and record keeping in regards to Dallas Animal Services and Adoption Center.

Transfer/Placement Partner: an organization that has been pre-approved by the management to pull.

WORK INSTRUCTION:

1. ELIGIBILITY & APPLICATION PROCESS: Approved community partners that are interested in animals must be 501c3 non-profit organization in good standing. This information must be provided before an application can be approved.

   1.1. All partners must submit an online Dallas Animal Services Transfer Partner Agreement prior to transferring animals from DAS; unless a temporary authorization has been granted by the Manager, pending the application process. All partners must agree to accept animals in an “as is” condition and understand that DAS cannot be responsible for animal health or behavior issues.

   1.2. Partners agree to care for and place all animals in compliance with local and State laws and regulations and ensure animals are sterilized prior to adoption unless a licensed veterinarian has issued a waiver (CCS-FRM-556) for animal which will be notated in the database.
1.3. All partner applications will be reviewed and approved by the Transfer coordinator. If there is cause for concern or questions about the application the Transfer Coordinator will defer to the Shelter Manager or Operation Manager.

1.3.1. If an immediate placement need exists and DAS is or has been unable to complete the formal approval process on a complete and on file application packet, the transfer group may be awarded a 30 day temporary approval status by the Transfer Coordinator with approval from the Shelter Manager or the Operations Manager.

1.4. The Transfer Coordinator will enter all groups under the “Group ID” designation and the individuals authorized to represent the group under the “PersonID” into the database once approved or denied, reflecting the status.

2. SELECTION & NOTIFICATION: All Treatable Rehabilitative, Manageable and Unhealthy/Untreatable animals will be available for transfer on the “due out” date as specified in the database. Healthy animals that have not been identified for the Everyday Adoption Center will be available after 7 days from the date of intake.

2.1. The Transfer Coordinator will run the report (Rescue Animals Available) designating the animals available for transfer daily and walk the shelter to identify and confirm the animals available that may work for our partners. Always focusing on placing 100% of the healthy animals first, treatable rehabilitative second, treatable manageable second and finally unhealthy/untreatable.

2.1.1. Animals being “networked” by the Transfer Coordinator will have a dated memo section of the database to indicate that that animal is being networked, why the animal has been requested for transfer, or a particular group’s interest. A request for transfer should be placed in the appropriate area in the database.

2.1.2. These memos should be updated frequently as information is exchanged between the Transfer partner and the Transfer coordinator.

2.1.3. If partners are unable to take an animal being networked, the Transfer Coordinator will immediately remove the “Rescue” request from the animal
record, and document that the animal cannot be placed, in the memo. The Shelter Manager or his/ her designee will be notified of the situation and together they will decide the disposition of the animal.

2.1.4. Candidates for placement will be networked using emails/phone and will have all information represented in a positive manner. Specific details should be discussed directly with interested parties and at no time should any ongoing investigation/case information be released.

2.1.5. Any staff requesting an animal to be networked should write comments explaining their reasoning in the comment box/memo and bring all requests along with the ID# to the Transfer Coordinator immediately. If the animal has already been signed off for euthanasia, the information requested needs to go to the person who made that decision immediately.

3. TRANSFERRING ANIMALS: Once an animal has been selected by a partner for transfer, the animal should be place on “Hold” marked as tagged, and the comment should be updated to reflect information on pick-up dates and times. The Transfer group’s P number will be entered into the “Person To” box. Animals on Hold for a group will need to be picked up within 24 hours of selection unless other arrangements have been approved regarding pickup. Animals that are not tagged by a group will be made available on a first come first serve basis.

4. If the transfer partner is to adopt the animals follow steps below.

4.1. Disposition the animal record on the database as “Outcome Type” field as “TRANSFER”, “Subtype” field as “ADOPT/XFER”, the “Condition” is based on the Asilomar Accords, put in the date if the animal being adopted is leaving the shelter, and staff will put their initials.

5. ANIMAL PICK UP: When transfer partner picks up the animal, staff shall provide the following:

5.1. Current medical history;

5.2. Rabies certificate/tag or any other associated information available.

5.3. Disposition the animal record on the database.
6. ANIMALS UNABLE TO BE PLACED: If no transfer partner accepts the animal, the Transfer Coordinator shall make the appropriate notations in the database as “Unable to Place”, with the date and initials and remove the hold for staff to determine the next course of action.

**Note:** If an animal is being transferred by airplane, or through another “special program” staff shall ensure that the transfer partners “P” number is entered, the word tagged is placed in the extra5 section and a transfer date is placed in the comments section in the database. The Interstate Health Certificates (CCS-FRM-505) will be provided by the Veterinarian staff the day before the animals are picked up.

An ordinance amending Chapter 2, “Administration,” Chapter 7, “Animals,” and Chapter 27, “Minimum Urban Rehabilitation Standards,” of the Dallas City Code by amending Article XXIV of Chapter 2 and Sections 7-2.5, 7-2.7, 7-5.3, 7-5.4, 7-8.1, 27-3, 27-16.12, 27-16.16, 27-16.18, and 27-16.21; changing the name of the animal shelter commission to the animal advisory commission and providing new rules for membership and meetings; providing that the animal shelter is the caretaker for newly impounded animals; providing for the reduction or waiver of adoption fees; providing for pro se municipal court hearings of dangerous dog determinations; providing a definition for the term Dallas Animal Welfare Fund; providing for civil adjudication of violations of Chapter 7 and for civil penalties, fees, and court costs; providing a new Section 7-8.4 for the creation of the Dallas Animal Welfare Fund; providing a penalty not to exceed $500; providing a saving clause; providing a severability clause; and providing an effective date.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

“ARTICLE XXIV.

ANIMAL ADVISORY [SHELTER] COMMISSION.

SEC. 2-157. CREATED; MEMBERSHIP; MEETINGS.

(a) There is hereby created the animal advisory commission, which shall be an advisory body of 15 members. Each city council member shall appoint one member to the commission. The mayor shall appoint the chair, and the full city council shall appoint the vice-chair.
(b) All members shall be appointed for an initial term to expire on August 31, 1985. Subsequent appointments will be made in August of each odd-numbered year for a two-year term beginning on September 1. All members shall serve until their successors are appointed and qualified.

(c) Members of the commission must meet the following qualifications:

(1) one member must be a licensed veterinarian;

(2) one member must be a city or county official;

(3) one member must have duties including the daily operation of an animal shelter;

(4) one member must be a representative from an animal welfare organization; and

(5) eleven members must be chosen from the general public; and

(6) no member may be a city employee working in the department designated by the city manager to operate a city-owned animal shelter.

(d) Disqualification of an appointee under Section 8-1.4(a)(1) of this code may be waived by the city council after review of the specific circumstances.

(e) The commission must meet at least three times a year [once each calendar month] and may hold additional meetings at the call of the chair.

SEC. 2-158. DUTIES AND RESPONSIBILITIES.

(a) The commission shall act as an advisory body to the city manager and the city council to assist in complying with the requirements of state law and city ordinances pertaining to the operation of an animal shelter [and shall:

(1) review the operations of the city animal shelters and report the results to the city manager;

(2) provide guidance to the city manager in complying with all provisions of Article 4477-6b, Vernon’s Texas Civil Statutes].

(b) The city manager shall provide necessary information and assistance to the commission in the performance of its duties and responsibilities.”
SECTION 2. That Section 7-2.5, “Impoundment of Animals,” of Article II, “Animal Services; City Animal Shelters,” of Chapter 7, “Animals,” of the Dallas City Code is amended to read as follows:

“SEC. 7-2.5. IMPOUNDMENT OF ANIMALS.

(a) The director or the chief of police is authorized to impound:

(1) any animal in the city that is not restrained by a tether or leash, fenced yard, or enclosed structure;

(2) any animal for protective custody;

(3) any animal required to be quarantined under Section 7-2.4;

(4) any animal seized pursuant to a warrant or court order;

(5) any prohibited animal kept in the city in violation of Section 7-6.1; and

(6) any animal posing a threat to the public health or safety.

(b) If an animal described in Subsection (a) is on private property or property of the animal’s owner, the impounding officer may enter the property for the purpose of impoundment or issuance of a citation, or both.

(c) The director is the designated caretaker of a stray, impounded, or surrendered animal immediately upon intake at the animal shelter.

(d) No animal impounded at a city animal shelter or in the custody or control of animal services may be knowingly sold, released, or otherwise disposed of for research purposes.”

SECTION 3. That Subsection (b) of Section 7-2.7, “Adoption of Animals,” of Article II, “Animal Services; City Animal Shelters,” of Chapter 7, “Animals,” of the Dallas City Code is amended to read as follows:

“(b) The director may, from time to time, designate and advertise promotional adoption periods during which the non-refundable adoption fees payable under Subsection (a)(3)(A) will be reduced or waived [to $43 for a dog and $27 for a cat]. A promotional adoption period may not exceed seven consecutive days, and no more than eight promotional adoption periods may be designated during a calendar year].”
SECTION 4. That Section 7-5.3, “Determination As A Dangerous Dog,” of Article V, “Dangerous Dogs,” of Chapter 7, “Animals,” of the Dallas City Code is amended to read as follows:

“SEC. 7-5.3. DETERMINATION AS A DANGEROUS DOG.

(a) Upon receipt of a sworn, written, complaint by any person of an incident described in Section 7-5.1(b)(2)(A) or (B) of this article, the director shall investigate [and conduct a hearing] to determine if a dog is dangerous. [The hearing must be conducted within 30 days after receipt of the complaint.] 

(b) [The director shall provide notice of the date, time, and location of a hearing to the dog owner, either in person or by certified mail, return receipt requested, and to the complainant by regular mail. A hearing must be conducted not less than 10 days after notice has been mailed or delivered to the dog owner. At a hearing, all interested persons will be given the opportunity to present evidence on the issue of the dog’s dangerousness.

(c)[d] If a dog has caused bodily injury to any person, the director may seize and impound the dog at the owner’s expense pending the investigation [hearing] and a determination of whether the dog is a dangerous dog. If the director cannot, with due diligence, locate the owner of the dog that has been seized under this subsection, the director shall impound the dog. If the owner of the dog has not been located before the 15th day after seizure and impoundment, the director may order the dog to be humanely destroyed. [If, during the time the dog is impounded, the owner claims the dog, the owner shall be served with notice of a hearing as provided in Subsection (b) of this section.]

(c)[d] At the conclusion of the investigation [a hearing] required by this section, the director shall:

(1) determine that the dog is not dangerous and, if the dog is impounded, may waive any impoundment fees incurred and release the dog to its owner;

(2) determine that the dog is dangerous and order the owner to comply with the requirements for ownership of a dangerous dog set forth in Section 7-5.5 of this article and in Subchapter D, Chapter 822 of the Texas Health and Safety Code, as amended, and, if the dog is impounded, release the dog to its owner after compliance with all applicable requirements of Subsection (e)[f] of this section; or

(3) determine that the dog is dangerous and order the owner to permanently remove the dog from the city within a designated period of time.

(d)[e] If a dog is determined to be dangerous, the director shall notify the dog owner, either in person or by certified mail, return receipt requested:

(1) that the dog has been determined to be a dangerous dog;
whether the dog must be permanently removed from the city and the date by which the dog must be removed;

what the owner must do to comply with requirements for ownership of a dangerous dog that is allowed to remain in the city and to reclaim the dog, if impounded; and

that the owner has a right to appeal the determination of any order to remove the dog from the city.

(e[f]) An impounded dog determined by the director to be dangerous must remain impounded, or confined in a location approved by the director, and may [will] not be released to the owner until the owner pays all fees incurred for impoundment of the dog and:

(1) if and when the dog is allowed to remain in the city, complies with all requirements for ownership of a dangerous dog set forth in this article and Subchapter D, Chapter 822 of the Texas Health and Safety Code, as amended; or

(2) if the dog is ordered permanently removed from the city, provides the director, in writing, with the street address, telephone number, and name of the person in control of the location outside the city where the dog will be relocated or other evidence satisfactory to the director that the dog will be permanently removed from the city.

(f[g]) If the owner of an impounded dog has not complied with Subsection (e[f]) within 30 days after a final determination is made that an impounded dog is dangerous, the director may file a complaint in municipal court under Section 7-5.5 of this article.”

SECTION 5. That Section 7-5.4, “Appeals,” of Article V, “Dangerous Dogs,” of Chapter 7, “Animals,” of the Dallas City Code is amended to read as follows:

“SEC. 7-5.4. APPEALS.

If, under Section 7-5.3 of this article, the director determines that a dog is dangerous or orders a dangerous dog to be permanently removed from the city, that decision is final unless the dog owner files a written appeal with the municipal court within 15 days after receiving notice that the dog is dangerous or ordered to be removed from the city. The appeal [standard] is a de novo hearing[substantial evidence review] and is a civil proceeding for the purpose of affirming or reversing the director’s determination of dangerousness or affirming, reversing, or modifying the director’s removal order. If the municipal court allows a dangerous dog to remain in the city, the court shall order that the dog owner comply with the ownership requirements set forth in Section 7-5.5 of this article and may order additional conditions for maintaining ownership of a dangerous dog.”
SECTION 6. That Subsection (h) of Section 7-8.1, “Violations; Criminal and Civil Penalties,” of Article VIII, “Violations; Penalties; and Enforcement,” of Chapter 7, “Animals,” of the Dallas City Code is amended to read as follows:

(h) In addition to imposing a criminal penalty, the city may, in accordance with Section 54.012(5) and (10) of the Texas Local Government Code, bring a civil action against a person violating a provision of this chapter. The civil action may include, but is not limited to, a suit to recover a civil penalty pursuant to Section 54.017 of the Texas Local Government Code not to exceed $1,000 for each day or portion of a day during which each violation is committed, continued, or permitted.”

SECTION 7. That Section 7-8.1, “Violations; Criminal and Civil Penalties,” of Article VIII, “Violations; Penalties; and Enforcement,” of Chapter 7, “Animals,” of the Dallas City Code is amended by adding a new Subsection (i) to read as follows:

“(i) As an alternative to imposing the criminal penalty prescribed in Subsections (d) and (e), the city may impose administrative penalties, fees, and court costs in accordance with Article IV-b of Chapter 27 of this code, as authorized by Section 54.044 of the Texas Local Government Code, for an offense under this chapter. The alternative administrative penalty range for an offense is the same as is prescribed in Subsections (d) and (e). The provisions of Article IV-b of Chapter 27 of this code pertaining to financial inability to comply with an administrative order do not apply to violations of this chapter.”

“SEC. 7-8.4. DALLAS ANIMAL WELFARE FUND.

(a) The Dallas Animal Welfare Fund is composed of:

(1) All Dallas Animal Welfare Fund administrative penalties collected under Sections 27-16.16(b), 27-16.18(g), and 27-16.21(b) of Chapter 27 of this code;

(2) 30 percent of all civil fines collected by the city for lawsuits filed in the municipal court under Subchapter B, Chapter 54 of the Texas Local Government Code; and

(3) Any funds donated by an individual or entity, any of which donations may be refused by a majority vote of the city council.

(b) The director shall adopt rules and procedures consistent with this article for the administration of the Dallas Animal Welfare Fund.
To be eligible to receive funds from the Dallas Animal Welfare Fund, a person must:

(1) establish to the satisfaction of the director that the person’s income does not exceed the Dallas area median family income as determined by the U.S. Department of Housing and Urban Development; and

(2) not have received funds from the Dallas Animal Welfare Fund within the preceding 24 months.

The director may not make an award from the Dallas Animal Welfare Fund in excess of $1,000. The director may not make an award unless the award is for less than or equal to the amount in the Dallas Animal Welfare Fund at any one time. If the fund is temporarily out of money, the director may not make an award until such time as there are additional funds equal to or exceeding the amount of the award.”

“(6.1) DALLAS ANIMAL WELFARE FUND means the Dallas Animal Welfare Fund as described in Section 7-8.4 of Chapter 7 of this code.”

“SEC. 27-16.12. ALTERNATIVE ADMINISTRATIVE ADJUDICATION PROCEDURE.

Every violation of an ordinance described by Section 54.032 of the Texas Local Government Code or adopted under Subchapter E, Chapter 683 of the Texas Transportation Code or under Section 214.001(a)(1) of the Texas Local Government Code may be enforced as an administrative offense using the alternative administrative adjudication procedure set forth in this article, as authorized by Section 54.044 of the Texas Local Government Code. The adoption or use of this alternative administrative adjudication procedure does not preclude the city from enforcing a violation of an ordinance described in this section through criminal penalties and procedures.”

SECTION 12. That Subsection (b) of Section 27-16.16, “Failure to Appear at Administrative Hearing,” of Article IV-b, “Administrative Adjudication Procedure for Premises, Property, and Certain Other Violations,” of Chapter 27, “Minimum Urban Rehabilitation Standards,” of the Dallas City Code is amended to read as follows:

“(b) The hearing officer shall assess an additional $36 administrative penalty for each violation for which a person is found liable, which amount will be placed in the Dallas Tomorrow Fund or the Dallas Animal Welfare Fund, as applicable. In no case may the total amount of administrative penalties assessed against a person for a violation exceed the maximum penalty established by city ordinance for the particular violation.”

SECTION 13. That Subsection (g) of Section 27-16.18, “Hearing for Disposition of an Administrative Citation; Citation as Rebuttable Proof of Offense,” of Article IV-b, “Administrative Adjudication Procedure for Premises, Property, and Certain Other Violations,” of Chapter 27, “Minimum Urban Rehabilitation Standards,” of the Dallas City Code is amended to read as follows:

“(g) The hearing officer shall assess an additional $36 administrative penalty for each violation for which a person is found liable, which amount will be placed in the Dallas Tomorrow Fund or the Dallas Animal Welfare Fund, as applicable. In no case may the total amount of administrative penalties assessed against a person for a violation exceed the maximum penalty established by city ordinance for the particular violation.”
SECTION 14. That Subsection (i) of Section 27-16.18, “Hearing for Disposition of an Administrative Citation; Citation as Rebuttable Proof of Offense,” of Article IV-b, “Administrative Adjudication Procedure for Premises, Property, and Certain Other Violations,” of Chapter 27, “Minimum Urban Rehabilitation Standards,” of the Dallas City Code is amended to read as follows:

“(i) During a period in which enforcement of an administrative order is suspended under Subsection (f)(3) or (h) of this section, the person found liable for a violation may request an extension of the suspension period. The hearing officer may, only one time for each administrative order, grant an extension of the suspension period. The sole basis for an extension is that the person found liable for the violation is making a good faith attempt to comply with the administrative order and, due to delay beyond that person’s control, is unable to timely complete the rehabilitation and/or repair of the property or the premises or otherwise comply with the administrative order. The extension granted will be for a specific time period as determined by the hearing officer.”

SECTION 15. That Subsection (b) of Section 27-16.21, “Disposition of Administrative Penalties, Fees, and Court Costs,” of Article IV-b, “Administrative Adjudication Procedure for Premises, Property, and Certain Other Violations,” of Chapter 27, “Minimum Urban Rehabilitation Standards,” of the Dallas City Code is amended to read as follows:

“(b) From the administrative penalties assessed under this article, $36 for each violation for which a person is found liable must be deposited into the Dallas Tomorrow Fund established by Section 27-16.22 of the article or the Dallas Animal Welfare Fund established under Section 7-8.4 of Chapter 7 of this code, as applicable.”

SECTION 16. That a person violating a provision of this ordinance, upon conviction, is punishable by a fine not to exceed $500.

SECTION 17. That Chapters 2, 7, and 27 of the Dallas City Code shall remain in full force and effect, save and except as amended by this ordinance.

SECTION 18. That the terms and provisions of this ordinance are severable and are governed by Section 1-4 of Chapter 1 of the Dallas City Code, as amended.
SECTION 19. That this ordinance shall take effect immediately from and after its passage and publication in accordance with the provisions of the Charter of the City of Dallas, and it is accordingly so ordained.

SUBJECT

Authorize a development agreement with Bluffview Park Improvement Project for the renovation of Bluff View Park located at 4524 Pomona Road - Financing: No cost consideration to the City

BACKGROUND

This item authorizes a development agreement with Bluffview Park Improvement Project (BPIP) for the design and construction of the renovation of Bluff View Park based on the adopted Bluff View Park Master Plan.

After a public meeting on June 9, 2014 to discuss improvements to Bluff View Park, Councilmember Jennifer Gates formed a neighborhood task force to develop a master plan for the park with guidance from Park and Recreation Department staff. On May 26, 2015 the master plan was presented to the community with widespread support. The master plan was adopted by the Park Board on August 20, 2015.

BPIP, a Texas 501c(3) corporation, was formed by residents to receive donations and implement the master plan. The agreement will be subject to the following terms:

1) The term is for construction of the project in phases. The agreement will terminate upon completion of the improvements.

2) BPIP, at its own cost, is responsible for the development of construction drawings and specifications and for the construction of improvements to the park. BPIP will submit drawings to the Park and Recreation Department for review and approval prior to commencement of construction. Any changes to the plan after approval shall require written approval of both parties.

3) BPIP will hire a contractor to construct the improvements. BPIP will be responsible for all permits, approvals, and City required bonds and insurance. The City will take possession and responsibility for maintenance of the improvements upon acceptance.
PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

The Park and Recreation Board authorized the Bluff View Park Master Plan on August 20, 2015.

The Park and Recreation Board authorized the agreement with Bluffview Park Improvement Project on October 1, 2015.

Information about this item will be provided to the Quality of Life & Environment Committee on October 26, 2015.

Authorize an increase in the site package contract with J.C. Commercial, Inc. for revisions requested by the Park and Recreation Department, Dallas Water Utilities and Oncor Electric Delivery Company, LLC and a construction schedule extension due to significant weather delays in the first months of 2015 at Singing Hills Recreation Center located between Crouch Road and Patrol Way - Not to exceed $137,651, from $1,080,077 to $1,217,728 - Financing: 2006 Bond Funds

BACKGROUND

The original contract was awarded to J.C. Commercial, Inc. by Council on November 12, 2014, by Resolution No. 14-1979, for grading, site utilities and paving for the Singing Hills Recreation Center located between Crouch Road and Patrol Way, in an amount not to exceed $1,080,077.

This action will authorize Change Order No. 1 to the site package contract with J.C. Commercial, Inc. in an amount not to exceed $137,650.96, from $1,080,077.00 to $1,217,727.96 for revisions in the scope of work requested by the Park and Recreation Department, Dallas Water Utilities and Oncor Electric Delivery Company, LLC and to allow additional construction time required to account for significant weather delays in the first months of 2015 at Singing Hills Recreation Center.

Revisions include: removal of trees originally specified to remain, with credit for tree protection; adjustments in price for revised trench design for buried Oncor cable ducts and extension to revised pole location; additional 4” sanitary sewer line; additional concrete placement and relocation of fire hydrant supply line per Dallas Water Utilities field inspection; credit for the deletion of three 4” conduits for power and communications; and extension of the schedule due to weather delays, thereby increasing the contract term by 222 calendar days.

Authorize the third twelve-month renewal option to the service contract for the processing and sale of recycled materials for the period January 1, 2016 through December 31, 2016 – Greenstar Mid-America, LLC - Estimated Revenue: $1,880,075

BACKGROUND

On August 9, 2006, the City Council approved an eighty-four month service contract, with three twelve-month renewal options, with Mid-America Recycling Company d/b/a Vista Fibers of Dallas to process and sell the recycled material collected in the Dallas Residential Recycling Program. Mid-America Recycling was purchased by Greenstar North America Holdings, Inc. in 2008, and the contract was assumed by the new owner, with the entity renamed Greenstar Mid-America, LLC. In January 2013, 100% of the ownership of Greenstar Mid-America, LLC was transferred from Greenstar North America Holdings, Inc. to WM Recycle America, LLC. This was a change of ownership only, and the entity Greenstar Mid-America, LLC continued to perform under the solid waste franchise ordinance and the service contract with the City.

The original term of the contract was January 1, 2007 through December 31, 2013, with three one year renewal options. The contract provides processing services for recyclable materials collected in the Residential Recyclable Program. All materials are delivered to the processing facility by the City or the City’s selected collection contractor. This agreement allows for revenue sharing between the City of Dallas and Greenstar Mid-America, LLC through the sale of over 50,000 tons of recycled material collected annually.
BACKGROUND (Continued)

This partnership also encourages environmental stewardship through an enhanced recycling educational program with an annual contribution of $1.00 per household, payable to the City quarterly, for public education. This program includes direct mailings, educational videos, radio/TV public service announcements, media tours, billboards, bus display ads, magazine ads, attendance at community meetings and events. The amount of recycled material increased from 20,149 tons in 2007 to an estimated 55,500 tons in 2015.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On August 15, 2005, City Council was briefed as part of the Budget Workshop.

On September 19, 2005, City Council was briefed on twice-monthly single-stream residential recycling program.

On May 22, 2006, the Finance, Audit & Accountability and Quality of Life Committees were briefed on the City’s Recycling Program.

On June 26, 2006, the Quality of Life Committee was briefed on the City’s Recycling Program.

On August 2, 2006, City Council was briefed on the twice-monthly single-stream residential recycling program.

On August 9, 2006, City Council approved an eighty-four-month service contract, with three twelve-month renewal options, for the processing and sale of recycled material with Mid-America Recycling Company, LLC d/b/a Vista Fibers of Dallas, by Resolution No. 06-2013.

Resolution No. 13-0971, was approved by City Council on June 12, 2013, to authorize consent to a transfer of control of 100% of the ownership interests of Greenstar Mid-America, LLC, a solid waste franchisee, from Greenstar North America Holdings, Inc. to WM Recycle America, LLC.

Resolution No. 13-1947, was approved by City Council on November 12, 2013, exercising the first of the three, twelve-month renewal options of the service contract, for the processing and sale of recycled material to Greenstar Mid-America Holdings, Inc./Waste Management Recycle America.

Resolution No. 14-1808, was approved by City Council on October 22, 2014, exercising the second of the three, twelve-month renewal options of the service contract, for the processing and sale of recycled material to Greenstar Mid-America Holdings, Inc./Waste Management Recycle America.
PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS) (Continued)

Information about this item will be provided to the Quality of Life & Environment Committee on October 26, 2015.

AGENDA ITEM # 40

KEY FOCUS AREA: Clean, Healthy Environment

AGENDA DATE: October 28, 2015

COUNCIL DISTRICT(S): 8

DEPARTMENT: Sanitation Services

CMO: Joey Zapata, 670-3009

MAPSCO: 67P

SUBJECT

Authorize (1) a contract for the construction of two 15-acre waste cells for a total of 30 acres, cells 6B1 and 6D2, with composite liner and leachate collection system, at the McCommas Bluff Landfill; and site improvements that include pavement of a perimeter road, main entrance road improvements, a new waste cell access road, entrance signage improvements, environmental enhancements including a wheel/undercarriage washing system and mud tracking reduction controls; and (2) an increase in appropriations in the Sanitation Capital Improvement Fund in the amount of $4,804,946 from $9,010,338 to $13,815,284 - Hammett Excavation, Inc., lowest responsible bidder of four - Total not to exceed $4,804,946 - Financing: Sanitation Capital Improvement Funds

BACKGROUND

The McCommas Bluff Landfill is a 2,048-acre property, of which 965 acres are dedicated to waste disposal. As one cell is being filled, another is being planned and prepared for use. Sanitation Services utilizes a Capital Improvement Fund, supported landfill revenues, to fund waste cell development projects. Current waste cells are estimated to reach capacity in January 2017, not including an additional 12+ months of cell capacity permitted for construction and demolition type debris in previously filled areas that now have capacity due to settlement. All new waste cells are constructed in accordance with state and federal regulations. This contract will allow two 15-acre waste cells to be constructed which will provide needed disposal capacity for the landfill's waste stream until approximately June 2019. This project will also include: landfill improvements to pave a degraded section of the landfill's perimeter access road; main entrance road improvements; construction of an access road to the new cell being constructed; new site signs at each entrance; and a wheel/undercarriage washing system and mud tracking reduction controls to reduce impacts to surrounding public right of ways during inclement weather.
ESTIMATED SCHEDULE OF PROJECT

Begin Construction December 2015
Complete Construction July 2016

BID INFORMATION

The following bids were received from solicitation number CIZ1564 and were opened on September 4, 2015. This construction contract is being awarded in its entirety to the lowest responsive and responsible bidder.

*Denotes successful bidder

**Hammett Excavation, Inc. submitted a total base bid for this project totaling $4,828,859.32. This bid contained a discrepancy between unit price and the extended total in the amount of $23,913.76, which when corrected reduced the bid to $4,804,945.56 (proposed award amount). The City, as allowed by State Law, can utilize the figure that is most advantageous to the City. Hammett Excavation, Inc. was the lowest responsible bidder of four prior to the correction and this change did not affect the overall results of bidding.
