

Good afternoon,

I hope you and yours are safe and well. Our office would like to share the following information:

Police Chief Survey

As you may know, the City of Dallas will be hiring a new Police Chief at some point in the near future. Mayor Eric Johnson believes that input from the community is necessary to hire a strong, effective leader. You can give your thoughts on leadership qualities, departmental priorities and professional qualifications [by taking a survey at this link](#) or calling 214-671-5190. Please take some time to share your feedback. Your needs are important, and your city government should be responsive to them. If you have any questions, please contact our office.

UTSW DFW Covid-19 Prevalence Study

UT Southwestern has expanded its DFW Covid-19 Prevalence Study, which is designed to reveal how widely Covid-19 has spread and why some communities are hit harder than others. This study will allow anyone who lives in Dallas and Tarrant County the opportunity to register online and participate. We have included this study in our newsletter, as we believe that the information that it provides is important. You can access the study by scanning the QR code on the flyer below, clicking [here](#), or calling 833-947-2577.

COVID-19 Update and Resources

The numbers of confirmed COVID-19 cases, and COVID-19 related hospitalizations in Dallas have been rising quickly. It is vital that all of us do our part to curb the spread and save lives by taking precautions, remaining socially distant, staying at home and wearing masks.

Dr. Tim Bray in conjunction with his colleagues at UT Dallas provides very helpful COVID-19 data dashboards. You can reach the homepage at <https://urbanpolicyresearch.org/covid19>, or the county dashboard directly at <https://urbanpolicyresearch.org/covid19/county-data-dashboard>. This includes number tested positive, increases by last 7 days, among other helpful information. This is one of the best resources available and may answer many questions you have.

For testing and other information (Spanish and English) visit Dallascityhall.com/COVID19 and 214.670.INFO

COVID-19 Mental Health Resources

COVID-19 Mental Health Resources are available for Dallas County Residents. Call the 24/7 COVID-19 Mental Health Support Line at (833) 251-7544. Visit <https://ntbha.org/> for additional resources.

As always, my office is here for you. If you need anything, please feel free to contact us by phone at 214-670-3816 ad 214-670-7057 or via email at District13@dallascityhall.com.

Stay safe,
Jennifer
