The City of Dallas Domestic Violence Task Force will continue the campaign to end domestic violence this October by raising awareness, partnering with local organizations and businesses, and depending on you to get involved. This may mean wearing a purple ribbon, painting a fingernail purple, wearing purple to work, putting a purple ribbon on your front door or tree, engaging in a donation drive at your office, attending one of the awesome events above...the opportunities for participation are endless!

Also, be sure to check out our Clothesline Project installations at Love Field Airport and City Hall lobby.

With your support and engagement, we will end domestic violence in Dallas!
