WELCOME!

On behalf of the city of Dallas, and my colleagues on the Dallas City Council, it gives me great pleasure to welcome the Southwest Airlines State Fair Classic. The city of Dallas is very proud to again host this event, which is the largest African American event in Texas and the third largest African American sporting event in the United States. The Dallas region is a sports region and home to several professional sports teams, as a result our citizens truly appreciate great sports competition.

As the Southwest Airlines State Fair Classic prepares to offer this exciting event in Dallas, TX, encourage you to also enjoy our beautiful city and the many fine places and attractions which offer the best entertainment, food, and shopping anywhere.

Again, best wishes for a fun and memorable event and a sincere thank you to the Southwest Airlines State Fair classic for continuing to provide this unforgettable athletic event to the Dallas region and our citizens.

Sincerely,

A handwritten signature in black ink that reads "Dwaine R. Caraway".
