Memorandum

DATE January 12, 2026

CITY OF DALLAS

Honorable Members of the Public Safety Committee

TO Cara Mendelsohn (Chair), Jesse Moreno (Vice Chair), Laura Cadena, Maxie Johnson, Jaime Resendez, William Roth, Kathy Stewart

SUBJECT **Dallas Fire-Rescue's Public Safety Dashboard - December 2025**

Dallas Fire-Rescue (DFR) had 23,336 dispatched incidents for December, an increase from 18,083 in November. As you are aware, DFR has a stated goal of achieving 90% of the metrics for EMS response within 9 minutes and Structure Fire Response within 5:20. However, DFR did not reach this goal for EMS (87%) and Fire response (85%).

We had eight significant fires in November, up from the seven we had in November. Inspection activity increased from November (1,719 to 2,664). Our rescue unit hours of utilization (UHU) decreased to 33.3% for Frontline units.

We currently have 180 recruits at various stages of training, scheduled to be assigned to the field between November 2025 and June 2026. For your quick reference, you can access DFR's Dashboard using the following link:

[DFR Executive Summary for December 2025](#)

We welcome feedback and suggestions for improvement. Please continue exploring the dashboard and let us know if you have any questions or want to see any changes/additions. Feel free to contact Fire Chief Justin Ball at justin.ball@dallasfire.gov.
