CITY OF DALLAS

DATE November 20, 2015
TO The Honorable Mayor and Members of the City Council
SUBJECT General Obligation Refunding Bonds, Series 2015 – Sale Results

On October 28, 2015, the City Council approved ordinances authorizing the issuance of up to \$227,000,000 in City of Dallas General Obligation Refunding and Improvement Bonds, Series 2015, to refund outstanding commercial paper notes and to issue improvement bonds. Preliminary estimates for the sale were included in a briefing to the Budget, Finance & Audit Committee on October 5th. This memo provides the results of the sale, which occurred on November 17th.

Market conditions on the 17th were favorable for the sale of these bonds. High demand for the bonds resulted in purchase orders that were more than three times the available supply. The final amount of the sale was \$195.08 million in general obligation refunding and improvement bonds, which includes the retirement of \$2.88 million currently outstanding general obligation commercial paper notes. The true interest cost for the bond sale was 3.041%, which is lower than the 3.34% estimated in October.
